*Designers, Visionaries and Other Stories* Jonathan Chapman, 2012 *Designers, Visionaries and Other Stories* unpacks the complex and crucial debates surrounding sustainable design to deliver a compelling manifesto for change at a time of looming ecological crisis, mounting environmental legislation, and limited progress. This is a book about sustainable design by the leading sustainable design thinkers for creative practitioners, professionals, students, and academics. This challenging work provides the reader with a rich resource of future visions, critical propositions, creative ideas, and design strategies for working towards a sustainable tomorrow today.
