Halia Of Hawaii A Legacy Of Language:

Hali`A of Hawai`I Frances Nelson Frazier, 2010-03-19 This memoir takes us adventuring on sailing ships through flying boats to jet airplanes exploring the author's Hawai'i vignettes Letters from Dacca travel stories and stories of her sea captain father his own nautical story embedded at book's end We learn how life events led to rediscovery of the Hawaiian language the author's blood legacy and how she accomplished her own legacy of important work We gallop sail and swim near Lanikai with a young girl at an earlier more gentle time on Oahu We learn of work romance marriage and the beginning of life as a family We watch with that young mother the bombing of Pearl Harbor how she shields her baby from strafing while wondering if her engineer husband at dockside is alive *Hali a A Legacy of Language* is an account of a pono good beneficial life of trust in its many decades as they unfolded bringing the author important work to be done in Hawai'i that became entwined with her passion for learning and correctly translating the Hawaiian language especially relating to land deeds and rights to the aina the land for people of Hawaiian heritage We share the joy of an inquiring mind expanding and questioning with the opportunities that came for travel and residency abroad and resultant contrast and comparison with home and different cultural ways in Hawai'i The individuality of Auntie Hali's life olelo story reflects the experiences of one daughter of Hawai'i but by its very individuality offers a universal connection with people their sensibilities and places around the globe All of these parts merge in the telling of the serendipity of a journey as exciting and challenging as the journeys that brought her master mariner father to Hawai'i at an earlier time

Hawaii Magazine, 2005 *Hali'a of Hawai'i* Frances Nelson Frazier, Dawn Fraser Kawahara, 2010 This memoir takes us adventuring on sailing ships through flying boats to jet airplanes exploring the author's Hawaii vignettes Letters from Dacca travel stories and stories of her sea captain father his own nautical story embedded at book's end We learn how life events led to rediscovery of the Hawaiian language the author's blood legacy and how she accomplished her own legacy of important work We gallop sail and swim near Lanikai with a young girl at an earlier more gentle time on Oahu We learn of work romance marriage and the beginning of life as a family We watch with that young mother the bombing of Pearl Harbor how she shields her baby from strafing while wondering if her engineer husband at dockside is alive *Halia A Legacy of Language* is an account of a pono good beneficial life of trust in its many decades as they unfolded bringing the author important work to be done in Hawaii that became entwined with her passion for learning and correctly translating the Hawaiian language especially relating to land deeds and rights to the aina the land for people of Hawaiian heritage We share the joy of an inquiring mind expanding and questioning with the opportunities that came for travel and residency abroad and resultant contrast and comparison with home and different cultural ways in Hawaii The individuality of Auntie Halia's life olelo story reflects the experiences of one daughter of Hawaii but by its very individuality offers a universal connection with people their sensibilities and places around the globe All of these parts merge in the telling of the serendipity of a journey as exciting and challenging as the journeys that brought her

master mariner father to Hawaii at an earlier time *Arts & Humanities Citation Index*, 1989 A multidisciplinary index covering the journal literature of the arts and humanities It fully covers 1 144 of the world s leading arts and humanities journals and it indexes individually selected relevant items from over 6 800 major science and social science journals

Halia language course, by Jerry and Janice Allen, Summer Institute of Linguistics Jerry Allen, Janice Allen, **Halia Language Course** Jerry Allen, Janice Allen, 1960 **Halia Language Course, by Jerry Allen and Janice Allen** Jerry Allen, 1965 **The Voices of Eden** Albert J. Schütz, 1995-01-01 How did outsiders first become aware of the Hawaiian language How were they and Hawaiians able to understand each other How was Hawaiian recorded and analyzed in the early decades after European contact Albert J Schutz provides illuminating answers to these and other questions about Hawaii s postcontact linguistic past The result is a highly readable and accessible account of Hawaiian history from a language centered point of view The author also provides readers with an exhaustive analysis and critique of nearly every work ever written about Hawaiian **Hawaiian Language** Albert J. Schütz, 2019-06-01 With color and black and white illustrations throughout Hawaiian Language Past Present Future presents aspects of Hawaiian and its history that are rarely treated in language classes The major characters in this book make up a diverse cast Dutch merchants Captain Cook s naturalist and philologist William Anderson p kaha ia the inspiration for the Hawaiian Mission the American lexicographer Noah Webster philologists in New England missionary linguists and their Hawaiian consultants and many minor players The account begins in prehistory placing the probable origins of the ancestor of Polynesian languages in mainland Asia An evolving family tree reflects the linguistic changes that took place as these people moved east The current versions are examined from a Hawaiian centered point of view comparing the sound system of the language with those of its major relatives in the Polynesian triangle More recent historical topics begin with the first written samples of a Polynesian language in 1616 which led to the birth of the idea of a widespread language family The next topic is how the Hawaiian alphabet was developed The first efforts suffered from having too many letters a problem that was solved in 1826 through brilliant reasoning by its framers and their Hawaiian consultants The opposite problem was that the alphabet didn t have enough letters analysts either couldn t hear or misinterpreted the glottal stop and long vowels The end product of the development of the alphabet literacy is more complicated than some statistics would have us believe As for its success or failure both points of view from contemporary observers are presented Still it cannot be denied that literacy had a tremendous and lasting effect on Hawaiian culture The last part of the book concentrates on the most used Hawaiian reference works dictionaries It describes current projects that combine print and manuscript collections on a searchable website These projects can include the growing body of manuscript and print material that is being made available through recent and ongoing research As for the future a proposed monolingual dictionary would allow users to avoid an English bridge to understanding and move directly to a definition that includes Hawaiian cultural features and a Hawaiian worldview

Language and Dialect in Hawaii John E. Reinecke, 1988

If you ally obsession such a referred **Halia Of Hawaii A Legacy Of Language** books that will provide you worth, acquire the unquestionably best seller from us currently from several preferred authors.
