Gods Tender Mercy Reflections On Forgiveness:

God's Tender Mercy Joan Chittister, 2010 Sister Joan Chittister is a bestselling author for a very good reason She takes difficult and even mysterious concepts and breaks them open for us Here she tackles the virtue of mercy and its connection to forgiveness She challenges us to stop judging accusing and criticizing those we label sinners and to see ourselves in their number She invites us to be realistic about our own actions before we throw that first stone at another This is spiritual reading at its very best

The Soul'S Journey Patricia Greene PhD, 2015-04-15 The Souls Journey is a desirable book for the soul journeyer who has begun his or her spiritual quest It was written with respect of The Interior Castle the monumental work written by Teresa of Avila whose writing is the wellspring that has quenched the thirst of many It is the foundation from which all other sources have flowed translations meditations and now this brief book that offers insight from seven reflections The reflections and landmarks are made by the author on the mansions of The Interior Castle for those who seek to engage in the transformational process of their spiritual pilgrimages Glimpses are thus caught of the souls journey throughout the interior mansions Facets of the journey are reflected to engage within the wisdom of Teresas writing that can never be replicated The intention is for the soul journeyer to grow in the wholeness of mind body and soul as well as in ones own humanness as he or she engages with the rawness of the soul to refine that rawness to become authentic and to realize his or her full potential in that search for the divine one within

A Fresh Look at Confession David M. Knight, 2013 David Knight was forty years a priest before he learned that priests don't hear sins in confession What you are really revealing is your ideals he says The real you has a different set of ideals reflecting your heart instead of your lapses This you abides with God With these words Father Knight reveals that A Fresh Look at Confession is unlike anything you may have read about the sacrament He speaks about the heart of confession its meaning and mystery and why it is so necessary for authentic followers of Christ This is deep theology explained in clear language But it's also much more Father Knight's moving intensely personal account of his own journey as a sinner takes readers beyond theory and into the awe inspiring reality of our complete redemption in Jesus who does not just forgive but who takes away the sins of the world From a varied background as missionary teacher pastor professor retreat director and campus minister Father Knight's ministry has come to focus on making mystical experience commonplace in conscious Christian living Book jacket
