Goethes Faust Erster Kuno Fischer:

Goethe's Faust Johann Wolfgang von Goethe, 1905, *Handbuch Der Regionalen Geologie* Gustav Steinmann, Otto Wilckens, 1911 Goethe's Faust Eudo C. Mason, 2023-11-15 Goethe's Faust Its Genesis and Purport offers an exploration of one of the most complex and multifaceted works in literary history The author delves into Faust's intricate layers examining its genesis historical context and Goethe's personal experiences that influenced the play The work navigates the significant polarities that define Goethe's masterpiece realism and idealism the sensual and the spiritual and the amoral versus ethical dimensions highlighting the tensions and synthesis that give the drama its enduring power The study acknowledges that Faust resists definitive interpretation as each reader is drawn to different aspects of its dualities and its richness lies in this very tension This comprehensive review not only addresses Goethe's artistic intentions and thematic depth but also critiques the complexities added by decades of academic analysis The author challenges the Higher Critics suggesting that their overly intricate dissection often obscures the play's accessible elements creating unnecessary barriers for readers Instead the book emphasizes the need to return to the text itself Goethe's broader oeuvre and his poetic vision to uncover the inner fairy tale that underpins Faust Drawing inspiration from influential critics like Konrad Burdach and Emil Staiger the study ultimately seeks to balance scholarly insight with a clear understanding of Goethe's intentions offering a pathway to appreciating the universal and timeless nature of his work This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1967 *The Life of Goethe: 1815-1832.
