Kafka Isaac Babel has remained an enigma ever since he disappeared along with his archive inside Stalin's secret police headquarters in May of 1939. Made famous by *Red Cavalry*, a book about the Russian civil war, he was the world's first embedded war reporter, another book about the Jewish gangsters of his native Odessa, and yet another about his own Russian Jewish childhood. Babel has been celebrated by generations of readers, all craving fuller knowledge of his works and days. Bringing together scholars of different countries and areas of specialization, the present volume is the first examination of Babel's life and art since the fall of communism and the opening of Soviet archives. Part biography, part history, part critical examination of the writer's legacy in Russian, European, and Jewish cultural contexts, *The Enigma of Isaac Babel* will be of interest to the general reader and specialist alike.

The Secret Sharer and Other Stories (International Student Edition) (Norton Critical Editions) Joseph Conrad, 2016-04-04. This Norton Critical Edition includes four stories: two set on stormy seas, two on calm seas, all four based on the same incident that speak to each other in interesting ways. The stories in this Norton Critical Edition maintain the connection and sequencing that Joseph Conrad saw among them. In his Author's Note to *Twixt Land and Sea*, Conrad writes of his two Calm pieces, *The Secret Sharer* and *The Shadow Line*, and his two Storm pieces, *The Nigger of the Narcissus* and *Typhoon*. This edition is based on the first English book edition for the stories and the first American edition for the Author's Note for *The Shadow Line*, *Typhoon*, and *The Secret Sharer*. The stories are accompanied by explanatory annotations, a note on the texts including a list of textual emendations, and a preface. *Backgrounds and Contexts* brings together relevant correspondence and contemporary reviews from both British and American sources. Also included are documents related to Conrad's sources for the stories, among them Charles Arthur Sankey's *Ordeal of the Cutty Sark: A True Story of Mutiny, Murder on the High Seas*. To help readers navigate, the editor includes a glossary of nautical terms as well as diagrams of the kinds of ships that appear in the stories. *Criticism* includes fifteen essays representing both new and established voices. The essays are arranged by story, with the focus on Conrad's major themes: colonialism, narrative, gender, and race. Albert J. Guerard, Lillian Nayder, Mark D. Larabee, Fredric Jameson, F. R. Leavis, and John G. Peters are among the contributors. A chronology of Conrad's life and work and a selected bibliography are also included.

The Zelmanyaners Moyshe Kulbak, 2013-10-15. A masterpiece of a comic novel following four generations of a Jewish family in Minsk, torn asunder by the new Soviet reality. *Forward*: This is the first complete English language translation of a classic of Yiddish literature, one of the great comic novels of the twentieth century. *The Zelmanyaners* describes the travails of a Jewish family in Minsk that is torn asunder by the new Soviet reality. Four generations are depicted in riveting and often uproarious detail as they face the profound changes brought on by the demands of the Soviet regime and its collectivist, radical secularism. The resultant intergenerational showdowns, including disputes over the introduction of electricity, radio, or electric trolley, are rendered with humor, pathos, and a finely controlled satiric pen. Moyshe Kulbak, a contemporary of the Soviet Jewish writer Isaac Babel, picks up where Sholem Aleichem left off, a generation before exploring

in this book the transformation of Jewish life *The Metamorphosis* Franz Kafka, 2015-07-30 Franz Kafka's 1915 novella of nightmarish transformation became a worldwide classic and remains a century later one of the most widely read works of fiction in the world This new and acclaimed translation is accompanied by possible inspirations and critical analysis of Gregor Samsa's strange story This Norton Critical Edition includes Susan Bernofsky's acclaimed new translation along with her Translator's Note Introductory materials and explanatory footnotes by Mark M Anderson Three illustrations Related texts by Kafka Leopold von Sacher Masoch Friedrich Nietzsche and Rainer Maria Rilke among others Eight critical essays by G nther Anders Walter H Sokel Nina Pelikan Straus Mark M Anderson Elizabeth Boa Carolin Duttlinger K ri Driscoll and Dan Miron A Chronology and a Selected Bibliography *An Introduction to Narratology* , **Publications of the Modern Language Association of America** , **Iconotropism** Ellen Spolsky, 2004 The essays in this collection expand the boundaries of inter art studies claiming that human beings have evolved to draw nourishment from pictures Ellen Spolsky argues in a polemical introduction that the recognition of our embodied need for pictures that is our human iconotropism provides a fresh way of understanding the relationship of works of art to their historical contexts Jacket *Beyond the First Draft* John Casey, 2014-08-11 For students and writers alike a brilliant guide to the craft of writing by the National Book Award winning author of *Spartina* National Book Award winner John Casey is a masterful novelist who is also an inspiring and beloved teacher In *Beyond the First Draft* he offers essential and original insights into the art of writing and rewriting fiction Through anecdotes about other writers methods and habits as well as his own and close readings of literature from Aristotle to Zola the essays in this collection offer suggestions about things to do things to think about when your writing has got you lost in the woods In *Dogma and Anti dogma* Casey sets out the tried and true advice and then comments on when to apply it and when to ignore it In *What's Funny* he considers the range of comedy from pratfalls to elegant wit In *In Other Words* he discusses translations and the surprising effects that translating can have on one's native language In *Mentors* he pays tribute to those who have guided him and other writers Throughout the fourteen essays there are notes on voice point of view structure and other crucial elements This book is an invaluable resource for aspiring writers and a revitalizing companion for seasoned ones *Jewish Literature* Ilan Stavans, 2021-06-03 The story of Jewish literature spans the globe as well as the centuries It includes groups as diverse as the marrano poets and memorialists in medieval Spain the Yiddish writings of Eastern Europe the narratives of Jewish immigrants to the United States the accounts of horror during the Holocaust the work of Israeli authors since the creation of the Jewish state in 1948 and Jewish works in Brazil Bulgaria Argentina and South Africa at the end of the twentieth century In this thought provoking introduction to Jewish literature from 1492 to the present Ilan Stavans focuses on its multilingual and transnational nature presents its subject through the kaleidoscope of its many writers and traditions He features writers as diverse as Franz Kafka Isaac Babel Anzia Yezierska Isaac Bashevis Singer Irving Howe Clarice Lispector Susan Sontag Philip Roth Grace Paley Amos Oz and David Grossman
