The Power of Fate Gisele G. Barbosa, 2007-02 This is the story of the irresistible chemistry of Destiny and the love of a man and a woman a bond they could not understand a journey they never suspected Who will win Fate or Family Their story is the continuance of one begun four hundred years before at the crossroad of Fate But today Marcel and Monique must struggle to realize the fruits of their powerful feelings *The Diary of a Cancer Survivor's Daughter* Rebecca J.

Bany, 2006-03-07 On Sunday she went to my niece's seventeenth birthday party It hasn't even been a week since the surgery She didn't act any different If you didn't know you couldn't tell she had just had a mastectomy surgery I hope that I have at least half of the strength and courage she has It boggles my mind how she is always so strong and happy Through this whole process she didn't let it get her down The day author Rebecca Bany discovered her mother suffered from breast cancer she

wasn't sure how she would handle the experience. Terrified of the C word, Rebecca's love for her mother and her faith in God are put to the ultimate test. After watching her mother endure chemotherapy, endless doctor appointments, and hair loss, Rebecca learns how strong her mother is in the face of adversity. *The Diary of a Cancer Survivor's Daughter* will help those who struggle to deal with a loved one's diagnosis. With candor, humor, and love, Rebecca relates her own personal story, offering hope and support for both the family and the patient.

The Missing Link Andre Steven Madrid, the answers are coming. *Dear Old Book* Myrtle Simpson-Utley, 2020-08-07. I was always curious about the diaries of granny. The family told stories that were passed down generation to generation, but the actual diaries in hand will tell the true story of her life. She had faith in God that sustained her through her hardship in life. She lived through historical events that will encourage others to stand firm in their beliefs. Her deafness was no obstacle to her as she wrote the diary books. I hope the readers will be enlightened as they read this book.
