**Marco Cascella**

## **Goddesses And Sirens:**

Goddesses and Sirens Stacey Demarco, 2013      **Beginnings** Todd Essick, 2004      **The Legacy of the Goddess** Rachel S. McCoppin, 2023-04-10 It is often assumed that the female characters found in popular folk and fairy tales are little more than inconsequential stereotypes mostly serving as hapless victims in need of rescue boring one dimensional princesses or egotistical and conniving villains This book presents more fully realized portraits of these female characters and the ways in which they actually represent bold and powerful connections to the goddesses of classic mythic narratives The rich legacy of female goddesses shamans queens and priestesses is in fact preserved and celebrated through these more modern representations whether as brides who can transform into animals wise old women who live alone in the deep wilderness strong warrior maidens or witches who can conquer and command the elements of nature In contemplating this revised analysis of female characters within global folktales and fairy tales readers can see that the goddesses of old have never truly been forgotten      **Death and the Displacement of Beauty: Foundations of violence** Grace Jantzen, 2004 The pursuit and love of death has characterized Western culture since Homeric times Foundations of Violence enters the ancient world of Homer Plato and Aristotle to explore the genealogy of violence in Western thought It covers the origins of ideas of death the beautiful death of Homeric heroes through to the gendered misery of war Jantzen examines the tensions between those who tried to eliminate fear of death by denying its significance and those like Plotinus who looked to another world for life and beauty      Some Cults of Greek Goddesses and Female Daemons of Oriental Origin David R. West, 1995      **Encyclopedia of Goddesses and Heroines** Patricia Monaghan, PhD, 2014-04-06 More Than 1 000 Goddesses Heroines from around the World Groundbreaking scholar Patricia Monaghan spent her life researching writing about and documenting goddesses and heroines from all religions and all corners of the globe Her work demonstrated that from the beginning of recorded history goddesses reigned alongside their male counterparts as figures of inspiration and awe Drawing on anthropology folklore literature and psychology Monaghan s vibrant and accessible encyclopedia covers female deities from Africa the eastern Mediterranean Asia and Oceania Europe and the Americas as well as every major religious tradition      **Sirens and Leviathans (the Reign of Goddesses #2)** C. D. Britt, 2022-05-05      **Foundations of Violence** Grace M Jantzen, Grace M. Jantzen, 2004-03-01 The pursuit of death and the love of death has characterized Western culture from Homeric times through centuries of Christianity taking particular deadly shapes in Western postmodernity This necrophilia shows itself in destruction and violence in a focus on other worlds and degradation of this one and in hatred of the body sense and sexuality In her major new book project Death and the Displacement of Beauty Grace M Jantzen seeks to disrupt this wish for death opening a new acceptance of beauty and desire that makes it possible to choose life Foundations of Violence enters the ancient world of Homer Sophocles Plato and Aristotle to explore the genealogy of violence in Western thought through its emergence in Greece and Rome It uncovers origins of ideas of death from the beautiful death of Homeric heroes to the

gendered misery of war showing the tensions between those who tried to eliminate fear of death by denying its significance and those like Plotinus who looked to another world seeking life and beauty in another realm     The Goddess in the Mirror Tulasi Srinivas,2025-09-26 Tulasi Srinivas explores the dynamic and gendered world of beauty through the experiences of women in the intimate space of the contemporary Indian beauty salon     **Pagan Portals - The Triple Goddess** Rachel Patterson,2021-11-26 An updated approach for working with the Triple Goddess in modern times The Triple Goddess has three facets the maiden the mother and the crone The Triple Goddess represents many things such as birth life death and the phases of the moon waxing full and waning Whilst in the form we recognise it may well be a modern idea it still gives a wonderful way of working with the goddess and her phases to help us evolve and understand our own pathway through life and this journey can help you to embrace your own personal power     Aztec Goddesses and Christian Madonnas Joseph Kroger,Patrizia Granziera,2020-04-28 The face of the divine feminine can be found everywhere in Mexico One of the most striking features of Mexican religious life is the prevalence of images of the Virgin Mother of God This is partly because the divine feminine played such a prominent role in pre Hispanic Mexican religion Goddess images were central to the devotional life of the Aztecs especially peasants and those living in villages outside the central city of Tenochtitlan present day Mexico City In these rural communities fertility and fecundity more than war rituals and sacrificial tribute were the main focus of cultic activity Both Aztec goddesses and the Christian Madonnas who replaced them were associated and sometimes identified with nature and the environment the earth water trees and other sources of creativity and vitality This book uncovers the myths and images of 22 Aztec Goddesses and 28 Christian Madonnas of Mexico Their rich and symbolic meaning is revealed by placing them in the context of the religious worldviews in which they appear and by situating them within the devotional life of the faithful for whom they function as powerful mediators of divine grace and terror     *The Goddess Companion* Patricia Monaghan,1999 Now you can turn every day into a day dedicated to the goddess and your own personal spiritual evolution when you get The Goddess Companion by Patricia Monaghan Turn to The Goddess Companion each day for a clearer insight into how the divine flows through your life This spirit nourishing collection of 366 authentic goddess prayers invocations chants and songs was culled from dozens of diverse eras and cultures Each ancient prayer rings out in clear language that maintains the sacred spirit of the originals A different traditional prayer invocation or chant to the goddess for each day of the year Each is illuminated by readings about the ancient quote that offer rich material for reflection inspiration and bliss Multiple indices allow you to find information by goddess name subject or cultural origin Explore the goddess as envisioned by 68 different cultures throughout the ages including the Americas classical Greece and Rome Asia ancient Sumeria and Babylonia Europe the Middle East and Africa Find prayers that encompass nearly 130 aspects of the goddess from Aida Weydo and Amaterasu to White Buffalo Calf Woman and Zemya Use the perpetual calendar to meditate upon one goddess prayer each day The Goddess Companion does far more than simply give you

meditations and prayers The readings associated with each will give you incredible insights into a wide variety of cultures and just as importantly into your very nature Written by one of the leaders of the contemporary goddess movement The Goddess Companion will help you on your spiritual path to self understanding

**Encyclopedia of Goddesses and Heroines** Patricia Monaghan, 2009-12-18 This two volume set provides a comprehensive guide to the vast array of feminine divine figures found throughout the world Drawn from a variety of sources ranging from classical literature to early ethnographies to contemporary interpretations the Encyclopedia of Goddesses and Heroines provides a comprehensive introduction to the ways goddess figures have been viewed through the ages This unique encyclopedia of over thousands of figures of feminine divinity describes the myths and attributes of goddesses and female spiritual powers from around the world The two volume set is organized by culture and religion exploring the role of women in each culture s religious life and introducing readers to the background of each pantheon as well as the individual figures who peopled it Alternative names for important divinities are offered as are lists of minor goddesses and their attributes Interest in women s spirituality has grown significantly over the last 30 years both among those who remain in traditional religions and those who explore spirituality outside those confines This work speaks to them all

**The Rebirth of the Hero** Keiron Le Grice,2019-06-10 The portrayal of the hero in classical myths and modern films continues to exert a compelling influence on the collective imagination entertaining and inspiring audiences the world over

On a deeper level the myth of the hero s adventure is recognized as a fundamental pattern of human experience itself a symbolic expression of the individual s struggle for greater consciousness psychological wholeness and spiritual realization

In *The Rebirth of the Hero* Keiron Le Grice draws on the ideas and life experiences of C G Jung Joseph Campbell and Friedrich Nietzsche to explore the spiritual journey of the modern self from existential crisis and the awakening of the self to the dramatic encounter with the underworld of the psyche and the arduous labour of spiritual transformation

In a work of wide ranging scope and penetrating insight Le Grice analyzes scenes from a number of popular films *Jason and the Argonauts* *Star Wars* *The Lord of the Rings* *Pan s Labyrinth* and more to illuminate the themes and stages of psychospiritual rebirth and individuation helping to make the deepest of transformative experiences more readily accessible and intelligible to us all

Drawing interchangeably on classical Greek myths Christianity alchemy Romanticism and depth psychology the author also relates the individual s personal journey of transformation to the relationship in Western civilization between spirit and nature reason and instinct

and masculine and feminine In so doing The Rebirth of the Hero demonstrates the critical significance of the archetypal pattern of the hero not only for the individual but also for cultural renewal and the wider spiritual transformation of our time

**Margaret Atwood's Textual Assassinations** Sharon Rose Wilson, 2003      **Encyclopedia of Ancient Deities** Charles Russell Coulter, Patricia Turner, 2013-07-04 The history of the divine is the history of human thought For as long as men and women have pondered the mysteries of their existence they have answered their own questions with stories of gods and goddesses Belief in these deities shaped whole civilizations yet today many of their names and images lie buried The Encyclopedia of Ancient Deities makes those names available to the general reader as well as the scholar This reference work lists all the known gods through recorded history Alphabetically arranged entries provide the name of each deity with alternate spellings as well as notes on names that may be linguistically or functionally related The tribe or culture that worshiped the deity is identified and the god's origins and functions are explained An extensive bibliography provides opportunities for further research and an exhaustive index provides access to the entries through virtually all names forms and kinds of deities
