Great Basin National Park A Guide To The Park And Surrounding Area:

Great Basin National Park Gretchen M. Baker,2020-02-17 A guide to the attractions natural history and cultural history of the Great Basin perfect for tourists naturalists and historians Great Basin National Park Snake Valley and Spring Valley cover more than 3 000 square miles across portions of Nevada and Utah but few people know much about this diverse area In her guidebook to Great Basin National Park Gretchen Baker covers everything a potential visitor needs to know about one of the country s best kept secrets The park sits in one of America s driest least populated and most isolated deserts It is a place of significant geological and scenic value offering unspoiled vistas abundant wildlife clean air and natural attractions That contrast is one facet of the diversity that characterizes this region Within and outside the park are phenomenal landscape features biotic wonders unique environments varied historic sites and the local colors of isolated towns and ranches Vast Snake and Spring Valleys bracketing the national park are also subjects of one of the West s most divisive environmental contests At stake is what on the surface seems almost absent but underground is abundant enough for sprawling Las Vegas to covet water This guidebook not only describes the peaks glaciers subalpine lakes caves hiking trails campgrounds and historical sites but also explores the cultural history of the park and surrounding area Each chapter addresses the physical attributes and navigational issues of a specific area and includes an in depth historical overview The text is complemented by useful maps and historical photographs and makes Great Basin National Park A Guidebook to the Park and Surrounding Area the most comprehensive book on the region available

Great Basin National Park Gretchen M. Baker,2012-04-14 Great Basin National Park is in large part a high alpine park but it sits in one of America s driest least populated and most isolated deserts That contrast is one facet of the diversity that characterizes this region Within and outside the park are phenomenal landscape features biotic wonders unique environments varied historic sites and the local colors of isolated towns and ranches Vast Snake and Spring Valleys bracketing the national park are also subjects of one of the West s most divisive environment contests over what on the surface seems most absent but underground is abundant enough for sprawling Las Vegas to covet it water
