Track to Your Technician Ham Radio License explains the reasoning and technology behind each correct answer on the Amateur Radio exam so you'll understand and remember the subject matter. Created by an experienced ham and adult educator, it's like having your own patient, experienced, good-humored mentor for the exam. Technician is the entry-level ham radio license that lets you operate on all ham channels from 30 MHz up, which includes the very popular VHF and UHF bands. To get your license, you must pass a multiple-choice test. The Technician license test consists of 35 questions drawn from a pool of about 350. Memorizing the answers to 350 questions is difficult, but The Fast Track makes getting your license easy by explaining the logic behind each correct answer. It's simple. When you understand the material, you remember the answers and pass the test. Best of all, once you've passed your exam, you'll have a solid grounding in ham radio basics. Includes every possible question and every answer. Correct answers clearly marked in bold. Precise instructions for how to locate a testing session, how to prepare, and even what to bring and what not to bring to the test. All technical topics explained in clear, plain language, most with illustrations. Step-by-step instructions to solve all the math problems, complete with exactly which keys to press on your calculator for each problem. Test-taking strategies. Hints to easily solve many questions and avoid the traps in the test. Written in learning order, not just the order of the official question bank. Covers questions that will be used until June 30, 2018. Nearly 300 pages packed with information. *Cracking the Technician License Exam* Ham Radio Prep, 2019-03-19. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
