Dorricott, 2023-09-14 The objective of this short 4 module course is that we will launch out into the deep that is move to a new level in our experience with God just like Peter did in Luke chapter 5 Jesus said to Peter Launch out into the deep and let down your nets for a catch Despite having fished all night and caught nothing Peter obeyed They caught so many fish that the nets started to break and two boats were almost sunk The writer to the Hebrews urged them not to settle for mediocrity in their lives for God He said in Hebrews 6:1 Therefore leaving the discussion of the elementary principles of Christ let us go on to perfection The height of a tree is determined by the depth of its root It is the root that bears the fruit Depth matters When we go deeper into the things of God we get nearer to God Himself which is all part of His plan in sanctifying us He wants to draw us closer and closer to Himself As we all come closer to Him we thereby come closer to each other just like the spokes on a wheel that meet at the centre For the Spirit searches all things yes the deep things of God 1 Corinthians 2:10
