God Armor Bearer Manual:

The Armorbearer's Training Manual Lynne Sims, 2020-05-28 The tips instructions and biblical facts in this manual are sure to take everything about your ministry to the next level There are 27 chapters of powerful content Each uniquely designed to give insight in a specific area The Armor Bearer s Training Manual addresses both the natural and the spiritual needs of God s Armor Bearers And it is formatted for group or one on one training sessions If you can read you can teach from this training manual with no additional resources needed After utilizing this divinely resourceful guide to serving in excellence you will experience immediate increase in spiritual growth and unity within your entire ministry team God gave me this powerful ministry enhancement tool to educate anyone within the body of Christ on how to exceed the highest standards as it relates to serving God s Leaders regardless of their ministry size This book was not released by God for the education of Armor Bearers alone It also provides revelatory insight for Senior Leaders in ministry as well as detailed directives that effectively equip those who are called to assist the Armor Bearers in their assignments to cover their ministry Leaders I have included most of the unique scenarios that I encountered by way of personal experience or through mentoring other Senior Leaders in ministry From What an Armor Bearer needs to do when their Leader has a ministry assignment Setting their Leader s atmosphere The process of being restored after falling into sin Effectively serving weak harsh or wounded Leadership and The core members of every successful ministry team to Remaining faithful after your Leader has fallen Sexual attractions towards your Leader and The Armor Bearer s travel kit I also included Armor Bearers money and ministry Offended Armor Bearers dismantle ministries Armor Bearers who live with their Leaders When a Leader is forced to fire sit down their entire team and much much more Armorbearer/Adjutant Training Manual Dr Shaolin Mb Abrams Sr, 2015-10-01 This teaching is dedicated to examining some of the practical applications that an Armorbearer Adjutant of Christ or one who has the calling of Armorbearing should clearly understand because these practices will make things run smoothly while Guarding The Anointing on that pastor And serving as leaders it will help bring discipline to the ministry and to the leadership inside the House of GOD as well as when you travel outside of the domains of your local church setting Now whether your Pastor is a local church leader only or they have a traveling ministry these practices should be in place In biblical days an Armorbearer was one who actually carried the shield and armor of the king as he went into battle often acting as his personal assistant For example King Saul had several Armorbearers assigned to him so today in the Body of Christ we continue to need our spiritual armor and those who are anointed to Guard it in the spiritual realm The Ephesians writer commands us to put on the full armor of GOD so that we can take our stand against the devil s attacks spiritual or physical Just as much as our early century counterparts we who have been anointed in the ministry of an Armorbearer of Christ are to suit up in the Armor of GOD and Guard the Anointing of GOD S Messenger in the battle of faith The term Armorbearer was originally translated from the Hebrew word nasa meaning to figuratively or literally lift up support or

simply help On occasion theologians translate the word help from the Hebrew word *nasa* and in light of these defining terms we can see an Armorbearer is one that helps or supports the vision of that pastor during the times of battle In the Body of Christ an Armorbearer of Christ is one anointed by GOD to guard the anointing on that man or woman of GOD by serving and helping them in life ministry and especially in the fight of Faith In essence an Armorbearer of Christ is called to make sure they are attended to ministered to cared for helped to be of use to assist to benefit to promote to support to make easy for to nourish and to encourage the pastor Furthermore the attitude and mindset of an Armorbearer of Christ is one of servanthood because the mindset of an Armorbearer of Christ is to do whatever it takes to serve and support the pastor and operating under the anointing of an Armorbearer of Christ can be described as operating in the principles or pervading qualities of servanthood commitment attentiveness support help loyalty and faithfulness Armorbearing in the attitude of service is not just the performing of humble tasks but is an effort to serve Christ in the Kingdom of GOD JESUS said The servant of all is the greatest of all Among my favorite examples are the great men in Old Testament Scripture many who were faithful armorbearers before their public ministry King David and King David s mighty men Elisha and Joshua exemplified the anointing of an Armorbearer of Christ in excellence even Elisha s assistant Gehazi offers us an example of what we do not want to do as an Armorbearer of Christ One need not think that the LORD GOD only called Armorbearers of Christ or helpers to assist in the ancient battles *Armor Bearer's Manual for Personal Assistants* Tavane Glass,2020-05-24 Often times servants of God desire to serve their spiritual leaders and become their armor bearers However they fail to realize they are not equipped to serve their leaders It s God who calls and equips us to serve our leaders not man Therefore the purpose for writing this manual is to inform armor bearers and servants of God on how to serve their leaders better This manual will give personal assistants the appropriate tools they will need to be successful productive and effective armor bearers and servants of God In addition this manual will be a blessing to the body of Christ for the glory of God **MINISTRY OF HELPS**
