Growing Into God A Beginners Guide To Christian Mysticism:

Growing into God John Mabry, 2012-08-28 Offers a straightforward look at the Christian mystical tradition using examples of the classical mystical journey from the lives of Christian mystics **Growing into God** John R. Mabry, 2012-12-13 For many people the word mysticism conjures up occult secretive rituals held after midnight in some dark cave But true mysticism isn't at all sinister or secretive says author John Mabry an Anglican rite Congregational minister In fact mysticism is at the heart of an authentic Christian life It is nothing more and nothing less than the pursuit and enjoyment of union with God which is the goal of all Christian spirituality Christian mysticism is the discipline of growing the soul into God shedding illusory identities deepening prayer seeing God in all things and acting as Christ in the world Mabry's great passion is to bring theology to everyday life by explaining complex ideas in everyday language that anyone can understand and find useful In Growing into God he demystifies mysticism providing a friendly and accessible entry point to some of the teachings practices and experiences of the Christian mystical tradition Mabry explores the classic mystical journey which begins with the Awakening of a unitive consciousness that experiences everything as Divine and interconnected The journey continues with Purgation in which we empty ourselves of illusion Illumination in which we begin to see God in all things and all things in God and finally Union in which we marry our lives with God's life Our hands become God's hands our lips become God's lips our touch becomes God's touch in order to bring help comfort and healing to the world p Along the way and with an entertaining teacher's clarity Mabry recounts the stories of many Christian mystics including inspiring quotations He also enriches each chapter with questions and answers to simplify points as well as experiential practices to help readers embark upon the mystical journey themselves The New Big Book of Christian Mysticism Carl McColman, 2023 From beloved spiritual teacher Carl McColman comes a book about big possibility the hope of achieving authentic blissful experiential union with God He reveals the various ways Christian mysticism and contemplation have been in dynamic practice through the centuries proving inspirational for today's seekers regardless of faith tradition **Sermons that Connect** John R. Mabry, 2011-05-01 The task of preparing and delivering a weekly homily can paralyze even the bravest seminarian **Sermons that Connect** can help A simple nuts and bolts guide it provides new preachers with a simple and effective model for powerful and compelling sermons It then shows preachers how to flesh out sermons in a simple step by step process that is insightful and painless As a beginner's guide it provides in one sitting everything someone will need to create meaningful sermons for years to come For those who have been preaching for a while it will be equally instructive helping preachers polish their sermons into even more effective works of art providing invaluable suggestions for recognizing and articulating the essential elements of good sermons **Read the Bible Like a Mystic** Carl McColman, 2025 This spiritual book invites Christians and all people to see the Bible through its message of radical inclusive unconditional love In this light we can be honest about the difficulties of reading scripture but also find a way to celebrate the life affirming wisdom of the Bible by encountering it in

the light of mysticism and contemplation The Rule of Christ: Themes in the Theology of James Nayler Stuart Masters, 2021-07-19 During the 1650s James Nayler was one of the most important leaders of the emerging Quaker movement in England and arguably its most effective preacher and writer However his legacy has been dominated by events that took place in the summer and autumn of 1656 leading to a conviction for blasphemy brutal public punishment and imprisonment Official histories of Quaker beginnings portrayed him as a gifted but flawed character who brought the Quaker movement into disrepute and prompted a concern for corporate order Scholarship during the past century has begun to question this received position However a continued preoccupation with his fall has tended to overshadow interpretations of his writings In this volume Stuart Masters seeks to identify a number of important theological themes visible within Nayler's works and to locate them within their radical religious context He argues that a powerful Christological vision at the heart of Nayler's religious thought engendered a practical theology with radical political economic and ecological implications

Faithful Generations John R. Mabry, 2013-03 Faithful Generations provides a hopeful and helpful guide to the different adult generations alive today discussing the events that formed them and the issues important to them Most importantly it describes their spiritual distinctions the particular needs gifts and concerns that drive these different generations With a basic understanding of how other generations think and what drives them spiritually ministers and congregations can not only avoid conflict but also put those distinctions to work in order to minister more effectively and create harmony in our religious communities **Emanuel Swedenborg** Samuel Crompton, 2013 Swedenborg is credited as being the major intellectual of Sweden in the early 18th century Interested in spiritual matters he wrote prolifically about his beliefs **The Seeker King** Gary Tillery, 2013-09-09 A woman in the audience once handed Elvis a crown saying You're the King No honey Elvis replied There is only one king Jesus Christ I'm just a singer Gary Tillery presents a coherent view of Elvis's thoughts through such anecdotes and other recorded facts We learn for instance that Elvis read thousands of books on religion that his crisis over making bimbo movies like *Girl Happy* led him to writers such as Gurdjieff Krishnamurti and Helena Blavatsky and that while driving in Arizona an epiphany he had inspired him to learn Hindu practice Elvis came to believe that the Christ shines in everyone and that God wanted him to use his light to uplift people And so he did Elvis's excesses were as legendary as his generosity yet despite his lethal reliance on drugs he remained ever spiritually curious When he died he was reading *A Scientific Search for the Face of Jesus* This intimate objective portrait inspires new admiration for the flawed but exceptional man who said All I want is to know and experience God I'm a searcher that's what I'm all about **The Westminster Dictionary of Christian Spirituality** Gordon S. Wakefield, 1983-01-01 Ecumenical in character this comprehensive and authoritative dictionary is the achievement of scholars of international standing Anglicans Roman Catholics Baptists Presbyterians Quakers Methodists Lutherans and others The articles are nondogmatic and scholarly The main emphasis is thematic the entries represent types schools and subjects Articles that refer to non-Christian religions are included insofar as
