## **Godly Seed American Evangelicals Confront Birth Control 1873 1973:**

**Godly Seed** Allan C. Carlson, 2011-12-31 Interview with Allan Carlson In an ironic twist American evangelical leaders are joining mainstream acceptance of contraception *Godly Seed American Evangelicals Confront Birth Control 1873 1973* examines how mid twentieth century evangelical leaders eventually followed the mainstream into a quiet embrace of contraception complemented by a brief acceptance of abortion It places this change within the context of historic Christian teaching regarding birth control including its origins in the early church and the shift in arguments made by the Reformers of the sixteenth century The book explores the demographic effects of this transition and asks did the delay by American evangelicals leaders in accepting birth control have consequences At the same time many American evangelicals are rethinking their acceptance of birth control even as a majority of the nation s Roman Catholics are rejecting their church s teaching on the practice Raised within a religious movement that has almost uniformly condemned abortion many young evangelicals have begun to ask whether abortion can be neatly isolated from the issue of contraception A significant number of evangelical families have over the last several decades rejected the use of birth control and returned decisions regarding family size to God Given the growth of the evangelical movement this pioneering work will have a large scale impact

*Godly Seed* Allan C. Carlson, 2017-07-05 Interview with Allan Carlson In an ironic twist American evangelical leaders are joining mainstream acceptance of contraception *Godly Seed American Evangelicals Confront Birth Control 1873 1973* examines how mid twentieth century evangelical leaders eventually followed the mainstream into a quiet embrace of contraception complemented by a brief acceptance of abortion It places this change within the context of historic Christian teaching regarding birth control including its origins in the early church and the shift in arguments made by the Reformers of the sixteenth century The book explores the demographic effects of this transition and asks did the delay by American evangelicals leaders in accepting birth control have consequences At the same time many American evangelicals are rethinking their acceptance of birth control even as a majority of the nation s Roman Catholics are rejecting their church s teaching on the practice Raised within a religious movement that has almost uniformly condemned abortion many young evangelicals have begun to ask whether abortion can be neatly isolated from the issue of contraception A significant number of evangelical families have over the last several decades rejected the use of birth control and returned decisions regarding family size to God Given the growth of the evangelical movement this pioneering work will have a large scale impact

[Abortion and America's Churches](#) Daniel K. Williams, 2025-10-01 *Abortion and America's Churches* explores the surprising history of how American Christians think about abortion Many people assume that Christians have steadfastly condemned abortion throughout the United States s history Daniel K Williams overthrows all assumptions about the unity consistency or simplicity of American Christian thought and belief in this groundbreaking new book He demonstrates that churches in the United States have fought among themselves and with the wider culture as they developed and enforced

their stance on abortion revealing major struggles to define their often changing positions Far from a cynical exercise of political interest changes and disagreements arose from serious theological considerations informed by each tradition s approach to the faith These theological shifts and corresponding shifts in interreligious political alliances led to the changing fortunes of Roe v Wade By capturing the fascinating and complicated history informing each faith s position *Abortion and America s Churches* restores much needed context to the sharp polarization over abortion today *Women in the American Political System* Dianne G. Bystrom, Barbara Burrell, 2018-12-01 This book examines how women candidates voters and office holders shape U S political processes and institutions lending their perspectives to gradually evolve American life and values This book provides an encyclopedic sourcebook on the evolution of women s involvement in American politics from the colonial era to the present covering all of the individuals organizations cultural forces political issues and legal decisions that have collectively served to elevate the role of women at the ballot box on the campaign trail in Washington and in state and city level political offices across the country The in depth essays document and examine the rising prominence of women as voters candidates public officials and lawmakers enabling readers to understand how U S political processes and institutions have been and will continue to be shaped by women and their perspectives on American life and values The entries cover a range of women politicians and officials female activists and media figures relevant organizations and interest groups such as Emily s List League of Women Voters and National Right to Life key laws court cases and events such as the Nineteenth Amendment the Equal Rights Amendment the Seneca Falls Convention the passage of Title IX and Roe v Wade and other topics like media coverage of appearance women s roles as campaign strategists fundraisers gender differences in policy priorities and the gender gap in political ambitions The text is supplemented by sidebars that highlight selected landmarks in women s political history in the United States such as the 2012 election of Tammy Baldwin the first openly gay U S senator

**Defenders of the Unborn** Daniel K. Williams, 2016 Provocative and insightful *Defenders of the Unborn* is a must read for anyone who craves a deeper understanding of a highly charged issue Provided by publisher *Birth Control* Margaret Haerens, 2014-02-20 Present your readers with a collection of essays that examines the issue of birth control from a variety of international perspectives Readers will travel to China Iran Madagascar Nigeria Canada Senegal India Afghanistan Japan the Philippines and other places to understand new perspectives on birth control Readers will learn about population growth politics social and religious factors and the economics of birth control access Essay sources include Martha Campbell Tania Branigan Palash R Ghosh Jing Zhang and Raul Irani *Neglected Perspectives on Science and Religion* Wayne Viney, William Douglas Woody, 2017-04-07 This book explores historical and contemporary relations between science and religion providing new perspectives on familiar topics **The Politics of the Cross** Daniel K. Williams, 2021-03-02 Where do Christians fit in a two party political system The partisan divide that is rending the nation is now tearing apart American churches On one side are Christian Right activists and other conservatives who believe that a vote for a Democratic

presidential candidate is a vote for abortion sexual immorality gender confusion and the loss of religious liberty for Christians On the other side are politically progressive Christians who are considering leaving the institutional church because of white evangelicalism's alliance with a Republican Party that they believe is racist hateful toward immigrants scornful of the poor and directly opposed to the principles that Jesus taught Even while sharing the same pew these two sides often see the views of the other as hopelessly wrongheaded even evil Is there a way to transcend this deep seated division

**The Politics of the Cross** draws on history policy analysis and biblically grounded theology to show how Christians can protect the unborn advocate for traditional marriage promote racial justice care for the poor and above all honor the gospel by adopting a cross centered ethic instead of the idolatrous politics of power fear or partisanship As Daniel K Williams illustrates both the Republican and Democratic parties are rooted in Christian principles but both have distorted those principles and mixed them with assumptions that are antithetical to biblical truth Williams explains how Christians can renounce partisanship and pursue policies that show love for our neighbors to achieve a biblical vision of justice Nuanced detailed and even handed **The Politics of the Cross** tackles the thorny issues that divide Christians politically and offers a path forward with innovative biblically minded political approaches that might surprise Christians on both the left and the right

**Entangled** Ashley Boggan, 2025-05-06 The United Methodist impasse over human sexuality has its roots in two dichotomous ideologies of history and theology This book maps how American Methodists have responded to sexual change since World War II It argues that the current United Methodist impasse over human sexuality has its root in the existence of two dichotomous ideologies of Methodist history and theology one liberal and one evangelical which come to the foreground in discussions of human sexuality It offers evidence about how these ideologies have sought to reconcile their sexual ethic with sexual change since the birth control movement of the 1920s In post WWII America most Methodists upheld a limited notion of family life and sexuality one that allowed for the use of artificial contraception within marriage and for divorce In response to the sexual revolution liberal leaning Methodists upheld a new sexual ethic the new morality which peaked with radical new approaches to sex education a full endorsement of abortion rights and support of the homophile movement However the new morality coincided with an increased presence of and a new voice for evangelical Methodists Charles Keysor and the Good News Movement Evangelical Methodists critiqued the new morality as value neutral and anti Scripture The evangelical desire for a rules based morality solely reliant on Scripture collided with the new morality and led to intense debates over sex education abortion and the inclusion of LGBTQ persons within the United Methodist denomination from the 1970s onward Since 1972 United Methodists have continually debated human sexuality at each General Conference primarily through the advocacy efforts of political caucus groups This author hopes that an historical examination of how Methodists have confronted sexual change will enlighten current conversations about human sexuality

**Adam and Eve after the Pill, Revisited** Mary Eberstadt, 2023-01-25 Celebrated author Mary Eberstadt continues her ground breaking examination of the legacy of the

sexual revolution The book s predecessor Adam and Eve after the Pill 2012 dissected the revolution s microcosmic fallout via its empirical effects on the lives of men women and children This follow on book investigates the revolution s macrocosmic transformations in three spheres society politics and Christianity It also includes an analysis of the recent U S Supreme Court decision that overturned Roe v Wade With unflinching logic Eberstadt summarizes the toll on Western society of today s fractured homes feral children and social isolates Empathetic yet precise she connects the dots between shrinking broken families and rising sexual confusion seen most recently in transgenderism and related phenomena The book also traces the dissolution of the home to signature developments in Western politics especially the increase in acrimony polarization street violence and identity politics The result is an indictment of the turn taken by much of the world following the post 1960s embrace of contraception and the stigmatization of traditional morality The book s section on the revolution s infiltration of the churches is must reading for anyone concerned about the fate of Western Christianity In a moment when millions wonder whether the Catholic Church will retreat from age old moral teachings this book demands to be put at the center of discussion Adam and Eve after the Pill Revisited is both an indispensable blueprint for today s emerging revisionism and a manifesto for a more humane order to come

**Hesburgh of Notre Dame** Todd C. Ream, Michael J. James, 2022-11-25 This volume is the first comprehensive assessment of the life and legacy of Father Theodore Hesburgh 1917 2015 an educator priest public servant and long serving President of the University of Notre Dame Despite being a transformative figure in Catholic higher education who led the University of Notre Dame for 35 years and wielded influence with US presidents on civil rights and other charged issues of his era secular accounts of history often neglect to assess the efforts of religious figures such as Hesburgh In this volume the editors and their authors turn a fair minded but critical eye to the priest s record to evaluate where he fits into the long development of Catholic higher education and Catholics role in American public life

**Survival and Resistance in Evangelical America** Crawford Gribben, 2021-02-23 Over the last thirty years conservative evangelicals have been moving to the Northwest of the United States where they hope to resist the impact of secular modernity and to survive the breakdown of society that they anticipate These believers have often given up on the politics of the Christian Right adopting strategies of hibernation while developing the communities and institutions from which a new America might one day emerge Their activity coincides with the promotion by prominent survivalist authors of a program of migration to the American Redoubt a region encompassing Idaho Montana parts of eastern Washington and Oregon and Wyoming as a haven in which to endure hostile social change or natural disaster and in which to build a new social order These migration movements have independent origins but they overlap in their influences and aspirations working in tandem to offer a vision of the present in which Christian values must be defended as American society is rebuilt according to biblical law This book examines the origins evolution and cultural reach of this little noted migration and considers what it might tell us about the future of American evangelicalism Drawing on Calvinist theology the social theory of Christian Reconstruction

and libertarian politics these believers are projecting significant soft power Their books are promoted by leading mainstream publishers and listed as New York Times bestsellers Their strategy is gaining momentum making an impact in local political and economic life while being repackaged for a wider audience in publications by a broader coalition of conservative commentators and in American mass culture This survivalist evangelical subculture recognizes that they have lost the culture war but another kind of conflict is beginning *The Crisis of Religious Liberty* Stephen M. Krason, 2014-12-23 In *The Crisis of Religious Liberty Reflections from Law History and Catholic Social Thought* contributors consider a series of significant challenges to the freedom of religious conscience and expression in the United States today Such challenges include the mandate from the U S Department of Health and Human Services concerning contraceptive sterilization and abortifacient coverage in health insurance plans the question of health care institutions requiring medical personnel to participate in morally objectionable procedures contrary to their religious beliefs legal liability for individuals and businesses refusing on religious grounds to provide services for same sex marriages the prohibition on students from engaging in religious expression in public schools the use of zoning laws to block Bible studies in private homes and a variety of other issues that have surfaced in recent years with respect to religious freedom While some argues that religious liberty extends no further than the freedom to worship contributors suggest otherwise noting that the exercise of religious liberty is greater than a highly restrictive definition of the notion of worship *The Crisis of Religious Liberty* comprises eight chapters and an afterword that explore the nature and basis of religious freedom in terms of Catholic social thought They cover such topics as the Catholic Church s teachings from the Vatican II s *Dignatis Humanae* Declaration on Religious Liberty the decline of a historic rapprochement among different religious perspectives in the United States in the face of an increasingly aggressive secularism perspectives on religious liberty from the founding of America and how the religious liberty situation in the U S compares with the rest of the world *The Crisis of Religious Liberty Reflections from Law History and Catholic Social Thought* should appeal to a variety of professionals as well as a scholars lawyers and clergy health care professionals and Catholic business owners and researchers in the fields of religion law American politics and sociology [Heterosexual Histories](#) Rebecca L. Davis, Michele Mitchell, 2021-02-09 The history of heterosexuality in North America across four centuries Heterosexuality is usually regarded as something inherently natural but what is heterosexuality and how has it taken shape across the centuries By challenging ahistorical approaches to the heterosexual subject *Heterosexual Histories* constructs a new framework for the history of heterosexuality examining unexplored assumptions and insisting that not only sex but race class gender age and geography matter to its past Each of the fourteen essays in this volume examines the history of heterosexuality from a different angle seeking to study this topic in a way that recognizes plurality divergence and inequity Editors Rebecca L Davis and Michele Mitchell have formed a collection that spans four centuries addressing the many different racial groups geographies and subcultures of heterosexuality in North America The essays range across disciplines

with experts from various fields examining heterosexuality from unique perspectives a historian shows how defining heterosexuality sex and desire were integral to the formation of British America and the process of colonization a legal scholar examines the connections between race sexual citizenship and nonmarital motherhood a gender studies expert analyzes the Clinton Lewinsky scandal and explores the intersections of heterosexuality with shame and second wave feminism Together these essays explain how differently earlier Americans understood the varieties of gender and different sex sexuality how heterosexuality emerged as a dominant way of describing gender and how openly many people acknowledged and addressed heterosexuality s fragility By contesting presumptions of heterosexuality s stability or consistency *Heterosexual Histories* opens the historical record to interrogations of the raced classed and gendered varieties of heterosexuality and considers the implications of heterosexuality s multiplicities and changes Providing both a sweeping historical survey and concentrated case studies *Heterosexual Histories* is a crucial addition to the field of sexuality studies

Tiny You Jennifer L. Holland, 2020 Caroline Bancroft History Prize 2021 Denver Public Library Armitage Jameson Prize 2021 Coalition of Western Women s History David J Weber Prize 2021 Western History Association W Turrentine Jackson Prize 2021 Western History Association *Tiny You* tells the story of one of the most successful political movements of the twentieth century the grassroots campaign against legalized abortion While Americans have rapidly changed their minds about sex education pornography arts funding gay teachers and ultimately gay marriage opposition to legalized abortion has only grown As other socially conservative movements have lost young activists the pro life movement has successfully recruited more young people to its cause Jennifer L Holland explores why abortion dominates conservative politics like no other cultural issue Looking at anti abortion movements in four western states since the 1960s turning to the fetal pins passed around church services the graphic images exchanged between friends and the fetus dolls given to children in school she argues that activists made fetal life feel personal to many Americans Pro life activists persuaded people to see themselves in the pins images and dolls they held in their hands and made the fight against abortion the primary bread and butter issue for social conservatives Holland ultimately demonstrates that the success of the pro life movement lies in the borrowed logic and emotional power of leftist activism

**Heavy Burdens** Bridget Eileen Rivera, 2021-10-26 Religious faith reduces the risk of suicide for virtually every American demographic except one LGBTQ people Generations of LGBTQ people have been alienated or condemned by Christian communities It s past time that Christians confronted the ongoing and devastating effects of this legacy Many LGBTQ people face overwhelming challenges in navigating faith gender and sexuality Christian communities that uphold the traditional sexual ethic often unwittingly make the path more difficult through unexamined attitudes and practices Drawing on her sociological training and her leadership in the Side B Revolve conversation Bridget Eileen Rivera who founded the popular website *Meditations of a Traveling Nun* speaks to the pain of LGBTQ Christians and helps churches develop a better pastoral approach Rivera calls to mind Jesus s woe to religious

leaders They tie up heavy burdens hard to bear and lay them on the shoulders of others but they themselves are unwilling to lift a finger to move them Matt 23:4 Heavy Burdens provides an honest account of seven ways LGBTQ people experience discrimination in the church helping Christians grapple with hard realities and empowering churches across the theological spectrum to navigate better paths forward *Unholy* Sarah Posner, 2021-06-01 In terrifying detail *Unholy* illustrates how a vast network of white Christian nationalists plotted the authoritarian takeover of the American democratic system There is no more timely book than this one Janet Reitman author of *Inside Scientology* Why did so many evangelicals turn out to vote for Donald Trump a serial philanderer with questionable conservative credentials who seems to defy Christian values with his every utterance To a reporter like Sarah Posner who has been covering the religious right for decades the answer turns out to be far more intuitive than one might think In this taut inquiry Posner digs deep into the radical history of the religious right to reveal how issues of race and xenophobia have always been at the movement's core and how religion often cloaked anxieties about perceived threats to a white Christian America Fueled by an antidemocratic impulse and united by this narrative of reverse victimization the religious right and the alt right support a common agenda and are actively using the erosion of democratic norms to roll back civil rights advances stock the judiciary with hard right judges defang and deregulate federal agencies and undermine the credibility of the free press Increasingly this formidable bloc is also forging ties with European far right groups giving momentum to a truly global movement Revelatory and engrossing *Unholy* offers a deeper understanding of the ideological underpinnings and forces influencing the course of Republican politics This is a book that must be read by anyone who cares about the future of American democracy **God's Babies** John McKeown, 2014-12-17 The human population's annual total consumption is not sustainable by one planet This unprecedented situation calls for a reform of religious cultures that promote a large ideal family size Many observers assume that Christianity is inevitably part of this problem because it promotes family values and statistically in America and elsewhere has a higher birthrate than nonreligious people This book explores diverse ideas about human reproduction in the church past and present It investigates an extreme fringe of U.S. Protestantism including the Quiverfull movement that use Old Testament fruitful verses to support natalist ideas explicitly promoting higher fecundity It also challenges the claim by some natalists that Martin Luther in the 16th century advocated similar ideas This book argues that natalism is inappropriate as a Christian application of Scripture especially since rich populations' total footprints are detrimental to biodiversity and to human welfare It explores the ancient cultural context of the Bible verses quoted by natalists Challenging the assumption that religion normally promotes fecundity the book finds surprising exceptions among early Christians with a special focus on Saint Augustine since they advocated spiritual fecundity in preference to biological fecundity Finally the book uses a hermeneutic lens derived from Genesis 1 and prioritising the modern problem of biodiversity to provide ecological interpretations of the Bible's fruitful verses *The Power Worshippers* Katherine Stewart, 2020-03-03 The inspiration for the

documentary *God Country* For readers of *Democracy in Chains* and *Dark Money* a revelatory investigation of the Religious Right's rise to political power For too long the Religious Right has masqueraded as a social movement preoccupied with a number of cultural issues such as abortion and same sex marriage In her deeply reported investigation Katherine Stewart reveals a disturbing truth this is a political movement that seeks to gain power and to impose its vision on all of society America's religious nationalists aren't just fighting a culture war they are waging a political war on the norms and institutions of American democracy Stewart pulls back the curtain on the inner workings and leading personalities of a movement that has turned religion into a tool for domination She exposes a dense network of think tanks advocacy groups and pastoral organizations embedded in a rapidly expanding community of international alliances and united not by any central command but by a shared anti-democratic vision and a common will to power She follows the money that fuels this movement tracing much of it to a cadre of super wealthy ultraconservative donors and family foundations She shows that today's Christian nationalism is the fruit of a longstanding antidemocratic reactionary strain of American thought that draws on some of the most troubling episodes in America's past It forms common cause with a globe spanning movement that seeks to destroy liberal democracy and replace it with nationalist theocratic and autocratic forms of government around the world Religious nationalism is far more organized and better funded than most people realize It seeks to control all aspects of government and society Its successes have been stunning and its influence now extends to every aspect of American life from the White House to state capitols from our schools to our hospitals *The Power Worshippers* is a brilliantly reported book of warning and a wake up call Stewart's probing examination demands that Christian nationalism be taken seriously as a significant threat to the American republic and our democratic freedoms

**Bioethics and Medicine** C. Ben Mitchell, 2025-09-01 In *Bioethics and Medicine: A Short Companion* C Ben Mitchell challenges the prevailing view of bioethics as solely a matter of expert problem solving Instead he argues that the ethics of medicine is deeply rooted in an ancient profession with a rich moral heritage

When somebody should go to the books stores, search launch by shop, shelf by shelf, it is essentially problematic. This is why we give the books compilations in this website. It will utterly ease you to look guide **Godly Seed American Evangelicals Confront Birth Control 1873 1973** as you such as.

### **Godly Seed American Evangelicals Confront Birth Control 1873 1973 Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Godly Seed American Evangelicals Confront Birth Control 1873 1973 free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Godly Seed American Evangelicals Confront Birth Control 1873 1973 free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results

by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Godly Seed American Evangelicals Confront Birth Control 1873 1973 free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Godly Seed American Evangelicals Confront Birth Control 1873 1973. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Godly Seed American Evangelicals Confront Birth Control 1873 1973 any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About Godly Seed American Evangelicals Confront Birth Control 1873 1973 Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Godly Seed American Evangelicals Confront Birth Control 1873 1973 is one of the best book in our library for free trial. We provide copy of Godly Seed American Evangelicals Confront Birth Control 1873 1973 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Godly Seed American Evangelicals Confront Birth Control 1873 1973. Where to download Godly Seed American Evangelicals Confront Birth Control 1873 1973 online for free? Are you looking for Godly Seed American Evangelicals Confront Birth Control 1873 1973 PDF? This is definitely going to save you time and cash in something you should think about.
