Spencer, 2023-11-21 A groundbreaking look at the relationship between two sacred texts The Book of Mormon's narrative privileges Isaiah over other sources provocatively interpreting and at times inventively reworking the biblical text Joseph M Spencer sees within the Book of Mormon a programmatic investigation regarding the meaning and relevance of the Book of Isaiah in a world increasingly removed from the context of the times that produced it Working from the crossroads of reception studies and Mormon studies Spencer investigates and clarifies the Book of Mormon's questions about the vitality of Isaiah's prophetic project Spencer's analysis focuses on the Book of Mormon's three interactions with the prophet the character of Abinadi the resurrected Jesus Christ and the nation founding figure of Nephi Working from the Book of Mormon as it was dictated Spencer details its vital and overlooked place in Isaiah's reception while recognizing the interpretation of Isaiah as an organizing force behind the Book of Mormon **The Fourth Thousand Years** W. Cleon Skousen, There is no period when the distant roar of history can be heard pounding on the pages of the past with greater fury than during the ten savage centuries known as The Fourth Thousand Years This was the age of the first world empires the days when Assyria Babylon Greece and Rome each displayed their passion for power It was an age which demanded the resounding and inspired voices of many of God's greatest spokesmen The turbulent chaos of these centuries brought forth many mighty prophets of God Elijah Elisha Isaiah Jeremiah Ezekiel Jonah Lehi Nephi Daniel Zechariah and many others The lives and times of all these men are in these pages This is the third and final volume of this series dealing with the Old Testament The volumes which preceded it were entitled The First 2 000 Years which covered the period from Adam to Abraham and The Third Thousand Years which covered Bible history from Abraham to David This present volume deals with the exciting scriptural epic which emerged between the time of David and the coming of Christ For those who find the Old Testament arduous reading these three books should prove especially inspirational and helpful This eBook includes the original index illustrations footnotes table of contents and page numbering from the printed format The Cleansing of America W. challenging years prior to the Second Coming We are fast approaching those prophetic events Some are upon us even now If we are prepared and obedient we need not fear these events but rather embrace them for the blessings they portend

Days of the Living Christ W. Cleon Skousen,2018-12-21 No other life has had such an amazing impact upon the human race as did our Savior Jesus Christ From His birth in a humble stable until His death upon the cross of Golgotha He left all of us simple teachings direct commandments and profound doctrines which have altered the history of the world He performed astounding miracles that left His disciples and other onlookers stunned and speechless He condemned the hypocrisy of the religious leaders of the day who would eventually conspire and arrange His death at the hands of the Romans The culminating act of His ministry was the priceless gift of His eternal Atonement which opened the floodgates of the resurrection ending the final and icy grip of death upon all mankind One day we too will participate in the glorious experience of the resurrection when all tears will be dried and fears will cease In a matter of just three years His brief ministry changed the course of history Gone was the harsh and rigid Mosaic law replaced by the higher law of love for friends and enemies alike His life is an example to all All of these magnificent scriptural accounts and doctrines can be found within the pages of Days of the Living Christ

Visions in a Seer Stone William L. Davis,2020-04-08 In this interdisciplinary work William L Davis examines Joseph Smith s 1829 creation of the Book of Mormon the foundational text of the Latter Day Saint movement Positioning the text in the history of early American oratorical techniques sermon culture educational practices and the passion for self improvement Davis elucidates both the fascinating cultural context for the creation of the Book of Mormon and the central role of oral culture in early nineteenth century America Drawing on performance studies religious studies literary culture and the history of early American education Davis analyzes Smith s process of oral composition How did he produce a history spanning a period of 1 000 years filled with hundreds of distinct characters and episodes all cohesively tied together in an overarching narrative Eyewitnesses claimed that Smith never looked at notes manuscripts or books he simply spoke the words of this American religious epic into existence Judging the truth of this process is not Davis s interest Rather he reveals a kaleidoscope of practices and styles that converged around Smith s creation with an emphasis on the evangelical preaching styles popularized by the renowned George Whitefield and John Wesley

Perilous Times Marcus E. Drake, 2024-09-25 Real Hope in the Midst of a Culture Gone Awry Yes we live in this kind of culture and world However it is clear in the Bible that the more we pursue the knowledge of God as defined and described in Scripture and the more we are devoted to him the more he will work in us and through us during the perilous times in which we live Therefore in thinking about the extraordinary impact biblical truth can have on our society this book focuses on three vitally important areas in the Bible how God reveals his existence through nature and his Word how he discloses his character through his attributes and promises and how he calls his people to seek the knowledge of himself through the fear of the Lord and the bearing of his image Thus the purpose of this book is to lead believers into a deeper understanding of what God is like a deeper understanding of what he has promised to those who know him and a deeper understanding of the unshakable hope and strong encouragement we have in God's Word as we live in a confused and deteriorating culture Rather than simply decrying the devastating changes in our nation and world this book clearly proclaims the hope that is ours in the very nature and character of God himself the identity and security believers have in Christ and the biblical guidance we need in order to be salt and light in our generation A God centered truth loving Christ exalting approach to life changes everything
