On Halloween night Myers was later gunned down, apprehended, and committed to Smith's Grove State Hospital. For forty years memories of that nightmarish ordeal have haunted Laurie, and now Myers is back once again on Halloween, having escaped a routine transfer leaving a trail of bodies in his wake. Born to Rule Tah Asongwed, 2009-05-15 Born to Rule is the autobiography of an African president-monarch who does not want to pass away without leaving anything in writing to future generations. The book is more than just the autobiography of a president; in that it has responded to all the key issues that most people have been asking about the development and underdevelopment of Africa. It is a seminal contribution to the world's collective knowledge of African and world history. At times it is compellingly incisive, satirical, and tongue-in-cheek, and in some places trenchantly hard-hitting and humorous in its brutal portrayal of the way Mandzaha and by extension the African continent is managed and mismanaged.
