Yijin Wang

Gods Call Moral Realism Gods Commands And Human Autonomy:

God's Call J. E. Hare, 2001 There has been a debate between modern ethicists who see moral judgments as objectively corresponding to a moral reality independent of human opinion and those who insist that moral judgments are essentially expressions of our will In this excellent philosophical work John Hare outlines a theory that combines the merits of both views arguing that what makes something right is that God calls us to it In the first chapter Hare gives a selective history of the sustained debate within Anglo American philosophy over the last century between moral realists and moral expressivists Best understood as a disagreement about how objectivity and subjectivity are related in value judgment this debate is of particular interest to Christians who necessarily feel pulled in both directions Christians want to say that value is created by God and exists whether we recognize it or not but they also want to say that when we value something our hearts fundamental commitments are also involved Hare suggests prescriptive realism as a way to bring both perspectives together The second chapter examines the divine command theory of John Duns Scotus looking particularly at the relationship that Scotus established between God s commands human nature and human will Hare shows that a Calvinist version of the divine command theory of obligation can be defended via Scotus against natural law theory as well as against contemporary challenges A significant theme treated here is the view that the Fall disordered our natural inclinations rendering them useless as an authoritative source of guidance for right living In the last chapter Hare moves to the key philosophical juncture between the medieval period and our own time the moral theory of Immanuel Kant in the late eighteenth century Modern moral philosophy has largely taken Kant s work as a refutation of divine command theory and a refocusing of the discussion on human autonomy Hare shows that Kant was in fact not arguing against the kind of divine command theory that Hare supports He discusses what Kant meant by saying that we should recognize our duties as God s commands and he defends a notion of human autonomy as appropriation Featuring original moral theory and fresh interpretations of the thought of Duns Scotus and Kant *God s Call* is valuable both for its overview of the history of moral debate and for its construction of a sound Christian ethic for today

A Science and Religion Primer Heidi A. Campbell, Heather Looy, 2009-03 The California missions are unique reminders of a largely ignored part of the history of the United States Nowhere else in the United States can one view such complete remnants of an earlier rule *Lands Never Trodden* brings to the general public the fullest examination to date of the institutions of the Franciscan missions in California and of the stories hidden in these monuments Franciscan priests Spanish officials and Native Americans all have their stories faithfully reported in this volume Each mission carries with it tales of unrelenting labor sacrifice love intrigue passion violence and death This volume treats the familiar stories of the missionaries as well as the previously untold stories of the Native Americans with equal candor With more than sixty photographs and based on exhaustive research and historical documents *Lands Never Trodden* is an entertaining educational and readable presentation of the twenty one California missions

Kantian Ethics Robert

Stern,2015 This volume presents a selection of Robert Stern s work on the theme of Kantian ethics The topics he explores include value perfectionism agency autonomy moral motivation moral scepticism and obligation and he consider the influence of Kant s ethics on subsequent thinkers up to the present day *The Call to Happiness* Nathaniel A.

Warne,2019-12-12 In *The Call to Happiness* Nathaniel A Warne examines how sixteenth and seventeenth century Puritans adopted a eudaimonistic conception of ethics in their writings He shows how classical eudaimonism within the Puritan context is related to other areas of theology ethics and politics and that the idea of divine calling or vocation fits within Puritan eudaimonism Warne further shows how work can also be understood as an aspect of human flourishing when illuminated from within this tradition of Christian eudaimonism alongside the doctrine of calling **Kierkegaard and Kant**

on Radical Evil and the Highest Good Roe Fremstedal,2014-11-25 Kierkegaard and Kant on Radical Evil and the Highest Good is a major study of Kierkegaard s relation to Kant that gives a comprehensive account of radical evil and the highest good two controversial doctrines with important consequences for ethics and religion *Donald MacKinnon's Theology*

Andrew Bowyer,2019-08-22 Andrew Bowyer presents the first comprehensive examination of Donald MacKinnon s theology in relation to his moral philosophy He offers an original and creative reading of MacKinnon s methodology and important insights into the key influences and core questions which stood at the heart of his work Bowyer outlines MacKinnon s contributions to Anglican theology in the aftermath of the Second World War highlighting the therapeutic nature of his approach in as far as it combined a call for intense self awareness with a commitment to moral realism As one of the most influential Anglican theologians in the mid twentieth century MacKinnon s writings reveal him as a restive and unsystematic thinker However Bowyer argues that a series of reoccurring questions obsessions might better honour the memory of MacKinnon s temperament appear throughout his work relating to the tensions between the realism and idealism the call to be morally serious the nature of theological truth claims and the perennially disruptive presence of Christ Bowyer examines the key influences on MacKinnon s thought the centrality of Christology to his project his engagement with literature and literary criticism as well as his response to Wittgenstein s later philosophy This volume offers an appreciation of his contribution and a critique of his legacy **Holy War in the Bible** Heath A. Thomas,Jeremy A. Evans,Paul

Copan,2013-04-05 The first of its kind this collection offers a constructive response to the question of holy war and Christian morality from an interdisciplinary perspective By combining biblical ethical philosophical and theological insights the contributors offer a composite image of divine redemption that promises to take the discussion to another level **Religion**

and Morality William J. Wainwright,2017-03-02 Religion and Morality addresses central issues arising from religion s relation to morality Part I offers a sympathetic but critical appraisal of the claim that features of morality provide evidence for the truth of religious belief Part II examines divine command theories objections to them and positive arguments in their support Part III explores tensions between human morality as ordinarily understood and religious requirements by discussing

such issues as the conflict between Buddhist and Christian pacifism and requirements of justice whether virtue without a love of God is really a vice whether the God of the Abrahamic religions could require us to do something that seems clearly immoral and the ambiguous relations between religious mysticism and moral behavior Covering a broad range of topics this book draws on both historical and contemporary literature and explores afresh central issues of morality and religion offering new insights for students academics and the general reader interested in philosophy and religion *The Oxford Handbook of Theological Ethics* Gilbert Meilaender, William Werpehowski, 2007-08-09 Annotation What are the practical and theoretical issues that concern and shape theological ethics This handbook offers a guide to the discipline Written by an international group of 30 scholars the book is aimed at all students and academics who want to explore more fully essential topics in Christian ethics Reason, Revelation, and the Civic Order Carson Holloway, 2014-03-14 While the dominant approaches to the current study of political philosophy are various with some friendlier to religious belief than others almost all place constraints on the philosophic and political role of revelation Mainstream secular political theorists do not entirely disregard religion But to the extent that they pay attention their treatment of religious belief is seen more as a political or philosophic problem to be addressed rather than as a positive body of thought from which we might derive important insights about the nature of politics and the truth of the human condition In a one of a kind collection DeHart and Holloway bring together leading scholars from various fields including political science philosophy and theology to challenge the prevailing orthodoxy and to demonstrate the role that religion can and does play in political life Contributing authors include such important thinkers as Peter Augustine Lawler Robert C Koons J Budziszewski Francis J Beckwith and James Stoner The Bloomsbury Handbook of Ethics Christian B. Miller, 2023-10-19 Updated and expanded to represent the fundamental questions at the heart of philosophical ethics today the second edition of The Bloomsbury Handbook of Ethics covers the key topics in metaethics and normative ethical theory This edition includes 12 fully revised chapters and 3 newly commissioned contributions from a range of esteemed academics who provide accessible introductions to their own areas of expertise The first part of the book covers the field of metaethics including subjects such as moral realism expressivism constructivism practical reason moral psychology experimental ethics and evolutionary ethics as well as two new chapters that respond to ethical debates concerning moral relativism and moral responsibility that enable students and scholars to better navigate this complicated ethical terrain Moving onto normative ethical theory the second part of the book ranges across morality and religion consequentialism and particularism as well as Kantian virtue feminist and Confucian ethics This comprehensive edition provides a one stop resource for students of ethics which includes updated detailed overviews of the field and methodological issues as well as an appendix of additional resources including technical terms in ethics The Single Individual and the Searcher of Hearts Jeff Morgan, 2020-07-09 Jeff Morgan argues that both Immanuel Kant and Søren Kierkegaard think of conscience as an individual's moral self awareness before God specifically before the claim God makes

on each person This innovative reading corrects prevailing views that both figures especially Kant lay the groundwork for the autonomous individual of modern life that is the atomistic individual who is accountable chiefly to themselves as their own lawmaker This book first challenges the dismissal of conscience in 20th century Christian ethics often in favour of an emphasis on corporate life and corporate self understanding Morgan shows that this dismissal is based on a misinterpretation of Immanuel Kant s practical philosophy and moral theology and of S ren Kierkegaard s second authorship He does this with refreshing discussions of Stanley Hauerwas Oliver O Donovan and other major figures Morgan instead situates Kant and Kierkegaard within a broad trajectory in Christian thought in which an individual s moral self awareness before God as distinct from moral self awareness before a community is an essential feature of the Christian moral life

Exclusion and Embrace, Revised and Updated Miroslav Volf, 2019-08-20 Life in the twenty first century presents a disturbing reality Otherness the simple fact of being different in some way has come to be defined as in and of itself evil Miroslav Volf contends that if the healing word of the gospel is to be heard today Christian theology must find ways of speaking that address the hatred of the other Is there any hope of embracing our enemies Of opening the door to reconciliation Reaching back to the New Testament metaphor of salvation as reconciliation Volf proposes the idea of embrace as a theological response to the problem of exclusion Increasingly we see that exclusion has become the primary sin skewing our perceptions of reality and causing us to react out of fear and anger to all those who are not within our ever narrowing circle In light of this Christians must learn that salvation comes not only as we are reconciled to God and not only as we learn to live with one another but as we take the dangerous and costly step of opening ourselves to the other of enfolding him or her in the same embrace with which we have been enfolded by God Volf won the 2002 Louisville Grawemeyer Award in Religion for the first edition of his book Exclusion Embrace A Theological Exploration of Identity Otherness and Reconciliation Abingdon 1996 In that first edition professor Volf a Croatian by birth analyzed the civil war and ethnic cleansing in the former Yugoslavia and he readily found other examples of cultural ethnic and racial conflict to illustrate his points Since September 11 2001 and the subsequent epidemic of terror and massive refugee suffering throughout the world Volf revised Exclusion and Embrace to account for the evolving dynamics of inter ethnic and international strife

Christian Philosophy A-Z Daniel Hill, 2006-07-21 A handy guide to the major figures and issues in Christian philosophy from Augustine to the present This volume covers a broad historical sweep and takes into account those non Christian philosophers that have had a great impact on the Christian tradition However it concentrates on the issues that perplex Christian philosophers as they seek to think through their faith in a philosophical way and their philosophical beliefs in the light of their faith Examples of the topics discussed are the question of whether and how God knows the future whether we actually know that God exists and what Athens has to do with Jerusalem The leaders of the recent revival of Christian analytic philosophy especially Alvin Plantinga Nicholas Wolterstorff William Alston and Robert Adams are also included

Love Thy Neighbor as Thyself Lenn E. Goodman, 2008-01-02 In this book Lenn E Goodman writes about the commandment to love thy neighbor as thyself from the standpoint of Judaism a topic and perspective that have not often been joined before Goodman addresses two big questions What does that command ask of us and what is its basis Drawing extensively on Jewish sources both biblical and rabbinic he fleshes out the cultural context and historical shape taken on by this Levitical commandment In so doing he restores the richness of its material content to this core articulation of our moral obligations which often threatens to sink into vacuity as a mere nostrum or rhetorical formula Goodman argues against the notion that we have this obligation simply because God demands it a position that too readily makes ethics seem arbitrary relativistic dogmatic authoritarian contingent or just unpalatable Rather he proposes that we learn much about how we ought to think about God from what we know about morals He shows that natural reasoning and appeals to scripture tradition and revelation reinforce one another in ethical deliberation For Goodman ethics and theology are not worlds apart connected only by a kind of narrow one way passage the two realms of discourse can and should inform each other Engaging the philosophers including Aristotle Spinoza and Kant and assembling three thousand years worth of Jewish textual masterpieces Goodman skillfully weaves his Gifford Lectures which he delivered in 2005 into an indispensable work

Ethical Leadership Robert M. McManus, Stanley J. Ward, Alexandra K. Perry, 2018-09-28 The world cries out for ethical leaders We expect the best but we are often left profoundly disappointed While leadership programs may feature ethics as part of their training the approach is often either simplistic or overly esoteric This book addresses this scarcity of resources for training ethical leaders providing a primer of several ethical frameworks accompanied by extended examples to help inform decision making The text also addresses several leadership models that claim an ethical component By providing a consistent case analysis based on the Five Components of Leadership Model readers benefit from a comprehensive approach to understanding ethical leadership

Atheism, Morality, and the Kingdom of God David K. Clark, 2018-11-27 This treatise explores both the beguiling fancy that without God moral virtue is not possible and the dream that human fulfillment awaits the faithful in an afterlife Kingdom It shows that Jesus Parables of the Kingdom of God once stripped of their deceptive theological overlay reveal an account of real time flourishing that is secular constituted by virtue and incompatible with the life of faith total dedication to a deity Part I establishes that morality and human virtue are indeed fully independent of God's very existence while Parts II and III isolate the prized hermeneutical principle whereby the authentic words of Jesus are set in relief What emerges is Jesus own urgent testimony of a this world kingdom which is the good life for humans the summum bonum This vision anchored in the very tradition of which Jesus was both participant and critic reveals human fulfillment as an achievement which is possible only here and now should we muster the courage to live it

The Roots of Reformed Moral Theology Bruce P. Baugus, 2022-09-24 Reformed moral teaching embraces the authority of Scripture a stable moral order from creation and the moral law expressed in the Ten Commandments as a guide for developing a virtuous

life But did such ideas radically appear during the Reformation In *The Roots of Reformed Moral Theology* Bruce P Baugus traces the story of moral theology from its biblical origins to the eve of the Reformation demonstrating that Reformed moral sensibilities were received and developed from the greater church tradition The result is a commendable survey that pays particular attention to the questions and themes most significant to the formation of what became a distinctly Reformed moral theology Table of Contents 1 The Character of Reformed Moral Theology 2 Origins of Moral Theology 3 Redemptive History Old Testament 4 Redemptive History New Testament Part 1 5 Redemptive History New Testament Part 2 6 Early Church History 7 Late Antiquity and Medieval Eras 8 High Medieval Era Thomas 9 Late Medieval Era Scotus and Ockham

Vulnerability and Care Andrew Sloane, 2016-01-28 Medical and bioethical issues have spawned a great deal of debate in both public and academic contexts Little has been done however to engage with the underlying issues of the nature of medicine and its role in human community This book seeks to fill that gap by providing Christian philosophical and theological reflections on the nature and purposes of medicine and its role in a Christian understanding of human society The book provides two main doorways into a Christian philosophical theology of medicine First it presents a brief description of the contexts in which medicine is practiced in the early 21st century identifying key problems and challenges that medicine must address It then turns to issues in contemporary bioethics demonstrating how the debate is rooted in conflicting visions of the nature of medicine and so human existence This leads to a discussion of some of the philosophical and theological resources currently available for those who would reflect Christianly on medicine The heart of the book consists of an articulation of a Christian understanding of medicine as both a scholarly and a social practice articulating the philosophical theological framework which informs this perspective It fleshes out features of medicine as an inherently moral practice one informed by a Christian social vision and shaped by key theological commitments The book closes by returning to the issues relating to the context of medicine and bioethics with which it opened demonstrating how a Christian philosophical theology of medicine informs and enriches those discussions Kant on Practical Justification Mark Timmons, Sorin

Baiasu, 2013-03-28 This volume of new essays provides a comprehensive and structured examination of Kant's justification of norms a crucial but neglected theme in Kantian practical philosophy The essays engage with the view that a successful account of justification of normative claims has to be non metaphysical and go on to pursue further implications in ethics legal and political philosophy and philosophy of religion

As recognized, adventure as well as experience not quite lesson, amusement, as well as contract can be gotten by just checking out a book **Gods Call Moral Realism Gods Commands And Human Autonomy** afterward it is not directly done, you could admit even more approximately this life, going on for the world.

Gods Call Moral Realism Gods Commands And Human Autonomy Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Gods Call Moral Realism Gods Commands And Human Autonomy PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization

of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Gods Call Moral Realism Gods Commands And Human Autonomy PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Gods Call Moral Realism Gods Commands And Human Autonomy free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Gods Call Moral Realism Gods Commands And Human Autonomy Books

What is a Gods Call Moral Realism Gods Commands And Human Autonomy PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Gods Call Moral Realism Gods Commands And Human Autonomy PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Gods Call Moral Realism Gods Commands And Human Autonomy PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Gods Call Moral Realism Gods Commands And Human Autonomy PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Gods Call Moral Realism Gods Commands And Human Autonomy PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" ->

"Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
