Growing Souls Experiments In Contemplative Youth Ministry:

Growing Souls Mark Yaconelli, 2009-07-13 The Youth Ministry and Spirituality Project was formed in 1997 to participate in the renewal of youth ministry in the Christian church Its mission is to foster Christian communities that are attentive to God's presence discerning of the Spirit and who accompany young people into the way of Jesus Our mission is founded on the biblical vision of the human person who is created in the image and likeness of God and whose deepest longing is for communion with God and others in love In response to Christ's invitation to abide in him John 15:4 we believe that the central purpose of youth ministry is to open the minds and hearts of young persons to an intimate relationship with God in Christ through the indwelling power of the Holy Spirit We seek to fulfill our mission through retreats workshops training events written materials and relationships that promote a contemplative approach to youth discipleship The contemplative approach to youth ministry is based on a Christian community's commitment to cultivate attentiveness to God's Presence in the lives of young people and is supported in the following seven ways SABBATH PRAYER COVENANT COMMUNITY ACCOMPANIMENT DISCERNMENT HOSPITALITY AUTHENTIC ACTION *Soul School* Jeanne Stevens, 2009-08-01 We all know that youth ministry can be hard Sadly many youth workers walk away from their jobs their callings and their passion because their interior worlds are falling apart That's why Soul School is essential for developing an effective and healthy youth ministry Because while your ministry might look healthy to outsiders only you know that something is lacking It's easy to get so busy caring for the external parts of your ministry that you forget the most important part your soul So spend some time going beneath the surface to the core of who you are Let author Jeanne Stevens help you discover the answers to the deep longings in your soul Soul School will bring you nearer to God into a deeper awareness of yourself into transformational community and on the road toward a healthier future *Wonder, Fear, and Longing* Mark Yaconelli, 2009 In our hectic lives it's easy to forget that prayer is more about a conversation and experience with God than it is a request line This book is an invitation to meaningful prayer Through stories images contemplative exercises poetry classical prayers and creative meditations on prayer you'll explore ten human experiences where prayer originates love desire fear suffering compassion brokenness rest reflection wonder and gratitude **The Youth Worker's Guide to Helping Teenagers in Crisis** Rich Van Pelt, Jim Hancock, 2008-11-04 When youth work becomes crisis managers Anyone who stays in youth ministry for a while will encounter significant crises Family break ups substance abuse sexual assault eating disorders cutting suicide gun violence But without proper and immediate care crises like these can cause years of emotional pain and spiritual scarring in students Rich Van Pelt and Jim Hancock want to help you prevent that from happening Through their experience and expertise you'll learn how to Respond quickly and effectively to crisis Balance legal ethical and spiritual outcomes Forge preventive partnerships with parents schools and students Bring healing when damage is done When crises happen and they will ready or not there are practical steps you can take Van Pelt and Hancock provide field tested counsel and specific biblical advice

for each stage of crisis Keep this book on hand as your go to resource when you need it most Because when it comes to crisis it's not a matter of if but when *Building a Youth Ministry that Builds Disciples* Duffy Robbins, 2012-01-24 While most youth pastors are being regularly evaluated or even scrutinized for what they're doing right now in the youth group the reality is that the most important thing they are doing won't actually be evident until much later That's because the biggest challenge for any youth ministry is helping teens embrace a whole hearted devotion to God that lasts far beyond their years in the youth room Unfortunately much of youth ministry seems to be designed on the model of setting teenagers up for a date with God a delightful evening that involves music laughter food and light conversation But what scripture calls us to is not a one night stand with God but a lifelong love of God that endures Youth ministry educator and veteran Duffy Robbins offers youth workers a blueprint for building that kind of faith in teenagers In this concise book ideal for busy youth workers they'll be equipped to build a youth ministry that instills that lasting faith in its students *Youth Ministry* Malan Nel, 2018-12-01 This book aims at contributing to the scientific and academic discourse as regards to the what and why of youth ministry Too often youth ministry has been approached from a mainly practical point of view almost asking how we keep young people off the streets Its methodology has often not included the theological and theoretical presuppositions that lie behind this ministry Previous scientific reflection has been determined by a one dimensional and almost exclusive point of view In comparison with existing literature this book does not focus so much on the how of youth ministry It innovates a different approach The book challenges the existing exclusive approach and develops an inclusive congregational and missional understanding of and approach to youth ministry From a particular perspective on the understanding the main objectives of Practical Theology the author endorses the so called movement of what is supposed to be going on He adds the outcome of an empirical round table discussion with some 16 leaders in this field on the descriptive and interpretive movements within the subject field what is going on and why is it going on The book will form the standard for any new research with regard to youth ministry The book's contribution lies on the level of sound theological reasoning and argumentation supported by many scholars for an inclusive congregational understanding of ministry as an integral part of every congregation being missional in being and doing Youth children adolescents and emerging adults are just as integral a part of every congregation within which they live and serve **Leadership for Catholic Youth Ministry** Thomas East, Alejandro Aguilera-Titus, 2009 Catechetical Youth Ministry *The Five Questions* Jos de Kock, Bard Norheim, 2022-11-03 Research in youth ministry has excelled and developed rapidly over the last four decades Youth ministry is not just a church practice but has become an emerging academic discipline with a variety of methodological theoretical and contextual approaches This academic handbook offers an assessment of contemporary youth ministry research to assist students doing bachelor master and doctoral research and youth ministry scholars in their studies of youth ministry By examining youth ministry research through the lens of the following five fundamental questions the reader is challenged to engage with state of the art theory

methods and findings from current youth ministry research Who are the youth in youth ministry Where is God in youth ministry What is the purpose of youth ministry Who is the youth minister in youth ministry How to research practices in youth ministry The academic handbook is a must read for everyone who is interested in systematic reflection on youth ministry and youth ministry research

Rebooted Tim Gough, 2018-09-20 Most youth ministry is simply too small Or too time or fad bound Or based on a model of some sort but without solid biblical foundations The author is passionate about growing youth ministry that can outlive the youth worker He deplores particularly the call for something for youth Something just won't do Tim Gough seeks to redress the balance He takes us on an expositional journey through the Bible as he sees it relating to youth work pulling out purposeful themes through key stories and passages He offers guidelines which can be used by any leader as he casts this strong healthy biblical vision to inspire us Here is youth leadership training for the long haul May this book contribute to the revival of biblical youth ministry Ajith Fernando Essential reading for every Christian youth worker Andy du Feu Combines a vast knowledge of the Bible and youth ministry with an easy to read and witty style Ruth Jackson An important read and worth reading for the sake of our young people Phil Moon

Transforming Disciples Linda Grenz, 2008-09-01 At once travel guide and vision for the future the Transformation series is good news for the Episcopal Church at a time of fast and furious demographic and social change Series contributors recognized experts in their fields analyze our present plight point to the seeds of change already at work transforming the church and outline a positive new way forward What kinds of churches are most ready for transformation What are the essential tools What will give us strength direction and purpose to the journey Each volume of the series will Explain why a changed vision is essential Give robust theological and biblical foundations Offer a guide to best practices and positive trends in churches large and small Describe the necessary tools for change Imagine how transformation will look Making disciples through Christian formation too often looks like a limited number of educational programs offered to child teen and adult consumers who move on if they don't find what they want How can we make the transition from consumer religion to participatory faith by building congregational relationships that nourish people spiritually and empower them to risk living worshipping learning and serving God and each other in new and enlivening ways

Youth Ministry Sally Nash, 2012-01-03 This book written by experts in the field explores the role of the youth minister by looking at a range of metaphors such as flawed hero visionary architect party planner and guardian of souls Each chapter takes one of these metaphors as a central theme offers biblical and or theological reflection on this aspect of youth ministry explains the relevant theory and the necessary skills uses real life stories from practitioners to bring the metaphor to life summarizes the key principles and values gives questions for reflection and makes suggestions for further reading

Tending the Fire That Burns at the Center of the World David F. White, 2022-07-29 Tending the Fire That Burns at the Center of the World engages the central question of Christian formation that is what kind of knowing is most likely to awaken and sustain Christian faith This book seeks to reclaim

aesthetics beauty and creativity as the church's most native theological way of knowing and being which participates with God's own glory and creativity This book traces the prominence of aesthetics up until the dawn of the Enlightenment including recent theologians who reclaim aesthetics for theology and formation The book elaborates the aims and techniques of aesthetic approaches to teaching and learning in the church Finally this book cautions against overly determined rationalisms and moralisms that do not retain a sense of wonder delight and openness in the church's teaching liturgy and proclamation In this view the church does not simply regurgitate familiar texts political tropes or flattened doctrines but breaks into the world as Christ's body a parable a song a flash mob interrupting business as usual giving new expression to acts of care repentance forgiveness joy and communion awake to the beauty of God's gifts and inviting our worship

The Globalization of Hesychasm and the Jesus Prayer Christopher D.L. Johnson, 2010-10-14 The meditative prayer practices known as Hesychasm and the Jesus Prayer have played an important role in the history of Eastern Orthodox Christianity This book explores how these prayer practices have spread from a primarily monastic setting within Orthodox Christianity into general Orthodox Christian usage and finally into wider contemporary Western culture As a result of this gradual geographic shift from a local to a global setting caused mainly by immigration and dissemination of related texts there has been a parallel shift of interpretation causing disagreement By analyzing ongoing conversations on the practices this book shows how such disagreements are due to differences in the way groups understand the ideas of authority and tradition These fundamental ideas lie beneath much of the current discussion on particular aspects of the practices and also contribute to the wider academic debate over the globalization and appropriation of religious traditions

Practicing Baptism Bård Eirik Hallesby Norheim, 2014-02-19 Where is Jesus Christ This fundamental question is the starting point of this book which investigates the shape of Christian life and ministry in a post Christendom context Over the last decades there has been a shift in much of Western theology towards focusing on Christian practices in ministry and theological education This may be seen as a way to deal with theological anxiety in an era of heightened personal autonomy In *Practicing Baptism* Bard Norheim critically analyzes the engagement in Christian practices As a response to this engagement Norheim develops a missional and diaconal theology for ministry focusing on the presence of Christ in Christian practices Fundamentally this is an attempt to answer a pressing question for today What do Christians do Norheim draws on Martin Luther's theology and his notion of the three modes of Christ's presence the present tense of baptism and Luther's idea of the marks of the church Based on this reading of Luther's theology Norheim suggests that Christian life and ministry could be interpreted through the concept practicing baptism

Imagining a Way Clive Pearson, 2017-10-04 From the inception of the Reformed tradition Reformed Christians have followed God's call to engage and change the world Yet little work has been done to bring the tools of practical theology and ethics to bear on the task of understanding the Reformed tradition This comprehensive volume addresses that problem It gathers some of the most respected voices from within the study of Christian ethics and practical

theology to ask how the Reformed tradition understands its calling into the world What does being Reformed mean for how one engages the ills of racism white supremacy and homophobia What does it mean for an environmental ethic How does Reformed preaching and liturgy respond to sexual violence These are among the many important issues this book seeks to address Readers will come away with a firmer grasp of how the Reformed tradition informs and animates Christian engagement with the world Contributors include Denise Ackermann Jana Childers Susan Davies Etienne de Villiers Cynthia Jarvis Jong Hyuk Kim Ralph Kunz Cam Murchison Piet Naud Cornelius Plantinga Nancy Ramsay Kang Phee Ramsay Dirk Seng Max Smit Stackhouse William Storrar Geoff Thompson and Hmar Vanlalauva **OMG** Kenda Creasy Dean, Roland D.

Martinson, 2010 Today's youth ministry is tomorrow's mainstream theology **Wrestling with Rest** Nathan T.

Stucky, 2019-04-23 Busyness is a sickness of the soul that affects many today and it is especially detrimental to young people who are finding their identity shaped by ongoing resume building constant digital communication and unceasing activity The last thing they have time for is rest But rest Sabbath is necessary for youth not just because of who they are socially emotionally and physiologically but because of who God has made them to be and wants them to be Nathan Stucky shows that rest challenges youth whose identities are rooted in productivity efficiency achievement and accomplishment For them the notion of Sabbath grace both appeals and disorients Yet through the Sabbath God invites young people into an identity rooted and grounded in the grace life and provision of God Wrestling with Rest offers biblical and practical advice for helping youth to discover their God-given identity in which they can truly find rest Downtime Mark Yaconelli, 2009-05-26 You know the reality teens don't have much downtime in their lives Between school extra-curricular activities jobs friends and youth group students these days barely have enough time to do all the things they need to do in a day It's no wonder that quiet reflective time in prayer with God is not high on their priority list With years of experience helping teens encounter God in quiet contemplative ways Mark Yaconelli will give you the tools and insights needed to help teens understand why and how to pray and to guide them towards a life of prayer You'll find several prayer exercises in this book based on the praying tradition of the Christian church along with instructions to help you introduce the prayers to students Not only are there explorations of classical methods of prayer that involve silence solitude and scripture but you'll also discover more recent forms of prayer that use creative media music writing movement and acts of compassion As you help teens bring prayer into their everyday lives your students will find that they long for those times when they can step away from it all and find rest and comfort in God **Rescuing the Church from Consumerism** Mark Clavier, 2013-08-01 Rescuing the Church examines

how people are initiated into a consumer culture during childhood and thus drawn into pursuing a vocation as consumers by means of various quasi-sacramental rites and practices The upshot of this is that the church today is composed primarily of men and women whose lives are situated more within a consumer culture than within a distinctively Christian one In order for the church to free itself the author believes it must reclaim a sacramental identity that is grounded in a narrative tradition

and realized in real local worshipping communities Teaching Outside the Box Andrew Zirschky, 2017-10-17 Rather than tweaking the ways youth ministers communicate the gospel Teaching Outside the Box explores five distinct approaches to forming youth in the faith approaches that open youth to experiencing the implications of the gospel in new ways We ll start by providing a new take on the instructional approach and then introduce four additional approaches that are likely new to readers community of faith interpretive liberation and contemplative
