Gender Roles Linda L. Lindsey, 2005 The 4th edition of Gender Roles provides the best balance between gender and women as a focus especially with the expanded content on men and masculinity It addresses religion and integrates history at various points An objective of the book is to dispel myths about gender Both sociological and interdisciplinary content

organized around clear and appropriate research serves this objective well providing readers with a sociological perspective of gender that can be meaningfully applied to their daily lives The more controversial topics related to gender have a greater array of supporting references directing readers to explore the topics further Gender Roles integrates insights and research from other disciplines especially biology psychology anthropology and history Interdisciplinary material is organized presented and guided by the sociological perspective however so readers can understand the commonalities and differences in the ways the various disciplines research and explain gender An exciting and interesting read for anyone interested in gender roles and sexual identity

The Portrait of a Lady Julia Rayer Rolfe, National Gallery of Scotland, 1997 This book is a celebration of the famous painting which launched Sargent as a fashionable portrait painter and made Lady Agnew's name as a society celebrity The story of Sargent and Lady Agnew is recounted in the essay and catalogue by Julia Rayer Rolfe Librarian at the National Gallery of Scotland Three leading scholars in the fields of fine art history and music have contributed essays which serve to put the portrait into a wider context Kenneth McConkey Professor of Art History at the University of Northumbria at Newcastle David Cannadine Professor of History at Columbia University New York and Wilfrid Mellers Emeritus Professor of Music at the University of York
