

The GREAT GATSBY

A surreal illustration of a face against a dark blue background. The face has large, expressive blue eyes with long, dark eyelashes. The mouth is replaced by a vibrant, colorful cityscape at night, featuring a tall, brightly lit skyscraper and other buildings with glowing windows. The city lights are reflected in a dark, glossy surface at the bottom of the image. The overall style is reminiscent of mid-20th-century book cover art.

The Great Gatsby F. Scott Fitzgerald, 2023-03-29 The Great Gatsby is a novel that needs no introduction for a certain generation of American readers Long taught as required reading in American schools critics have consistently held it up alongside Moby Dick Huck Finn and To Kill a Mockingbird as perhaps the quintessential Great American Novel Nick Carraway is a young Midwestern man freshly arrived in New York to make his fortune He rents a shabby apartment in Long Island next door to a sumptuous mansion the home of the mysterious and wealthy Jay Gatsby Carraway spends time catching up with his distant cousin Daisy and her industry baron husband Tom before being invited to one of Gatsby s wildly lavish weekend parties There he meets Jordan a flapper and a golf star and an intricate web of romances and betrayals begins to unfold The novel is a colorful study of America s Jazz Age a term said to be coined by Fitzgerald himself complete with wealthy socialites living in hedonistic abandon libertine flappers jazz bands roaring roadsters and greasy speakeasies populated with shady grifters Contrasted against the glamorous lives of wealthy socialites is the entrenched lower class who live in gray dingy squalor among smoldering ash heaps Fitzgerald uses the setting to examine the American Dream the idea that anyone in America can achieve success through hard work and dedication Gatsby has spent his life reaching for his dream Some say he s already achieved it But has he Is the dream even real for the hard working poor that Gatsby and Tom race past in their glittering cars on the way to the decadent city Fitzgerald wrote much of his real life into the novel Like Carraway he was a Midwesterner educated at an Ivy league school who went to live on Long Island Despite his meager finances he hobnobbed with socialites and spent his career struggling for money to maintain the grand style his romantic interests were accustomed to The cover art titled Celestial Eyes was commissioned from Francis Cugat who completed it before the novel was finished The huge eyes gazing down on the blazing city so moved Fitzgerald that he wrote them into the story Fitzgerald saw the novel as a purely artistic work free of the pulp pandering required by his shorter commissions but despite that contemporary reviews were mixed and it sold poorly Fitzgerald thought it a failure and died believing the novel to be fatally obscure Only during World War II did it come back to the public consciousness buoyed by the support of a ring

of writers and critics and printed as an Armed Service Edition to be sent to soldiers on the front Now it is an American classic
