help earth as no other angel ever had and God was going to leave it all in her hands as to just what and how she did it well almost all in her hands **Without a Doubt** Fiona Whyte, Malone Seán, 2017-03-06 Without a Doubt is the compelling and heartfelt story of Fiona Whyte and Seán Malone's quest to have a family together in Ireland. Their sweeping efforts first with IVF then adoption and finally and successfully through surrogacy with a clinic in India expose the shortcomings of the current Irish legal system relating to these deeply emotional issues and their heart-breaking human consequences. Written with profound honesty, Fiona and Seán's personal story follows the couple through their extraordinary journey that led ultimately to the successful birth of twins. Their story highlights the dire need for new legislation to provide for and protect Irish parents and their children born through surrogacy and explores the complex legal, ethical, and social issues created in this legal vacuum. Without a Doubt is the emotional story of one couple's dream of having a family, a damning indictment of the inadequacies of the Irish adoption system, and the urgent need for surrogacy legislation in Ireland today. In Fiona's own words: "In the eyes of the Irish state I do not exist. Only now, after three years, has Fiona been recognised as the legal guardian of her twins in what is a landmark judgement in Irish legal history."

A Mantle of Roses: a Woman's Journey Home to Peace Virginia Swain, 2004-08-05 A Mantle of Roses: A Woman's Journey Home to Peace is the memoir of a twenty-year period of an ordinary woman, Virginia Swain, who has had extraordinary experiences. Virginia's spiritual journey began in 1979 when she didn't have the resources to deal with a brother's sudden death. Over time, Virginia became aware of a Speaking Presence within her. She learned to access this inner voice to heal her past and claim her vocation for peace. Now she teaches what she has learned through the Institute for Global Leadership and the Center for Global Community and World Law. She mentors leaders committed to a sustainable peace and works to abolish war. Virginia poses questions for the reader at the end of each chapter. Journal pages are at the end of the book.

Baby Girl's Hoodlife Herman Fontenette, 2014-03-10 The story is about a teenaged girl who was raised in an dysfunctional home. The man who she thought was her biological father left home to search for a better way to provide for his family, as her mother introduced the innocent child to her real father, who she never met. It was quite obvious the stranger was someone related to her. Rishona resembled him greatly. The man called her his baby girl as she began to rebel against her mother and her biological father as she became troubled only to join a street gang. Through time, life in her household began to further deteriorate as her mother became incarcerated after an attempted murder. Rishona was adopted by an holy-rolling Pentecostal family. The childless couple was astounded by the child's innocent look but was unaware of her past. After a few years of trying to fit in with her prosperous, God-fearing foster parents, Rishona decided to revisit her old friends in the Hood. Unfortunately, her desire to be with her old gang was a bad decision, as the leaders of the 43 gangster group orchestrated a plan to rob Rishona's new living quarters. Gracefully, the Almighty was on her side. She and one of the thugs in the robbery escaped to the city where she was well-kept by his religious aunt. However, Aunt Bea had a live-in daughter who was known in the Hood for making quick money introduced the young stranger in her
