God, Sexuality, and the Self

An Essay 'On the Trinity'

CAMBRIDGE

God Sexuality And The Self An Essay On The Trinity

Patrick Vollmar

God Sexuality And The Self An Essay On The Trinity:

God, Sexuality, and the Self Sarah Coakley, 2013-08-29 A creative new venture in systematic theology which tackles the intrinsic relation of God and sexuality

Being Human in God's World J. Gordon McConville, 2016-08-16 A Biblical Perspective on What It Means to Be Human This major work by a widely respected Old Testament scholar and theologian unpacks a biblical perspective on fundamental questions of what it means to be human J Gordon McConville explores how a biblical view of humanity provides a foundation for Christian reflection on ethics economics politics and church life and practice The book shows that the Old Testament s view of humanity as earthed and embodied plays an essential part in a well rounded Christian theology and spirituality and applies the theological concept of the image of God to all areas of human existence

The Mosaic of Atonement Joshua M. McNall, 2019-08-27 The Mosaic of Atonement offers a fresh and integrated approach to historic models of atonement While modern treatments of the doctrine have tended toward either a defensive hierarchy in which one model is singled out as most important or a disconnected plurality in which multiple images are affirmed but with no order of arrangement this book argues for a reintegration of four famous pieces of atonement doctrine through the governing image of Christ shaped mosaic Unlike a photograph in which tiny pixels present a seamless blending of color and shape a mosaic allows each piece to retain its recognizable particularity while also integrating them in the service of a single larger image If one stands close one can identify individual squares of glass or tile that compose the greater picture And if one steps back there is the larger picture to be admired Yet in the great mosaics of age old Christian churches the goal is not for viewers to construct the image as in a puzzle but to appreciate it So too with this mosaic of atonement doctrine While no one model is set above or against the others the book notes particular ways in which the pieces the feet heart head and hands mutually support one another to form a more holistic vision of Christ s work This is my body Jesus said to his followers and by reintegrating these oft dismembered aspects of atonement we will note fresh ways in which it was given for us

The Broken Body Sarah Coakley, 2024-04-09 A fascinating collection of essays exploring a fresh contemporary approach to the person and doctrine of Jesus Christ How should Christians think about the person of Jesus Christ today In this volume Sarah Coakley argues that this question has to be broken open in new and unexpected ways by an awareness of the deep spiritual demands of the christological task and its strikingly apophatic dimensions by a probing of the paradoxical ways in which Judaism and Christianity are drawn together in Christ even by those issues which seem to break them most decisively apart and by an exploration of the mode of Christ s presence in the eucharist with its intensification breaking and re gathering of human desires In this sequel to her celebrated earlier volume of essays Powers and Submissions Coakley returns to its unifying theme of divine power and contemplative submission and weaves a new web of christological outcomes which remain replete with controversial implications for gender spirituality and ethics The Broken Body will be of interest to those working in the fields of systematic theology philosophy of religion early Christian studies Jewish Christian

relations and feminist and gender theory Fusing biblical and patristic theology analytic philosophy and spiritual tradition Sarah Coakley has produced a fascinating inspiring and compelling account of Christ's identity and its importance for questions of life Professor Mark Wynn University of Oxford Coakley argues that good Christology arises only from intellectual and spiritual postures learnt by encountering Christ openly This volume subtly and powerfully facilitates such encounter with God and in him with our neighbours especially the Jewish people Professor Judith Wolfe University of St Andrews Everything we have come to expect from Sarah Coakley is here in this extraordinary collection wonderful clarity startling and fruitful comparisons within and beyond the theological canon a brisk defiance of feminist conventions that in turn sharpens and deepens feminist analysis a resistance to cheap theological certainties and an abiding faithfulness anchored in Christ borne aloft by the Spirit Christology is here shown to embrace abjection and jouissance to advocate sacrifice that is itself the end of patriarchal violence and to demand a eucharistic sharing that is incomplete without solidarity to the outcast and the poor themselves the face of the living Christ In these essays Coakley exemplifies the semiotic richness of priest and scholar a breaking open of theological reserves that will transgress startle renew instruct This is sacrifice re made Professor Katherine Sonderegger Virginia Theological Seminary

The Shape of Anglican Theology Scott MacDougall, 2022-05-16 There are numerous books that offer an historical account of Anglican theology or that detail the lives and work of particular Anglican theologians Books that focus on the nature and character of Anglican theology itself however are hard to find This volume fills that gap In *The Shape of Anglican Theology* Scott MacDougall examines what it is that makes Anglican theology Anglican Beginning with a treatment of the ways in which Anglican theology is and is not distinct from other types of Christian theology he describes the theological features that mark the general boundaries of Anglican theologizing before turning to consider a set of eight interconnected characteristics that provide Anglican theology with its distinctive profile MacDougall argues that by setting its boundaries as widely as possible and requiring subscription to specific theological propositions as little as possible Anglican theology is in essence a wisdom theology that seeks to build the capacity for faithful Christian discernment in belief and practice

[Engaging Nicene Trinitarianism](#) Matthias Grebe, Nadine Hamilton, Christian Schlenker, 2025-08-21 Twelve original studies on Trinitarian theology and its enduring capacity to shape theological discourse ecclesiology and society today The doctrine of the Trinity sits at the heart of Christian identity shaping how Christians think about faith worship and community The Nicene Creed recited in churches across the world invites not only a shared confession but also a deep and ongoing conversation about who God is and how God relates to the world The Council's articulation of the consubstantiality of the Son with the Father laid the foundation for Trinitarian doctrine and safeguarded the mystery of salvation It continues to serve as a rich source of interdisciplinary exploration and inspire fresh theological inquiry into the mystery of divine communion the incarnation of Christ and the unity and identity of the Church On the 1700th anniversary of this historic event the essays in this volume collectively re-examine earlier debates introduce fresh

perspectives and renew dialogue around doctrines as vital today as in the fourth century Emphasising the value of constructive engagement between traditions and exploring how Trinitarian theology continues to inform Christian witness in a complex and changing world this volume offers essential reading for anyone seeking to deepen their understanding of a foundational aspect of Christian faith and history

The New Cambridge Companion to Christian Doctrine Michael Allen, 2022-11-17 What is Christian Doctrine This Companion guides students and scholars through the key issues in the contemporary practice of Christian theology Including twenty one essays specially commissioned from an international team of leading theologians the volume outlines the central features of Christian doctrinal claims and examines leading methods and theological movements The first part of the book explores the ten most important topics in Christian doctrine offering a nuanced historical analysis as well as charting pathways for further development In the second part essays address the most significant movements that are reshaping approaches to multiple topics across disciplinary as well as denominational and ecclesiastical borders Incorporating cutting edge biblical and historical scholarship in theological argument this Companion serves as an accessible and engaging introduction to the main themes of Christian doctrine It will also guide theologians through a growing literature that is increasingly diverse and pluriform

Women and the Gender of God Amy Peeler, 2022-10-04 A robust theological argument against the assumption that God is male God values women While many Christians would readily affirm this truth the widely held assumption that the Bible depicts a male God persists as it has for centuries This misperception of Christianity not only perniciously implies that men deserve an elevated place over women but also compromises the glory of God by making God appear to be part of creation subject to it and its categories rather than in transcendence of it Through a deep reading of the incarnation narratives of the New Testament and other relevant scriptural texts Amy Peeler shows how the Bible depicts a God beyond gender and a savior who while embodied as a man is the unification in one person of the image of God that resides in both male and female Peeler begins with a study of Mary and her response to the annunciation through which it becomes clear that God empowers women and honors their agency Then Peeler describes from a theological standpoint how the virgin birth of Jesus the second Adam reverses the gendered division enacted in the garden of Eden While acknowledging the significance of the Bible's frequent use of Father language to represent God as a caring parent Peeler goes beneath the surface of this metaphor to show how God is never sexualized by biblical writers or described as being physically involved in procreation making the concept of a masculine God dubious at best From these doctrinal centers of Christianity Peeler leads the way in reasserting the value of women in the church and prophetically speaking out against the destructive idolatry of masculinity The Michael Ramsey Prize Longlist 2023

Five Things Biblical Scholars Wish Theologians Knew Scot McKnight, 2021-09-07 The relationship between biblical studies and theology is often marked by misunderstandings methodological differences and cross discipline tension With an irenic spirit as well as honesty about differences that remain New Testament scholar Scot McKnight highlights five things he

wishes theologians knew about biblical studies so that these disciplines might once again serve the church hand in hand

The Oxford Handbook of the Philosophy of Love Christopher Grau, Aaron Smuts, 2024 The Oxford Handbook of the Philosophy of Love offers a wide array of original essays from leading philosophers on the nature and value of love **Colin Gunton's Trinitarian Theology of Culture** Andrew Picard, 2024-06-27 Whilst upholding some of the criticisms of Colin Gunton's work this incisive book argues that there is a Hauptbriefe in Gunton reception that assumes his early classic works *The One the Three and the Many* and *The Promise of Trinitarian Theology* 1st ed are definitive of his project and fail to engage adequately with the progressions in Gunton's later thought Instead this book offers a fresh reading of Gunton by giving greater prominence to his later writings which are centred in the mediation of the Son and the Spirit in creation Andrew Picard argues that Gunton's trinitarian theology of culture emerges from his later trinitarian theology of mediation creation Christology pneumatology and ecclesiology Exploring these doctrinal foci enables an understanding of Gunton's account of faithful human culture as embodied worship a living sacrifice of praise which contributes to the divine redemption and perfection of creation It is the church's particular calling to embody such praise through its visible life in community The study concludes by intersecting Gunton's theology with the social sciences to critique ableism and consider the politics of the church's belonging in community The Death and Life of Speculative Theology Ryan Hemmer, 2023-07-25 The Death and Life of Speculative Theology argues that speculative theology can be decoupled from classicism transformed through modern science philosophy and culture and made useful for addressing intellectual problems in this cosmopolitan age Speculative theology can provoke organize regulate and invigorate intellectual pluralism and thereby contribute to making the world a home for the human spirit Drawing on the thought of Bernard Lonergan Ryan Hemmer narrates the rise and fall of speculative theology anticipates how it might be renewed and repurposes some of its forgotten achievements to show that modern theology can be a modern science for a modern culture **Divine Simplicity and the Triune Identity** Jonathan M. Platter, 2021-07-05 There has been a recent revival of interest in the doctrine of divine simplicity in systematic and philosophical theology following decades of intense reflection on the tri personhood of the Christian God While recent studies have produced a greater appreciation of patristic and scholastic theologies they have not yet engaged in dialogue with proponents of the trinitarian revival that emerged in the latter half of the twentieth century in anything other than polemical terms This book offers a theological defense of the doctrine of divine simplicity through careful reading of both exemplary historical theologians and Robert W Jenson an important American contributor to the trinitarian revival After tracing continuities and discontinuities amongst select historical theologians the book approaches Jenson with a multivalent account of divine simplicity The result is a more nuanced interpretation of Jenson's theology an account of divine simplicity that responds to perceived problems and new constructive proposals for divine simplicity in trinitarian theology Theology and Prayer Gary Eaborn, 2023-06-26 What does it mean for rigorous thought about God to be guided by prayer What do Ignatius

of Loyola's Spiritual Exercises teach us about discernment. How can that discernment become a spiritual discipline which guides our choices throughout life? How can that discipline guide the theological choices we all make, including those of academic theologians? This book moves beyond the abstract notion that theology should be prayerful to bring theology together with a particular spiritual practice. It argues that the Spiritual Exercises are a system of prayerful discernment which already provide for reason to be used alongside an openness to all experience and all the ways that we can be guided by the Holy Spirit. This book provides a constructive interpretation of the Exercises as a path of prayerful discernment which can be used throughout life. It sees in the Exercises a way of active receptivity to all experience, treating all experience as worthy of attention but also approaching that experience with humility and caution. This book sees theology practiced in this way as a discerning spiritual discipline, as more resistant to the challenges of modernity than theology which has been sundered from our spiritual life.

Tongue-Tied Sara Wenger Shenk, 2021-04-06. Are you tongue tied about faith? Many Christians easily and eagerly talk about movies, sports, politics, jobs, and emotions. So why are we tongue tied when it comes to talking about our faith, even with each other? Even with our kids? What renders us incapable, embarrassed, or hesitant to talk about God? In *Tongue Tied*, theologian and former seminary president Sara Wenger Shenk investigates the reasons that people who claim the name of Christ are so reluctant to talk about him. Recovering an authentic vocabulary of faith and learning to speak in trustworthy, captivating ways is an urgent task for followers of Jesus today. In an era of dying churches, polarizing cultural arguments, and environmental and humanitarian crises, many people are longing for deep conversations about things that matter. We are longing for genuine spiritual connection with a just and loving God. By reflecting theologically on biblical wisdom and our shared humanness, Wenger Shenk calls readers to recover the winsome language of Christian faith. We don't need to relearn Christianese or brush up on churchy clichés. We need a language of faith that is authentic, candid, and robust enough to last.

The Testimony of the Spirit R. Douglas Geivett, Paul K. Moser, 2017. The theme of the testimony of the Spirit of God has received inadequate attention in recent publications. This book corrects that inadequacy with new essays from an interdisciplinary perspective, including theology, biblical studies, philosophy of religion, ethics, psychology, aesthetics, and apologetics.

T&T Clark Handbook of Christian Prayer, 2021-12-16. The essays collected in this volume provide a resource for thinking theologically about the practice of Christian prayer. In the first of four parts, the volume begins by reaching back to the biblical foundations of prayer. Then each of the chapters in the second part investigates a classical Christian doctrine, including God, creation, Christology, pneumatology, providence, and eschatology, from the perspective of prayer. The chapters in the third part explore the writings of some of the great theorists of prayer in the history of the Christian tradition. The final part gathers a set of creative and critical conversations on prayer, responding to a variety of contemporary issues. Overall, the *T T Clark Handbook of Christian Prayer* articulates a theologically expansive account of prayer, one that is deeply biblical, energetically doctrinal, historically rooted, and relevant to a whole host of critical questions.

and concerns facing the world today *Hope for the Oppressor* Patrick Oden,2019-07-26 The liberating work of God calls the oppressed out of oppression and the oppressor out of oppressing The challenge in seeking a thorough liberation of oppressors is to help them understand their need for freedom and how to seek this freedom in their own contexts Patrick Oden provides a holistic biblical historical and theological analysis that diagnoses the underlying motivations and inclinations that lead to oppression Part one addresses the context of oppression in which most participants in oppression do not actively seek to harm others but are caught up in systems that tend toward the diminishment of others Part two examines the biblical and early Christian response to oppression discovering a thread that avoids condemning participation in society generally while also cautioning the people of God about being co opted by society Part three discusses how oppressors can withdraw from oppression through a constructive analysis of four contemporary theologians Wolfhart Pannenberg Jürgen Moltmann Sarah Coakley and Jean Vanier each of whom contributes to a widening vision of liberated and liberating life in which the once oppressed and former oppressor can find peace together in community Divine Generosity and Human Creativity David Brown,2017-02-22 Partly in a desire to defend divine freedom and partly because it is seen as the only way of preserving a distinctive voice for theology much contemporary theology has artificially restricted revelation and religious experience effectively cutting off those who find God beyond the walls of the Church Against this tendency David Brown argues for divine generosity and a broader vision of reality that sees God deploying symbols literary visual and sacramental as a means of mediating between the divine world and our own material existence A sustained argument for divine interaction and more specifically the ways in which God speaks in the wider imaginative world this volume calls for a careful listening exercise since symbols are richer and more open in their possibilities than their users often suppose Not only is this true of the imagery of Scripture even inanimate objects like buildings or hostile but creative artists can have important things to say to the believing Christian An ideal introduction that also moves the conversation forward this volume addresses foundations the multivalent power of symbols artists as theologians and meaning in religious architecture **Analyzing Prayer** Oliver D. Crisp,James M. Arcadi,Jordan Wessling,2022 Analyzing Prayer draws together a range of theologians and philosophers to deal with different approaches to prayer as a Christian practice The essays included deal with issues pertaining to petitionary prayer prayer as reorientation of oneself in the presence of God prayer by those who do not believe liturgical prayer mystical prayer whether God prays the interrelation between prayer and various forms of knowledge theologizing as a form of prayer lament and prayer prayer and God's presence and even prayer and the meaning of life The volume contains cutting edge studies on a neglected topic of theological study that contributes to the broadening of themes tackled by analytic theology

Recognizing the habit ways to acquire this book **God Sexuality And The Self An Essay On The Trinity** is additionally useful. You have remained in right site to begin getting this info. get the God Sexuality And The Self An Essay On The Trinity belong to that we manage to pay for here and check out the link.

You could buy lead God Sexuality And The Self An Essay On The Trinity or get it as soon as feasible. God Sexuality And The Self An Essay On The Trinity Introduction

God Sexuality And The Self An Essay On The Trinity Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. God Sexuality And The Self An Essay On The Trinity Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. God Sexuality And The Self An Essay On The Trinity : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for God Sexuality And The Self An Essay On The Trinity : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks God Sexuality And The Self An Essay On The Trinity Offers a diverse range of free eBooks across various genres. God Sexuality And The Self An Essay On The Trinity Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. God Sexuality And The Self An Essay On The Trinity Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific God Sexuality And The Self An Essay On The Trinity, especially related to God Sexuality And The Self An Essay On The Trinity, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to God Sexuality And The Self An Essay On The Trinity, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some God Sexuality And The Self An Essay On The Trinity books or magazines might include. Look for these in online stores or libraries. Remember that while God Sexuality And The Self An Essay On The Trinity, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow God Sexuality And The Self An Essay On The Trinity eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the God Sexuality And The Self An Essay On The Trinity full book , it can give you a taste of the authors writing

style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of God Sexuality And The Self An Essay On The Trinity eBooks, including some popular titles.

FAQs About God Sexuality And The Self An Essay On The Trinity Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. God Sexuality And The Self An Essay On The Trinity is one of the best book in our library for free trial. We provide copy of God Sexuality And The Self An Essay On The Trinity in digital format, so the resources that you find are reliable. There are also many Ebooks of related with God Sexuality And The Self An Essay On The Trinity. Where to download God Sexuality And The Self An Essay On The Trinity online for free? Are you looking for God Sexuality And The Self An Essay On The Trinity PDF? This is definitely going to save you time and cash in something you should think about.
