Groen van Prinsterer en zijn tijd Gerrit Jan Vos (Az.), 1891 **Contrasting Models of State and School** Charles L. Glenn, 2011-03-31 School Choice and the forming of citizens for responsible freedom are two of the most hotly debated topics in educational policy International comparison offers perspective on the effects of alternative policies This book profiles historically and currently two countries which give strong support to parental choice The Netherlands and Belgium and two others that maintain a strong State role in controlling education Germany and Austria Charles L Glenn draws upon Dutch French and German sources to contrast how the Dutch and Belgians came over the 19th and 20th centuries to entrust education to civil society institutions with strong parental choice while Germany and Austria maintained a predominant State role in education Glenn illuminates the implications of these policies and the dangers that can arise when the State uses popular schooling to shape popular beliefs and loyalties This is essential reading for policy specialists concerned with balancing school autonomy and government oversight and with debates over parental choice of schools **The Eclipse of Liberal Protestantism in the Netherlands** Tom-Eric Krijger, 2019-09-16 In *The Eclipse of Liberal Protestantism in the Netherlands* Tom Eric Krijger is the first to offer a synthesis of the development of the Protestant modernist movement in Dutch religious social cultural and political life between 1870 and 1940 In historiography the liberal Protestant community is said to have lost appeal and influence in these decades due to a lack of theological clarity inner harmony and organisation Analysing liberal Protestants self perception vis vis Christian orthodoxy self understanding as a faith community attitude towards other alternatives to orthodoxy class consciousness literary criticism political commitment and involvement with foreign mission Krijger challenges this view Making an international comparison he argues that the Dutch modernist movement failed to make headway primarily due to liberal Protestant expectations and discourse **Groen van Prinsterer en zijn tijd** Gerrit Jan Vos, 1886 **Bijdragen ter toelichting van de schoolkwesitie** Michiel Dirk van Otterloo, 1873
