Dan White Jr., 2015-08-24 The landscape of Christian spirituality in the West is no longer lush with green grass and wild flowers blooming Instead across the country we find dry terrain where churches no longer can expect interested seekers yet most of our solutions for addressing this predicament link to anxiety around our performance and personality Rather than going back to the boardroom to cook up new techniques for a trendier church let's ask more meaningfully rooted questions Do we know how to be present in our neighborhoods Do we know how to be present in community Do we know how to be present to the in-breaking kingdom of God There is a growing groundswell discovering that we have become uprooted and detached from each other in the way we express being the church We need a subterranean movement that plunges below the surface into a way of being the people of God that carries an unwavering incarnational creed Dan White Jr uses crisp criticism narrative theology and tangible practices to uncover a hopeful pathway for being radically rooted in God's world

The Trouble With Jesus Constance Hastings, 2024-07-23 For 2000 years Jesus has been both decried and leveraged His story set in a context so contrary yet strangely similar to today serves as both a troubling and affirming testament to the quest for a meaningful life purpose Many know of Jesus but perhaps not his complete story Regardless of belief Jesus signifies trouble in the context of his time and for those grappling with his teachings today Using elements of drama The Trouble with Jesus demonstrates why both believers and skeptics are unsettled and provoked by the one who claimed to be the Son of God Jesus championed the marginalized challenged wealth and power dynamics and upended conventional wisdom through his parables He defied the status quo and faced betrayal by corrupt religious and political authorities His greatest trouble was being crucified and his subsequent resurrection defeating death ushering in a new era and inspiring a

new way of being In an edgy voice recognized by those wrestling with such existential questions whether one has never been to church or has been estranged from it or once thought they knew him The Trouble with Jesus confronts concepts of one of the most controversial figures whoever existed and the revolution he began **The Kingdom Life** Bruce McNicol,Dallas Willard,Keith Matthews,Bill Hull,Bill Thrall,Keith Meyer,Richard Averbek,Paula Fuller,Peggy Reynoso,Bruce Demarest,Michael Glerup,2016-06 The Kingdom Life provides an integrated approach to spiritual formation This rich compilation from an extraordinary team of thinkers offers sound theology and key practices to strengthen you and those you disciple in light of Christ s lordship and life in the kingdom back The Forgotten Ways Alan Hirsch,2009-04-01 Alan Hirsch is convinced that the inherited formulas for growing the Body of Christ do not work anymore And rather than relying on slightly revised solutions from the past he sees a vision of the future growth of the church coming about by harnessing the power of the early church which grew from as few as 25 000 adherents in AD 100 to up to 20 million in AD 310 Such incredible growth is also being experienced today in the church in China and other parts of the world How do they do it The Forgotten Ways explores the concept of Apostolic Genius as a way to understand what caused the church to expand at various times in history interpreting it for use in our own time and place From the theological underpinnings to the practical application Hirsch takes the reader through this dynamic mixture of passion prayer and incarnational practice to rediscover the dormant potential of the modern church in the West **Trolls and Truth** Jimmy Dorrell,2006 Trolls Truth is the story of a local church of homeless people college students middle class Christians some poor and some rich black white and brown drunks materialists mentally ill and former inmates who meet beneath the noise of 18 wheelers and rushing traffic under an interstate bridge in Waco Texas As they live out biblical mandates across racial and cultural barriers and institutional baggage they remind us that the gospel cannot be shaped by socially accepted values and remain good news *A Faithful Public-Prophetic Witness* Barry K. Morris,2020-03-20 This book hails from decades of challenging trial and error work abundant reading and an enduring obligation to ministers activists and unsung lay heroes whose legacies matter As there is little that actually addresses the elusive meanings if not the dangers inherent in pursuing alleged spoils of success it is kairos time Seemingly scarce resources and competition to make and maintain ministries in the city challenge those of us in the field or on the sidelines to speak write and communicate clearly and convincingly not only for ourselves and our people past and present but for those who come along soon to receive the baton or wear the mantle Concretely narrated with unique case studies a cast of dozens contribute their earthy earnest testimonies and are at long last energetically affirmed Specifically this work proffers constructive attention to the critical cautions concerning subtle temptations to succeed including commodification cooptation communalism clientelism and cowardice and not bailing on fierce charity justice tensions with benevolence protectively dominant Narrative analysis and biography as theology social ethics biblical theology and recent church history give apt attention to how a compelling case is possible for success if justice is practiced given a hopeful

realism and perspective of prophetic eschatology **Beyond Homelessness** Steven Bouma-Prediger, Brain J.

Walsh, 2008-06-03 This book is a brilliant use of metaphor that makes clear why the world leaves us feeling so uneasy

Hopeful Realism in Urban Ministry Barry K. Morris, 2016-05-20 What pray tell does a faithful urban ministry require if not a triadic relationship of prayer justice and hope Could such a theologically conjunctive relationship of prayer justice and hope fortify urban ministry and challenge students and practitioners to ponder and practice beyond the box Frequently justice is collapsed to charity hope into wishful thinking or temporarily arrested despair and prayer a grasp at quick fix interventions An urban ministry's steadfast public and prophetic witness longs for the depth and width of this triad Via three countries decades of endeavors one chapter brainstorms urban ministry practices while another's literature survey signals crucial convictions Amid many seminal theologians are summoned to ground urban ministry intimations and implications Niebuhr on justice Moltmann on hope and Merton on contemplative prayer Evident is passion that fuels compassion in the service of justice hope that engages despair and prayer that draws from the contemplative center of it all thankful resources for long haul ministry The triad presses to illumine a concrete ministry's engagement of relentless forced option issues yet with significant networks resourcing Contrast awareness animates endurance The summary exegetes the original grace based serenity prayer Hence hope vitally balances realism's temptation to cynicism Realism saves hope from irrelevancy 11

Jay Abshier, 2022-01-24 It is 1969 and Jim Simmons one year out of the Military Academy and fresh out of Special Forces training is headed to Vietnam where he is quickly faced with an ethical challenge when a spy is discovered in headquarters Walter Mueller a senior US State Department diplomat is assigned to Nicaragua and is joined by his family His wife and daughter open a medical clinic for the poor but soon discover that the Sandinistas want the Americans to leave Ramon Morales a seasoned Sandinista haunted by the abuse of his family by the Samozas is ordered to kidnap a busload of children Love from the Ashes of a Broken World follows their lives as war and terrorism challenge their understanding of God's love forgiveness and redemption Endorsement by two theologians I'm glad that I finished but sad that it's over This is so good Your story drew us in Really so very well done I think you succeeded in your purpose of writing about God and our

relationship to him Any follower of Jesus who enjoys military stories would enjoy this book And anyone who has struggled with guilt and the need for forgiveness and to forgive would benefit from reading the strong biblical answers laid out in the context of a story about someone else experiencing those struggles This was really good Endorsement by a Green Beret Vietnam veteran I found this to be a very enjoyable and believable story The Publishers Weekly ,2004 *Congressional Record* United States. Congress,1942 Penetrating God's World with the Gospel of Christ Bennie Simmons,2019-02-20 This book is dealing with subjects that are seldom discussed but are needed for the church to grow in number Discipleship is important but first we must lead the person to Christ with the right message That message is found in the book of Acts The essence of the Gospel was and is today in three parts One is the person of Christ found in the four Gospels Two is the death of Christ again found in the four Gospels And thirdly is the resurrection of Christ Number three being the most neglected part of the Gospel presentation If we follow the messages by Paul and Peter in the book of Acts we will see that all three elements are included We discuss how Satan has tricked and fooled us by his slick presentation as concerning the Gospel of Jesus Christ We teach how one person can lead many to Christ before we stand at the judgement seat of Christ This book will change you **Saints Herald** ,1888 **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 **Our Children** ,1879 **Broke** Caryn Rivadeneira,2014-03-07 In the midst of a financial and spiritual desert Caryn Rivadeneira struggled with questions of God s goodness Join in her journey as she pursues God even when bruised battered and broken and you ll laugh and cry with her as she experiences spiritual blessing and discovers God s provision in ways she never expected Getting Ready for Secession Carl Wells,2016-04-22 The end is near or the beginning The United States is falling down drunk broke We are bankrupt We were of course morally bankrupt first Our moral bankruptcy led to our financial bankruptcy What happens if when the financial system implodes This huge and out of control baby killing wedding bombing Leviathan may implode as well That sounds like it might be dangerous because it is But reality exists Thats my theory anyway and Im sticking to it No evil empire goes on forever Ask Assyria Nazi Germany and the Soviet Union God is sovereign And He will strongly support those whose heart is completely His 2 Chronicles 16 9 Maybe the end of the United States can be a turning point for enormous good in world history But we all Christians and non Christians need to think about this a lot more Hence Getting Ready for Secession by Carl Wells
