Reid, 2016-07-14 Because the Sacred Liturgy is truly the font from which all the Church's power flows we must do everything we can to put the Sacred Liturgy back at the very heart of the relationship between God and man I ask you to continue to work towards achieving the liturgical aims of the Second Vatican Council and to work to continue the liturgical renewal promoted by Pope Benedict XVI especially through the post synodal apostolic exhortation Sacramentum Caritatis and the motu proprio Summorum Pontificum I ask you to be wise like the householder who knows when to bring out of his treasure things both new and old see Mt 13 52 so that the Sacred Liturgy as it is celebrated and lived today may lose nothing of the estimable riches of the Church's liturgical tradition whilst always being open to legitimate development These words of Robert Cardinal Sarah Prefect of the Congregation for Divine Worship underline the liturgy's fundamental role in every aspect of the life and mission of the Church Liturgy in the Twenty First Century makes available the different perspectives on this from leading figures such as Raymond Leo Cardinal Burke Archbishop Salvatore Cordileone Abbot Philip Anderson Father Thomas Kocik Dom Alcuin Reid and Dr Lauren Pristas Considering questions of liturgical catechetics music preaching how young people relate to the liturgy matters of formation and reform etc Liturgy in the Twenty First Century is an essential resource for all clergy and religious and laity involved in liturgical ministry and formation Bringing forth new treasures as well as old its contributors identify and address contemporary challenges and issues facing the task of realising the vision of Cardinal Sarah Cardinal Ratzinger Benedict XVI and the Second Vatican Council

Pfatteicher,2013-09-23 Journey into the Heart of God is a captivating exploration of the history and evolution of the Church Year the cycle of seasons in the Christian tradition that begins with Advent and culminates with Easter and is marked by the celebrations of saints feast days and the reading of Scripture as appointed by the Church Primarily through deft examination of the Western Church Philip H Pfatteicher reveals how the liturgical calendar has been transformed over thousands of years It is a work of art the collaborative achievement of generations of hands and minds He shows how the church year dramatizes and grounds the strange complexity of the human experience and how it encourages honesty humility growth and maturity in those who live by it Pfatteicher also offers insight into the liturgical texts of the Eucharist the less familiar Daily Office and the people s theology voiced in hymns from a broad spectrum of ancient and modern traditions It will be an indispensable resource for both clergy and laity in the liturgical denominations including Catholicism Lutheranism and Anglicanism *Signs of the Holy One* Uwe Michael Lang,2015 In *Signs of the Holy One* Uwe Michael Lang addresses crucial questions which are just now coming to the fore concerning the sacred liturgy His point of departure is that the Catholic liturgy is a synthesis of elements far more than just its texts gesture motion architecture art music and that these elements are integral to the solemn liturgy and not just incidental They are aspects of the non verbal language of the sacred they are what makes the liturgy beautiful His consideration of the beauty of the liturgy poses the problem that the modern notion of beauty is subjective which makes it difficult to articulate criteria for what is beautiful But sacred beauty has criteria for each of its principal elements these are the subject of extended discussion of architecture art and music showing why and how they contribute to the total liturgy Pope Benedict XVI who wrote extensively about the liturgy said The greatness of the liturgy depends we shall have to repeat this frequently on its non spontaneity Modern man needs to learn that banality and repetitious novelty are no substitute for the sacred and are unable to induce any sense of meaning purpose and peace The yearning for the Transcendent is always felt within the human psyche and is rarely far from the surface especially among young adults A Church that forgets this is heading in the wrong direction
