Relaxing with God Andrew Farley,2014-06-24 Jesus called his followers to exchange the heavy yoke around their necks for his light one So why are so many Christians feeling weighed down and burned out The simple answer is that they are being told from many pulpits across the country what they should be doing for God Bestselling author Andrew Farley calls this for what it is works based religion and then shares with readers biblical wisdom on the neglected art of resting in Christ Anyone longing to experience true release from the crushing expectations that the world throws their way will find life and rest in Farley s revolutionary message

The Subversive Evangelical Peter J. Schuurman,2019-06-30 Evangelicals have been scandalized by their association with Donald Trump their megachurches summarily dismissed as religious Walmarts In The Subversive Evangelical Peter Schuurman shows how a growing group of reflexive evangelicals use irony to critique their own tradition and distinguish themselves from the stereotype of right wing evangelicalism Entering the Meeting House an Ontario based Anabaptist megachurch as a participant observer Schuurman discovers that the marketing is clever and the venue a rented movie theatre is attractive to the more than five thousand weekly attendees But the heart of the church is its charismatic leader Bruxy Cavey whose anti religious teaching and ironic tattoos offer a fresh image for evangelicals This charisma Schuurman argues is not just the power of one individual it is a dramatic production in which Cavey his staff and attendees cooperate cultivating an identity as an irreligious megachurch and providing followers with a more culturally acceptable way to practise their faith in a secular

age Going behind the scenes to small group meetings church dance parties and the homes of attendees to investigate what motivates these reflexive evangelicals Schuurman reveals a playful and provocative counterculture that distances itself from prevailing stereotypes while still embracing a conservative Christian faith *Beyond the Broken Church* Sarah Raymond Cunningham, 2014-04-22 *Beyond the Broken Church* is a collection of heartfelt learnings from Sarah Cunningham a young adult raised in the faith about the church she's not always sure she wants to be part of The book engages concerns of a disillusioned generation head on and offers hope and honest practical ideas for moving beyond one's frustrations In the end *Beyond the Broken Church* tells a story that will be familiar to many the journey of overcoming disillusionment and staying the course This revised and expanded version of the popular book *Dear Church* revisits the existing book with additional chapters fresh statistics new insights into why people are leaving the church and a resource guide for those who care about the disillusioned and want to understand them better *Beyond the Broken Church* will be a breath of fresh air to others who have experienced frustration in church as well as an insider's guide for those seeking to understand current trends in church attendance particularly among the younger generation *Your Encounters With The Holy Spirit* David S. Theism Sal Restivo, 2023-09-01 This book addresses the flaws and fallacies in the grounds for atheism and theism flaws and fallacies that contaminate the arguments of non believers and believers alike Focusing on the highly visible debates between the New Atheists such as Christopher Hitchens Daniel Dennett Richard Dawkins and Sam Harris on the one hand and their main theist opponents including Frank Turek John Lennox and William Lane Craig on the other it approaches these debates from the perspective of the sociology of religion and science With entire worldviews at stake it explores various failings in the logic language and knowledge of the protagonists revealing mistaken and oversimplified understandings of both science itself and the sociocultural and symbolic roles of religion on both sides Advancing a secular and humanist worldview unburdened by the problems that beset both atheism and theism the author argues for a sociological perspective on religion God and science as a practice together with a critical realist approach to the nature of the real world as we experience it Beyond New Atheism and Theism will therefore appeal to scholars and students of sociology and cultural studies with interests in the conflicting worldviews of science and religion **The World's Religions** Peter Clarke, Friedhelm Hardy, Leslie
