Harrington returned to Marshall High School as an assistant coach years after appearing as a player in the iconic basketball documentary film *Hoop Dreams*. In January of 2014 Marshall's struggling team was about to improve after the addition of a charismatic but troubled player. Everything changed, however, when two young men opened fire on Harrington's car as he drove his daughter to school. Using his body to shield her, Harrington was struck and paralyzed. The mistaken identity shooting was followed by a series of events that had a devastating impact on Harrington and Marshall's basketball family. Over the next three years, as a shocking number of players were murdered, it became obvious that the dream of the game providing a better life had nearly dissolved. *All the Dreams We've Dreamed* is a true story of courage, endurance, and friendship in one of America's most violent neighborhoods. Author Rus Bradburd, who has an intimate forty-year relationship to Chicago basketball, tells Shawn's story with empathy and care, exploring the intertwined tragedies of gun violence, health care failure, racial assumptions, struggling educational systems, corruption in athletics, and the hope that can survive them all.

Captain Darryl Sittler, Mike Leonetti, 2016-10-25 The incredible story of the life and phenomenal career of one of the greatest players ever to wear a Maple Leafs uniform, told through stories and never-before-seen photographs. Darryl Sittler may well be best remembered for two of the most remarkable performances in the history of the National Hockey League. On February 7, 1976, he scored six goals and added four assists for an NHL record total of ten points in a game. That spring, he joined Maurice Richard in hockey history by recording five goals in one playoff game. He also scored one of the most famous goals in hockey history: the overtime goal against Czechoslovakia to win the 1976 Canada Cup. Now 27, Sittler looks back at his incredible career and greatest moments on and off the ice. He writes about growing up in St. Jacobs, Ontario; his days in junior hockey with the London Knights; and his rookie year in 1970-71. Also included are his personal reflections on some of his greatest teammates: Lanny McDonald, Borje Salming, Ian Turnbull, and Mike Palmateer, to name a few, and his encounters with his greatest rivals: Bobby Orr, Phil Esposito, Bobby Hull, Brian Trottier, Bobby Clarke, Guy Lafleur, Ken Dryden, and Larry Robinson. He recounts his childhood hockey heroes waiting in the cold outside an arena in Kitchener for Bobby Hull's autograph; his years playing for Philadelphia and Detroit; his induction into the Hall of Fame; and deep devotion to his family. Full of great anecdotes from his personal and professional life, this is an inspiring, revealing book by a revered leader and legend in hockey history. *Sean Bhean Bhocht*, 1897

concerned with how cultural memory is shaped contested forgotten recovered and re circulated sometimes in opposition to dominant national narratives and often for the benefit of young readers who are assumed not to possess any prior cultural memory From the innovative development of school libraries in the 1920s to the role of utopianism in fixing cultural memory for teen readers it provides a critical look into children and ideologies of childhood as they are represented in a broad spectrum of texts including film poetry literature and architecture from Canada the United States Japan Germany Britain India and Spain These cultural forms collaborate to shape ideas and values in turn contributing to dominant discourses about national and global citizenship The essays included in the collection imply that childhood is an oft imagined idealist construction based in large part on participation identity and perception childhood is invisible and tangible exciting and intriguing and at times elusive even as cultural and literary artifacts recreate it *Children and Cultural Memory in Texts of Childhood* is a valuable resource for scholars of children s literature and culture readers interested in childhood and ideology and those working in the fields of diaspora and postcolonial studies

Flying Home R. D. Kardon, 2023-02-21 After this country s darkest day can pilot Tris Miles fly her way home Never forget In September 2001 Tris Miles faces difficult choices As Chief Pilot of Westin Charter Company she s mentoring Jannat a brash young captain with limitless potential and a shocking secret An offer to summit the peak of the pilot pyramid entices Tris to quit her job but an old nemesis stands in her way Meanwhile Tris juggles the men in her personal life A friend with benefits pushes for commitment An ex boyfriend returns still in love with her Unexpectedly Tris develops new feelings for someone who is already dear to her On September 11th Tris and her crew depart Edinburgh for the United States Just feet off the ground they are mysteriously ordered back to the airport where they learn of a deadly terrorist attack on U S soil using airplanes as bombs When Tris discovers that her best friend was a passenger on one of the planes that crashed into the World Trade Center her world is shattered With a broken heart and her entire life up in the air

Tris doesn't know where to turn Can she find the courage to navigate her way home The Churchill Complex Ian Buruma, 2021-09-07 Stimulating and highly readable The Churchill Complex is a rich and rewarding book Wall Street Journal From one of its keenest observers a brilliant witty journey through the Special Relationship between Britain and America that has done so much to shape the world from World War II to Brexit It is impossible to understand the last seventy five years of American history through to Trump and Brexit without understanding the Anglo American relationship particularly the bonds between presidents and prime ministers FDR of course had Winston Churchill JFK had Harold Macmillan his consigliere during the Cuban Missile Crisis Ronald Reagan found his ideological soul mate in Margaret Thatcher and George W Bush found his fellow believer in religion and in war in Tony Blair Today the bond between Donald Trump and Boris Johnson illuminates the populist uprisings in both countries as well as a new kind of Special Relationship that goes against everything it once stood for Remembering the past even its most glorious moments can be as misleading as forgetting it Over and over in the name of freedom and democracy British and especially American leaders have evoked Winston Churchill as a model for brave leadership and Neville Chamberlain to represent craven weakness As Ian Buruma shows in his dazzling short tour de force of storytelling and analysis the myths of World War II too often resulted in bad policies and foolish wars But The Churchill Complex is much more than a reflection on the weight of Churchill's legacy and its misuses At its heart are shrewd and absorbing character studies of the president prime minister dyads which in Ian Buruma's gifted hands serve as a master class in politics diplomacy and the personal quirks of our leaders It has never been a relationship of equals from Churchill's desperate cajoling and conniving to keep FDR on his side in World War II British prime ministers have put much more stock in the relationship than their US counterparts After the loss of its once great empire Britain clung to the world's greatest superpower as a path to continued relevance and leverage As Buruma shows this was almost always fool's gold and now the alliance has floundered on the rocks of isolationism The Churchill Complex may not have a happy ending but as with Ian Buruma's other works piercing lucidity is its own lasting comfort **Cougar Mountain Ambush** Kathie Ridings, 2023-05-23
