**Movies in the Age of Obama** David Garrett Izzo,2014-08-26 The historic election of Barack Obama to the presidency of the United States had a significant impact on both America and the world at large By voting an African American into the highest office those who elected Obama did not necessarily look past race but rather didn t let race prevent them for casting their ballots in his favor In addition to reflecting the changing political climate Obama s presidency also spurred a cultural shift notably in music television and film In *Movies in the Age of Obama The Era of Post Racial and Neo Racist Cinema* David Garrett Izzo presents a varied collection of essays that examine films produced since the 2008 election The contributors to these essays comment on a number of films in which race and otherness are pivotal elements In addition to discussing such films as *Beasts of the Southern Wild* *Black Dynamite* *The Blind Side* *The Butler* *Django Unchained* *The Help* and *Invictus* this collection also includes essays that probe racial elements in *The Great Gatsby* *The Hunger Games* and *The Mist* The volume concludes with several essays that examine the 2013 Academy Award winner for best picture *12 Years a Slave* Though Obama s election may have been the main impetus for a resurgence of black films this development is a bit more complicated Moviemakers have long responded to the changing times so it is inevitable that the Obama presidency would spark an increase in films that comment either subtly or overtly on the current cultural climate By looking at the issue these films address *Movies in the Age of Obama* will be of value to film scholars of course but also to those interested in other disciplines including history politics and cultural studies

**A Distant Drummer** Jamal

Assadi, William Freedman, 2007 A Distant Drummer attends more to F Scott Fitzgerald's aesthetic merits ideas style techniques context of his works and less to biographical details which critics believe are intricately interwoven within his works In striving to respond to Fitzgerald's artistry away from the impulse of the author's personal experience it is in a very strange paradox more attuned and in consequence closer to Fitzgerald who wanted his fiction to be objectively judged and free of the stigma which besmirches his reputation
