pursuing the mindset of Christ Life Lessons Daniel Thomas, 2022-06-18 The explosion of technological advancement has created an illusion of self sufficiency and greed with the modern man A feeling of I don t need of anyone and I can manage my affairs has come up on a worldwide basis This has resulted a disconnect with the Creator This is a self destructive phenomenon The author urges the need for a deep rooted relationship between the Creator and creation The pages inside display an intimate relationship of the author with Jesus Christ It is imperative for a successful Christian life The readers are challenged for an introspection to see where they are today in their faith journey Not only God will lead you through his path but also will join you on the journey called life The author invites you to get reconnected without any delay with the One who gave up even the last drop of his blood to save you from the bondage of Satan This will assure your safe passage to the other shore his love peace and joy now and throughout eternity
