 Pre-K-Fifth Grade* Mary Mueller,Alisa Hindin,2016-11-23 With recent changes in the curriculum and standards in language
 arts and mathematics parents often are challenged to find ways to help their children be successful in their learning
 endeavors While parents want to be involved in their children s education they are often unsure of their role in their children
 s learning and the best ways to help their children to succeed academically Moreover with the changes in how math and
 literacy are being taught parents often struggle with helping even first grade children with their homework In this book we
 set out to alleviate this struggle by offering parents a resource they can use to navigate their child s education communicate
 with teachers and support their children in learning mathematics and literacy After providing an overview of the current
 educational climate and tips for communication with teachers we share strategies and suggestions parents can use to assist
 their children in language arts and mathematics We provide detailed descriptions of activities games books and
