

Great Expectations Stage III Study Guide

Ch. 40

1. What does Pip call his convict? Why?
He calls him a dreaded visitor/guest. This is because he is still a prisoner and Pip still thinks that the way he acted at the churchyard was unacceptable.
2. What is his convict's name? What is the significance of this name?
His name is Magwitch. I think it is significant because it has the word "witch" in it.
3. How did Magwitch get to know Mr. Jaggers?
Mr. Jaggers was his lawyer in his last trial.
4. Describe the man on the stairs. Who do you think it is?
He was a worker; he had dusty colored clothes, under a dark coat. He thinks this is Compeyson because he wants to get Magwitch in even more trouble.
5. Magwitch's "teeth had failed" is a euphemism for what?
They had rotted because he doesn't take care of his teeth. He is not the type of person who would care about his appearance.
6. How is Magwitch like an "old bird"?
He has really seen the world and has experienced the good and bad of life. A bird really gets to see the world in every different view.
7. Explain what Jaggers means when he says, "Take nothing on its look; take everything on evidence"
He means only believe something if there is evidence to prove it.
8. How has Magwitch's attitude changed from when Pip first met him at the churchyard?
Magwitch is now very laidback and friendly (positive). When Pip first met him at the churchyard he was mean and aggressive. He is now in a comfortable environment.
9. Why does Pip hate Magwitch, after all he's the one who gave him the fortune?
