Guess Whats In The Tide Pool:

Guess What's in the Tide Pool? Natalie Gagnon, 2013-01-13 Imagine a creature that can squeeze itself into a tiny crack to escape danger or disappear in a cloud of ink How about an animal that eats with its feet or one that squirts its guts out when it is frightened This book takes a look at some of the strange and wonderful creatures you may encounter when you visit a Southern California tide pool Most of these animals can be found throughout the Pacific coastline of North America from Canada to Baja California Guess What s in the Tide Pool engages children with its game like format and stunning color photographs Young explorers will be encouraged to learn more about the breathtaking yet fragile tide pool ecosystem Natalie Gagnon M Ed is an educator in Phoenix Arizona and a former naturalist in Southern California [The Lawyer and the Astronaut](#)

Jerry Lucas, 2022-09-30 A fact based science fiction romance describing events that could happen in a few hundred years Josh frustrated and unemployed finally lands a job as an astronaut He is very excited about the prospect of exploring outer space He is sent to an Earth like planet 500 light years away The planet is millions of years younger than Earth so it closely mimics Earth during prehistoric times Meanwhile Josh s girlfriend Laura stays on Earth and agrees to be cryogenically frozen for 1250 years the length of time that Josh will be gone But Josh is one hundred years late and Laura is woken up She must forge a new life in the future with no idea if Josh will ever return Josh eventually does return amid a swirling controversy about his actions on the other planet Josh and Laura face this trouble together in a heart warming conclusion

Tide Pool Christiane Gunzi, 1998 Discusses the different kinds of plants and animals that can be found in tide pools and how they interact with each other [Tears of a Tiger](#) Sharon M. Draper, 2006-02-01 Andy tackles his guilt and grief in the first book of Sharon M Draper s award winning Hazelwood High trilogy Tigers don t cry or do they After the death of his longtime friend and fellow Hazelwood Tiger in a car accident Andy the driver blames himself and cannot get past his guilt and pain While his other friends have managed to work through their grief and move on Andy allows death to become the focus of his life In the months that follow the accident the lives of Andy and his friends are traced through a series of letters articles homework assignments and dialogues and it becomes clear that Tigers do indeed need to cry

Mindfulness in a Busy World Marie-Nathalie Beaudoin, Kelsey Maki, 2020-02-24 How can we increase the likelihood that people will be able to control their wandering mind let go of upsetting thoughts and feelings and apply the wisdom of mindfulness training to their day to day lives Mindfulness in a Busy World offers a bridge between the ancient wisdom of Eastern mindfulness teachings and the busy Western lifestyle of the tech era where an increasing number of people experience stress anxiety impatience and an inability to be present in meaningful interactions While traditional practices offer incredible possibilities of well being and development many people struggle to access these states of mind and ripen the skills to sustain them This book offers insights into ways of mobilizing the brain s attention systems so that distracted minds often habituated to the constant overstimulation of screens and media can more readily cultivate focus calm and kindness

Our society invests years in instructing people how to read write count and think critically but often forgets to support the crucial foundation of these abilities focusing the mind Learning to tame the mind allows people of all ages to live a more fulfilling life balancing being and doing thinking and feeling listening and talking compassion for self and others and being an individual while belonging to a community Distinctive features of this book Brain based strategies that render a focused mind within reach of everyday people Unique set of 18 breathing methods and over 27 other types of exercises which can quickly reset an agitated body or distracted mind Activities that make visible the remarkable powers of the mind to create and dissipate experiences of emotional or physical discomfort Specific strategies to facilitate inner peace and emotional regulation Simple but fascinating challenges only achievable through mindfulness that will leave people in awe of what their minds can do Intriguing collection of pain tolerance tests making it exciting to engage in the practices Mindfulness exercises that move beyond individual well being and extend to a felt sense of belonging to a diverse community Inventive ways of bringing forth kindness compassion and gratitude Engaging metaphors and fascinating facts that ignite people s curiosity about little known aspects of their physiology and help them connect to their bodies Words of wisdom meaningful stories inspiring quotes and thought provoking questions that help participants apply mindfulness practices to real life situations

Virom Coppola,2004-03-16 The task before us in a nutshell my fellow humans is the clear and present danger of finding out who we really are That is the impossible feat I have given this poor creature V Virom and each of us with him The proof of the pasta is always in the tasting So says the author at the beginning of his book as he invites the reader on a detective story offering a beautifully written book with a rather remarkable synthesis of modern thinking one that builds from the ground of existence alone to a spirituality both secular and sacred That single paragraph on the cover of the book says what needs to be said it seems to me When I thought about this further and longer requested description of the book for the web site T S Eliot came to mind I am referring to the time when he was asked what his poem Prufrock was about and kindly replied Read the poem I do think he made a valid point because asking for a description of a book is the same when you think about it Shouldn't a person rather be reading the book itself At the same time I certainly can understand a person wanting to get a feel for the book before purchasing it and since you don't have the book to handle and page through to do that which I myself always do to see if there is going to be a love affair between the book and me I will give the viewer some of the Overture at the beginning of my book as an overture here as well hopefully to help accomplish

the tangential absence Call it virtual foreplay if you want First Review From the Free Venice Beachhead News June 2004
Book Review QUEST A SEARCH FOR A SOUL MODERNKIND by Vincent Coppola Reviewed by Steve Goldman a former editor for Encyclopedia Britannica With great passion yet without a scintilla of mawkish sentimentality Coppola here makes the strong compelling case for love as the direct and primary implication of human consciousness That would be laudable by itself but these are not merely the pleasant musings of a decent well intentioned person This is and it is astounding tightly reasoned philosophy based on acute astute observation and profound and powerful argument Building on Descartes whom he explicitly reverses on the fundamental matter of proof of personal experience and Kant who seems indispensable to all who came after Coppola emerges with a distinctive and compassionate American existentialism that is unlike anything heretofore With strongly grounded links to modern cosmology evolutionary theory and sheer phenomenology of consciousness in space time Coppola delivers a ringing statement of free will so sorely needed in this era of burgeoning biological reductionist determinism This in turn yields a ringing adduction of the ontological primacy of self with commensurately devastating attacks on any variety of teeny bopping reductionism chemical biological physical or psychological and as well on any religious philosophical tradition usually Asian which explicitly denies or tries to eradicate the self I myself exist and I can love is the rigorously derived powerfully demonstrated theorem which is the first principal here What is more the revolutionary optional theology Quest proposes seems to at last settle that huge and perennial question for contemporary times Additionally and astonishingly and with philosophical deftness and gracious style Coppola's secular Christology evinces sacred humanitarian values again so needed in this era Coppola is a highly trained professional philosopher a prodigiously well read and deeply thoughtful theorist and analyst whose similarity to the preponderant mentality in his field is only superficial That is because Vincent V Virom is a philosopher in the all but abandoned grand tradition

The Strange Adventures of Rangergirl Tim Pratt, 2005-11-29 In this debut novel acclaimed short story author Tim Pratt delivers an exciting heroine with a hidden talent and a secret duty Witty and suspenseful here is a contemporary love song to the West that was won and the myths that shape us As night manager of Santa Cruz's quirkiest coffeehouse Marzi McCarty makes a mean espresso but her first love is making comics Her claim to fame The Strange Adventures of Rangergirl a cowpunk neo western yarn Striding through an urban frontier peopled by Marzi's wild imagination Rangergirl doles out her own brand of justice But lately Marzi's imagination seems to be altering her reality She's seeing the world through Rangergirl's eyes literally complete with her deadly nemesis the Outlaw It all started when Marzi opened a hidden door in the coffeehouse storage room There imprisoned among the supplies she saw the face of something unknown and dangerous And she unwittingly became its guard But some primal darkness must've escaped because Marzi hasn't been the same since And neither have her customers who are acting downright apocalyptic Now it's up to Marzi to stop this supervillainous superforce that's swaggered its way into her world For Marzi it's the showdown of her life For Rangergirl it's just another day *Blackbird Shouts Ring 'Round About*, *The*
