Israeli Culture Between The Two Intifadas A Brief Romance:

Israeli Culture between the Two Intifadas Yaron Peleg, 2009-09-15 Over the past two decades profound changes in Israel opened its society to powerful outside forces and the dominance of global capitalism As a result the centrality of Zionism as an organizing ideology waned prompting expressions of anxiety in Israel about the coming of a post Zionist age The fears about the end of Zionism were quelled however by the Palestinian uprising in 2000 which spurred at least a partial return to more traditional perceptions of homeland Looking at Israeli literature of the late twentieth century Yaron Peleg shows how a young urban class of Israelis felt alienated from the Zionist values of their forebears and how they adopted a form of escapist romanticism as a defiant response that replaced traditional nationalism One of the first books in English to identify the end of the post Zionist era through inspired readings of Hebrew literature and popular media *Israeli Culture between the Two Intifadas* examines Israel's ambivalent relationship with Jewish nationalism at the end of the twentieth century

Signatures of Struggle Oded Nir, 2018-01-01 A Marxist history of Israeli literature tracing the relations between economic social and aesthetic transformations *Signatures of Struggle* offers a unique perspective on Israeli literature bringing Marxist cultural critique to bear on a field from which it has hitherto been absent Oded Nir moves beyond the dominant interpretive horizon of Israeli literary criticism the relation of literature to national ideology Rather than reproducing the usual narrative in which fiction resists the nation's goals Nir demonstrates how in each historical moment literary engagement with national ideology is a means to think through social tensions or contradictions internal to Israeli society to solve in imagination problems that threaten the social order Focusing on moments of transformation Nir argues that the 1950s crisis of realism was the result of the failure rather than the success of the collective transformative project of the haluzim the settler vanguard of Zionism In the 1980s the postmodern turn expressed a crisis of social imagination whose origin was the incorporation of Palestinians into the Israeli economy after the 1967 war Finally he shows that the ways in which history is imaginatively reworked in contemporary Israeli fiction can only be understood through the context of 1950s and 1980s literature Authors analyzed include Yigal Mossinsohn Nathan Shaham Hanoch Bartov Yehudit Hendel Orly Castel Bloom Yehudit Katzir David Grossman Yehoshua Kenaz and Batya Gur Nir's mastery of relevant studies on Hebrew literature is impressive as is his erudition when it comes to theoretical works His textual analyses are insightful and original The book makes a tremendous contribution to literary scholarship but it is also one of the most important contributions to the entire field of Israel studies in this century Eran Kaplan author of *Beyond Post Zionism* This is a well written brilliantly conceptualized project I have little doubt it will change the way Zionist historiography and the history of Hebrew literature will be discussed Nitzan Lebovic author of *Zionism and Melancholy The Short Life of Israel Zarchi* **Warriors, Witches, Whores** Rachel S. Harris, 2017-10-16 Feminist reading of women's representation and activism in Israeli cinema *Warriors Witches Whores Women in Israeli Cinema* is a feminist study of Israel's film industry and the changes that have occurred

since the 1990s Working in feminist film theory the book adopts a cultural studies approach considering the creation of a female centered and thematically feminist film culture in light of structural and ideological shifts in Israeli society Author Rachel S Harris situates these changes in dialogue with the cinematic history that preceded them and the ongoing social inequalities that perpetuate women s marginalization within Israeli society While no one can deny Israel s Western women s advancements feminist filmmakers frequently turn to Israel s less impressive underbelly as sources for their inspiration Their films have focused on sexism the negative impact of militarism on women s experience rape culture prostitution and sexual abuse These films also tend to include subjects from society s geographical periphery and social margins such as female foreign workers women and refugees Warriors Witches Whores is divided into three major sections and each considers a different form of feminist engagement The first part explores films that situate women in traditionally male spheres of militarism considering the impact of interjecting women within hegemonic spaces or reconceptualizing them in feminist ways The second part recovers the narratives of women s experience that were previously marginalized or silenced thereby creating a distinct female space that offers new kinds of storytelling and cinematic aesthetics that reflect feminist expressions of identity The third part offers examples of feminist activism that reach beyond the boundaries of the film to comment on social issues This section demonstrates how feminists use film and work within the film industry in order to position women in society While there are thematic overlaps between the chapters each section marks structural differences in the modes of feminist response Warriors Witches Whores considers the ways social and political power have affected the representation of women and looks to how feminist filmmakers have fought against these inequities behind the camera and in the stories they tell Students and scholars of film gender or cultural studies will appreciate this approachable monograph

Directed by God Yaron Peleg, 2016-09-13 As part of its effort to forge a new secular Jewish nation the nascent Israeli state tried to limit Jewish religiosity However with the steady growth of the ultraorthodox community and the expansion of the settler community Israeli society is becoming increasingly religious Although the arrival of religious discourse in Israeli politics has long been noticed its cultural development has rarely been addressed *Directed by God* explores how the country's popular media principally film and television reflect this transformation In doing so it examines the changing nature of Zionism and the place of Judaism within it Once the purview of secular culture Israel's media initially promoted alternatives to traditional

Soldiers, Rebels, and Drifters Nir Cohen, 2011-10-15 A cultural history of gay filmmaking in Israel that explores its role in the rise of gay consciousness over the past three decades Despite the canonical status of the written word in forging the Zionist Israeli national narrative and its subversive derivatives the emergence of gay consciousness in the mid 1970s relied more on cinematic representations than those found in literature journalism or popular music Film s global distribution reached wide overseas audiences and emphasized gay men and lesbians roles in representing liberal Israel to the world In *Soldiers Rebels and Drifters* Gay Representation in Israeli Cinema author Nir Cohen studies the role of cinema in portraying gay identities environments and lifestyles in Israel over the past three decades particularly in the wake of a series of legal battles for gay rights in the 1980s and 1990s In five chapters Cohen examines the past present and future of gay filmmaking in Israel In chapter 1 he traces the roots of an imagined Israeli gay community in film by examining the parallels between constructing gay identity on screen and representing the city of Tel Aviv as a cosmopolitan metropolis with a focus on the early films of Amos Guttman and Eytan Fox In chapter 2 he explores Guttman s films in detail to trace their contribution to the evolution of a gay identity in 1980s Israel Chapter 3 shifts to the work of Eytan Fox probably the most prolific gay Israeli director since Guttman In chapter 4 Cohen tackles nonfiction gay filmmaking in Israel in the form of documentaries and self authored films Chapter 5 concludes the volume with a look at the current state of gay filmmaking in Israel including the new directions that recent films have taken and the increasing interest in the experience of gay men and lesbians from religious communities Beyond simple textual analysis Cohen addresses the institutional apparatuses of the movie industry including the politics behind funding censorship and television broadcasting and relates the films studied to the cultural and political

history of Israel since the late 1970s Film and television scholars as well as those interested in queer studies and the cultural history of Israel will be grateful for this thorough study of gay Israeli cinema **Casting a Giant Shadow** Rachel S.

Harris, Dan Chyutin, 2021-07-06 Film came to the territory that eventually became Israel not long after the medium was born Casting a Giant Shadow is a collection of articles that embraces the notion of transnationalism to consider the limits of what is Israeli within Israeli cinema As the State of Israel developed so did its film industries Moving beyond the early films of the Yishuv which focused on the creation of national identity the industry and its transnational ties became more important as filmmakers and film stars migrated out and foreign films filmmakers and actors came to Israel to take advantage of high quality production values and talent This volume edited by Rachel Harris and Dan Chyutin uses the idea of transnationalism to challenge the concept of a singular definition of Israeli cinema Casting a Giant Shadow offers a new understanding of how cinema has operated artistically and structurally in terms of funding distribution and reception The result is a thorough investigation of the complex structure of the transnational and its impact on national specificity when considered on the global stage **Hydrofictions** Boast Hannah Boast, 2020-07-06 Water is a major global issue that will shape our future

Rarely however has water been the subject of literary critical attention This book identifies water as a crucial new topic of literary and cultural analysis at a critical moment for the world s water resources focusing on the urgent context of Israel Palestine It argues for the necessity of recognising water s vital importance in understanding contemporary Israeli and Palestinian literature showing that water is as culturally significant as that much more obvious object of nationalist attention the land In doing so it offers new insights into Israeli and Palestinian literature and politics and into the role of culture in an age of environmental crisis Hydrofictions shows that how we imagine water is inseparable from how we manage it This book is urgent and necessary reading for students and scholars in Middle East Studies postcolonial ecocriticism the environmental humanities and anyone invested in the future of the world s water *A Sephardi Sea* Dario Miccoli, 2022-07-26 A Sephardi

Sea tells the story of Jews from the southern shore of the Mediterranean who between the late 1940s and the mid 1960s migrated from their country of birth for Europe Israel and beyond It is a story that explores their contrasting memories of and feelings for a Sephardi Jewish world in North Africa and Egypt that is lost forever but whose echoes many still hear Surely some of these Jewish migrants were already familiar with their new countries of residence because of colonial ties or of Zionism and often spoke the language Why then was the act of leaving so painful and why more than fifty years afterward is its memory still so tangible Dario Miccoli examines how the memories of a bygone Sephardi Mediterranean world became preserved in three national contexts Israel France and Italy where the Jews of the Middle East and North Africa and their descendants migrated and nowadays live A Sephardi Sea explores how practices of memory and heritage making from the writing of novels and memoirs to the opening of museums and memorials the activities of heritage associations and state led celebrations has filled an identity vacuum in the three countries and helps the Jews from North Africa and Egypt to define

their Jewishness in Europe and Israel today but also reinforce their connection to a vanished world now remembered with nostalgia affection and sadness

In *Identity Place and Subversion in Contemporary Mizrahi Cinema in Israel* Yaron Shemer presents the most comprehensive and systematic study to date of Mizrahi Oriental Jewish or Arab Jewish films produced in Israel in the last several decades Through an analysis of dozens of films the book illustrates how narratives characters and space have been employed to give expression to Mizrahi ethnic identity and to situate the Mizrahi within the broader context of the Israeli societal fabric The struggle over identity and the effort to redraw ethnic boundaries have taken place against the backdrop of a long standing Zionist view of the Mizrahi as an inferior other whose Levantine culture posed a threat to the Western oriented Zionist enterprise In its examination of the nature and dynamics of Mizrahi cinema defined by subject matter the book engages the sensitive topic of Mizrahi ethnicity head on confronting the conventional notion of Israeli society as a melting pot and the widespread dismissal of ethnic divisions in the country Shemer explores the continuous marginalization of the Mizrahi in contemporary Israeli cinema and the challenge some Mizrahi films offer to the subjugation of this ethnic group He also studies the role cultural policies and institutional power in Israel have played in shaping Mizrahi cinema and the creation of a Mizrahi niche in cinema In a broader sense this pioneering work is a probing exploration of Israeli culture and society through the prism of film and cinematic expression It sheds light on the play of ethnicity class gender and religion in contemporary Israel and on the heated debates surrounding Zionist ideology and identity politics By charting a new territory of academic inquiry grounded in an interdisciplinary theoretical framework the study contributes to the formation of Mizrahi Cinema as a recognized and vibrant scholarly field
