Hill,2025-08-26 Reprint of the original first published in 1858 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **Getting the Holy Ghost**

Peter Marina,2013-01-30 This book carries an ethnographic signature in approach and style and is an examination of a small Brooklyn New York African American Pentecostal church congregation and is based on ethnographic notes taken over the course of four years The Pentecostal Church is known to outsiders almost exclusively for its members' bizarre habit of speaking in tongues This ethnography however puts those outsiders inside the church pews as it paints a portrait of piety compassion caring love all embraced through an embodiment perspective as the church's members experience these forces in the most personal ways through religious conversion Central themes include concerns with the notion of spectacle because of the grand bodily display that is highlighted by spiritual struggle social aspiration punishment and spontaneous explosions of a variety of emotions in the public sphere The approach to sociology throughout this work incorporates the striking

dialectic of history and biography to penetrate and interact with religiously inspired residents of the inner city in a quest to make sense both empirically and theoretically of this rapidly changing surprising and highly contradictory late modern church scene The focus on the individual process of becoming Pentecostal provides a road map into the church and canvasses an intimate view into the lives of its members capturing their stories as they proceed in their Pentecostal careers This book challenges important sociological concepts like crisis to explain religious seekership and conversion while developing new concepts such as God Hunting and Holy Ghost Capital to explain the process through which individuals become tongue speaking Pentecostals Church members acquire Holy Ghost Capital and construct a Pentecostal identity through a relationship narrative to establish personal status and power through conflicting tongue speaking ideas Finally this book examines the futures of the small and large institutionally affiliated Pentecostal Church and argues that the small Pentecostal Church is better able to resist modern rationalizing forces retaining the charisma that sparked the initial religious movement The power of charisma in the small church has far reaching consequences and implications for the future of Pentecostalism and its followers

Godhunter Amy Sumida, 2013 There are some things that really annoy Vervain Lavine Like when people call her Vivian Vervain's an herb look it up Or when people don't get her movie quotes Why doesn't anyone appreciate culture anymore But what really bothers her what gets her little witchy panties in a twist is when gods manipulate humans They're not even really gods just Atlanteans playing dress up Yeah that's right the gods are Atlanteans Basically a bunch of refugees who decided to take over It was a sweet deal for them at least back when we believed in them and all Not so much anymore Nowadays there ain't too many folks lining up at the altars to give their offerings and gods are suffering for it Without our sacrifices the gods don't have enough juice to keep living in the manner to which they've grown accustomed So they came up with a plan It was so easy actually All they had to do was get us to fight amongst ourselves go to war When our kind die they suck up the energy like a temperature resistant fat man drinking a milkshake line up Not such a bad idea and it's worked for quite awhile Up until Vervain found out Now don't get the wrong idea Vervain's no Laura Croft She can't bench press 200 lbs or shoot laser beams out of her eyes either She does have magic on her side though and a few little tricks up her sleeve or up her gloves rather So she's not completely defenseless and she'll do whatever she has to in order to end this threat of divine proportions Even if it means assassinating one god at a time Her greatest annoyance is yet to come though in the form of a gorgeous Viking God who swears he's on her side If she can keep her eyes off his leather pants long enough they might even stand half a chance This rest of this series is available on Amazon the second book Of Gods and Wolves is available as an ebook or paperback and more of the series is coming soon 7 so far so keep an eye out for them on Amazon **The African American Novel in the Early Twenty-First Century**, 2024-12-16 The African American Novel in the Early Twenty First

Century comprises fourteen essays each focussing on recent widely known fiction by acclaimed African American authors This volume showcases the originality diversity and vitality of contemporary African American literature which has reached a bewildering yet exhilarating stage of disruption and continuity between today and yesterday homegrown and diasporic identities and local and global interrelatedness Additionally it delves into the complexity of the Black literary imagination and its interaction with broader cultural contexts Lastly it reflects on the evolution of the African American community its tribulations triumphs challenges and prospects
