Christian Worldview and the Academic Disciplines Deane E. D. Downey, Stanley E. Porter, 2009-04-15 This book an edited compilation of twenty nine essays focuses on the difference s that a Christian worldview makes for the disciplines or subject areas normally taught in liberal arts colleges and universities Three initial chapters of introductory material are followed by twenty six essays each dealing with the essential elements or issues in the academic discipline involved These individual essays on each discipline are a unique element of this book These essays also treat some of the specific differences in perspective or procedure that a biblically informed Christian perspective brings to each discipline Christian Worldview and the Academic Disciplines is intended principally as an introductory textbook in Christian worldview courses for Christian college or university students This volume will also be of interest to Christian students in secular post secondary institutions who may be encountering challenges to their faith both implicit and explicit from peers or professors who assume that holding a strong Christian faith and pursuing a rigorous college or university education are essentially incompatible This book should also be helpful for college and university professors who embrace the Christian faith but whose post secondary academic background because of its secular orientation has left them inadequately prepared to intelligently apply the implications of their faith to their particular academic specialty Such specialists be they professors or upper level graduate students will find the extensive bibliographies of recent scholarship at the end of the individual chapters particularly helpful

Divine and Contingent Order Thomas F. Torrance,2005-07-20 This book examines the implications of the Judaeo Christian claim for our understanding of the universe that it is contingent freely created by God out of nothing and having an existence freedom and rational order of its own while still dependent on him Professor Torrance argues that this claim made possible the development of western empirical science but that Newtonian physics obscured the connection between the

rational order of nature and the Christian doctrine of creation He shows how modern relativity and quantum theories have once again drawn attention to the significance of contingency and imply that the universe is found to be consistently rational only if it is dependent on a creative rationality beyond it He considers finally the disorderly elements in the universe both physical and moral and argues that the doctrine of incarnation as well as of creation is necessary to deal with the intellectual problems which they raise *Unmasking Biblical Faiths* Charles W. Hedrick, 2019-01-11 *Unmasking Biblical Faiths* aims to address many of the challenges to traditional Christian faith in the modern world Since the eighteenth century Age of Enlightenment human reason formerly tethered by the constraints of organized religion has been set free to explore the universe relatively unchallenged The influence of the Bible on the other hand weakened due to the successes of modern historical criticism is found to be inadequate for the task of enabling the faith once for all delivered to the saints Jude 3 in that it cannot adequately respond to the many questions about religious faith that human reasoning raises for modern human beings In a series of short but tightly reasoned essays Charles Hedrick explores the confrontation between traditional Christian faith and aggressive human reason a conflict that is facilitated by Western secular education **Religions on**

Trial W. Mark Lanier, 2023-01-03 People today encounter a dizzying array of religious options How do we know what is true With perceptive insight trial lawyer Mark Lanier presents the claims made by the world's great religions and cross examines their witnesses to determine whether their claims are worthy of belief showing what a difference it makes for our own lives

Philosophy and Faith Gary Clifford Gibson, 2008-07-18 A consideration of select cosmology theories by a philosophically minded Christian Questions about the nature of the Universe life and the relationship to God in the passage of space time as an individual life grows through the physical process of life being a part of the process of the Universe The works of Schopenhauer and Plotinus and contemporary cosmology are featured here as the author provides Christian creation contemplations *Evangelical Bible Doctrine* Dr. Keith Sherlin, 2015-12-10 Over twenty one faithful evangelical Bible teachers have joined together in this work to both honor the legacy of Dr Mal Couch as well as to promote a solid sacred and safe theological manual for the body of Christ Colleagues and friends of Dr Couch such as Dr Wayne House Dr Norman Geisler Dr Arnold Fruchtenbaum Dr Timothy Demy and more along with many of Mals students and disciples set forth in this work a biblical and practical theology The first half of the book covers all twelve of the major biblical doctrines of Christianity The last half covers some of the hottest theological topics and practical issues that present day believers ought to be aware of in order to properly defend the faith In chapter 25 you will meet many of the disciples in Christ that Mal taught over the years as they express their gratitude for this godly giant of the faith So if you are curious about what a holistic evangelical faith looks like and even curious as to how dispensationalism fits within orthodox evangelicalism this book will provide for you a solid resource for many years to come
