Bona Vita Ross Moschitto, 2008 **Drama**, 1923 **A Lousy Start** Jacobaris, 2010-11 Prior to the stock market crash in 1929 Holland was a prosperous country where its people enjoyed secure futures or so they thought After the world's economic collapse millions were forced into a poverty stricken existence where every day was a struggle to survive *A Lousy Start* shares one family's vivid impressions of living in Holland during the Great Depression and the lasting impact those experiences had on their lives At the beginning of the twentieth century Arie Demerwe worked hard and was paid very little but still managed to put food on his table Sent to fight in the war of 1918 Arie finally returned to his hometown where he began working again only to see everything change again after the end of World War I As the people of Holland enjoyed wealth they assumed would last forever dark changes loomed ahead When the sun

rose on October 23 1929 no one had a clue that tragedy would strike by day s end For the next ten years a hostile world would transform even the most religious people into thieves and liars As one family fought to stay alive in a bleak existence each of them learned valuable life lessons they would carry with them forever **Get Poor Now, Avoid the Rush** Seedy Buckberry,2010-12-27 It s hard to say exactly what s meant by the modern world but Henry Buckberry never really hooked into it Born before the First World War and the oldest boy in a family of thirteen kids he left the open rolling potholed prairie of North Dakota in 1921 for the dark dense dangerous woods of northern Wisconsin where he learned to fish trap hunt lumberjack and farm Although he lived into the twenty first century the second volume of these stories A Windfall Homestead will inch us closer to the information super highway it could be said that Henry played hooky from the twentieth With a few allowances for a little new technology like the Model T Henry s life represents the end phase of a rural folk culture that has its roots in the Neolithic Through Henry s stories it s possible to see a long way into the past and then to turn the telescope around in order to put the present under an improvised microscope Henry didn t have an easy life but he had a vivid life a life amazingly free of boredom aimlessness or distraction and his stories convey that vividness from beginning to end Henry s son Charles Darwin Buckberry also known as C D or Seedy Buckberry interviewed Henry and arranged the stories in some sort of more or less working order Seedy insists he put those stories down with complete fidelity although he refuses to take a lie detector test or submit to a Minnesota Multi Phasic Personality Inventory analysis Henry s life as conveyed here is also a way to measure the intellectual bulimia or is it the intellectual anorexia of present day empire consumerism Here is life before Wal Mart Here is life that lives in nature with intense and even fierce physicality Here is life that sings **She Let Herself Go** VJ Dunn, You ve heard the song but do you know the story Georgia s friends call her the perfect Proverbs 31 wife Enjoying her empty nest she spends her time working with her church s ministries and doting on her husband Charles Georgia s life is blessed and her marriage is sound Until Charles leaves her for a younger woman His goodbye note claimed Georgia had let herself go Ky struggles to understand how God could have taken his wife leaving him with a daughter who grows more distant every day He questions everything he ever knew about his faith and himself A fateful singles cruise brings Georgia and Ky together if only as friends But as they move on with their lives both find they can t stop thinking of the other Ky feels like he s betraying his wife s memory while Georgia worries over her attraction to a man whose faith seems so lacking The last thing she wants is another unequally yoked relationship While Georgia moves on with her life truly letting herself go her heart still longs for the sad cowboy with shadows in his eyes When she meets a charming castle owner in Ireland who offers her a life she d only imagined Georgia wonders if she ll finally be able to let go of Ky as well As Ky struggles with the guilt of falling for the beautiful kind lady he tries to move on To let Georgia go But it proves an impossible task The woman managed to crawl right into his heart But will Ky be able to let his heart mend before Georgia lets go of him completely Get it now to find out The Story in the Song series is Christian based clean romance **Report[s], with**
