Going Local Going Local:

Going Local John Pierson, 2007-09-12 *Going Local* explains how social workers can develop approaches to neighbourhood work engage with users and their locality and contribute to strengthening local communities and how these principles work out in practice in specific services

Going Local Michael Shuman, 2013-06-17 National drug chains squeeze local pharmacies out of business while corporate downsizing ships jobs overseas All across America communities large and small are losing control of their economies to outside interests *Going Local* shows how some cities and towns are fighting back Refusing to be overcome by Wal Marts and layoffs they are taking over abandoned factories switching to local produce and manufactured goods and pushing banks to loan money to local citizens Shuman details how dozens of communities are recapturing their own economies with these new strategies investing not in outsiders but in locally owned businesses

Going Local Merilee S. Grindle, 2009-03-09 Many developing countries have a history of highly centralized governments Since the late 1980s a large number of these governments have introduced decentralization to increase democracy and improve services especially in small communities far from capital cities In *Going Local* an unprecedented study of the effects of decentralization on thirty Mexican municipalities Merilee Grindle describes how local governments respond when they are assigned new responsibilities and resources under decentralization policies She explains why decentralization leads to better local governments in some cases and why it fails to in others Combining quantitative and qualitative methods Grindle examines data based on a random sample of Mexican municipalities and ventures into town halls to follow public officials as they seek to manage a variety of tasks amid conflicting pressures and new expectations Decentralization she discovers is a double edged sword While it allows public leaders to make significant reforms quickly institutional weaknesses undermine the durability of change and legacies of the past continue to affect how public problems are addressed Citizens participate but they are more successful at extracting resources from government than in holding local officials and agencies

accountable for their actions The benefits of decentralization regularly predicted by economists political scientists and management specialists are not inevitable she argues Rather they are strongly influenced by the quality of local leadership and politics

Global Goes Local Timothy J. Craig, Richard King, 2010-10-01 Cheap mechanical and satellite transmissions have made a predominantly North American culture available to a global audience Does this mean that rock n roll soap opera reruns and professional wrestling will destroy Asian traditions and leave Asian nations to produce nothing but imitations of a shallow hedonistic alien culture Far from it In *Global Goes Local* international scholars from a variety of disciplinary perspectives examine different forms of popular culture in Asia Covering topics from pop music in Korea to TV commercials in Malaysia this collection shows how imported cultural forms can be invested with fresh meaning and transformed by local artists to result in new forms of assertion and resistance that also meet the needs of their particular audiences *Global Goes Local* addresses significant questions being considered by scholars of popular culture and offers case studies of how culture

suffers survives or prospers in Asian communities in an age of global communication **Talk Pidgin; Speak English: Go Local; Go American** Wayne Kiyosaki, 2014-05-13 Deeply traditional in their thinking but inherently pragmatic by nature Japanese immigrants in Hawaii were driven by conviction to unite under the mantra For the Sake of the Children to commit to raising their island born children as full fledged Americans irrevocably committed to America's highest ideals

Happy-Go-Local Linsly Donnelly, 2010-02-18 CSAs or farmers markets Upcycling or freecycling Carpools or staycations All of the above They're all great choices but how do you decide where your family's time and energy is best spent In Happy Go Local Linsly Donnelly shares countless ideas from her own experience in living locally to help you raise a happy and sustainable family From community swaps to cooking co-ops her approachable step by step style will inspire you to make changes that bring your family neighborhood and town together one compost pile at a time Featuring interviews and tips from professionals in the sustainable movement this all in one guide takes the guesswork out of living locally and is one item you won't want to recycle Breaking Through the Noise Matthew Eshbaugh-Soha, Jeffrey Peake, 2011-08-15 This book explores how presidential leadership of the public most typically occurs through leadership of the news media GO AFTER YOUR DREAMS Dr. Margaret Curlew, 2019-07-07 Did you have big dreams growing up How many of those dreams have you worked on How many have you accomplished 1 2 5 or none And why is that In this inspirational book you will learn To own your brilliance Embrace your failures as they are stepping stones to your success Empower yourself Explore the world Go after your dreams and don't give up Seek and surround yourself with positive energy **Going Local** Michael Shuman, 1998 Communities throughout the world are losing control of their economies Convinced by mainstream economists that globalization is inevitable local leaders whether liberal or conservative Democrat or Republican are trying to attract outside investment by paying massive subsidies slashing wages and weakening environmental standards **English Rock and Pop Performances** Lisa Jansen, 2022-03-15 This book addresses the phenomenon of non American rock and pop singers emulating an Americanized singing style for performance purposes By taking a novel approach to this pop cultural trend and drawing attention to the audience British and American students' perceptions of English rock and pop performances were elicited Interviews guided by various music clips were conducted and analyzed through a detailed qualitative content analysis The interviewees' responses provide important insights into social meanings attached to Americanized voices and local British accents in the respective genres and show how British and American attitudes toward these performance accents differ These perceptions and attitudes are illustrated by developing associative fields which offer a fresh view on the notion of indexicalities An engaging folk linguistic investigation of a relatable everyday pop culture phenomenon this book makes complex sociolinguistic phenomena easily approachable and qualitative research accessible It is suitable for intermediate students onward and inspires further research projects in the field of language performances **Joining Jesus** Moses Chung, Christopher Meehan, 2022-03-25 Inspired by an incarnational theology that emerges from a missional reading of Luke

10 Chung and Meehan went out to discover the stories of contemporary disciples who labor in the harvest fields of God's uncommon upside down Kingdom. The stories that emerge describe the work and presence of the Spirit in communities across North America where ordinary faithful people and churches embrace the Spirit's invitation by sharing themselves with their neighbors. Our need to connect with neighbors seems more difficult now than ever, but Chung and Meehan say we shouldn't be afraid of change and to listen to the Spirit's prodding. By sharing stories on how to go local by remaining faithfully present, the authors encourage us to embrace our neighborhoods and join Jesus by loving people in the tangible ordinariness of life.

Go Green, Save Green Nancy Sleeth, 2009. Sleeth divulges hundreds of practical, easy-to-implement steps that create substantial money savings while protecting the Earth. She also demonstrates how going green helps people live more God-centered lives by becoming better stewards.

Real Options in Theory and Practice Graeme Guthrie, 2009-07-16. Real options that arise in the real world often vary radically from one problem to another. These differences may arise due to the particular real options embedded in the projects and the order in which they can be exercised. They may arise due to different underlying sources of uncertainty with possibilities ranging from easily observable commodity prices to almost unquantifiable factors such as the technological viability of a project. The possibilities are almost endless. This book focuses on building a general approach to solving real options problems from the ground up to show readers how real options can be assembled in a way appropriate to the individual problem being analyzed.

Kenya National Assembly Official Record (Hansard), 1986-12-03. The official records of the proceedings of the Legislative Council of the Colony and Protectorate of Kenya, the House of Representatives of the Government of Kenya, and the National Assembly of the Republic of Kenya.

Go Green Get Lean Kate Geagan, 2009-03-17. Over the past 20 years, America has been steadily marching toward a diet that is more drenched in fossil fuel than any key nutrient. Experts estimate that it now takes roughly 7 to 10 calories of fossil fuel energy to bring one calorie of food energy to the American plate. Not only have our eating habits turned us into an increasingly overweight society, but the alarming truth is that our food choices are having as much of an impact on the planet as the cars we drive. *Go Green Get Lean* is the perfect eating plan for our time. Revealing easy-to-follow steps anyone can take to eat for a healthy body and planet and drop up to 9 pounds in the first 2 weeks, Kate Geagan helps readers see the questionable value of convenience foods and explains why going green doesn't require a drastic vegan overhaul. Because there are many nutritional benefits to be drawn from some non-plant-based food choices, she points readers to the best selections, including occasional splurges they can enjoy in good conscience. In learning to make truly LEAN choices, Kate offers the following straightforward formula: Before eating food, ask yourself: Local or global? What was the Energy used to bring it to my plate? Include processing, packaging, transportation, and temperature of food. Animal or plant? Plant foods are greener. Is this Necessary? Is this food critical to my health and weight goals? This trailblazing work, the first to offer a specific weight loss plan along with the promise of a lowered carbon footprint, makes it possible for readers to

Going Local Going Local Introduction

In today's digital age, the availability of Going Local Going Local books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Going Local Going Local books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Going Local Going Local books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Going Local Going Local versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Going Local Going Local books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Going Local Going Local books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Going Local Going Local books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Going Local Going Local books and manuals for download have transformed the way we access information. They provide a

cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Going Local Going Local books and manuals for download and embark on your journey of knowledge?
