Isaiah Alec Motyer, 2015-01-01 The book of Isaiah is perhaps the most compelling of all Old Testament prophecy No other prophet rivals Isaiah's brilliance of style powerful imagery and clear vision of the messianic hope Unlike many commentators who divide Isaiah between chapters 1-39 and 40-66 J Alec Motyer instead identifies three messianic portraits the King 1-37 the Servant 38-55 and the Anointed Conqueror 56-66 These three portraits are expounded in Motyer's lucid insightful and probing commentary **Tyndale Old Testament Commentaries: Isaiah** J. A. Motyer, 1999 **Isaiah** J. A. ministry focus paper examines the 3Story evangelism model through an evaluative template to establish if the model considers the theological historical developmental and environmental factors of the task of peer to peer evangelism While the language and methodology of evangelism seem to have remained unaltered within Christendom the surrounding culture continues to change Expectations and techniques that existed in the past now are being placed on an adolescent culture that neither understands nor connects with them The result of this evaluation will be a greater awareness of the issues facing both models and practitioners when approaching the task of adolescent peer to peer evangelism This study will be divided into four sections The first section will examine the historical approaches to evangelism in North America and the efforts made to adapt these strategies for the task of adolescent peer to peer evangelism This information will create evaluation markers for the evaluative template The second section will explore the theology of peer to peer evangelism along with the dynamic of human relationships in both the Old and New Testament the dynamics of how Jesus His disciples and the early Church shared the Good News in an interpersonal context and the role of the Church This information will create evaluation markers for the theological measure of the evaluative template The third section will explore the psychosocial development spiritual development and environmental issues of peer relationships and their implication to the task of peer to peer evangelism in a North American context This information will create additional markers for the evaluative template Finally the last section will examine the 3Story model through the template presented It will discuss if the model is a viable strategy for adolescent peer to peer evangelism

Invitations to Abundance Alicia J Akins, 2022-03-01 What do the feasts of the Bible reveal about our place in today's tired world In short everything From Genesis through Revelation redemptive history is captured through feasts Through them God calls his people to commemorate mercy delight in grace and commune with him and with each other In the process he proves he doesn't ration his rich soul satisfying love toward us but instead lets it overflow *Invitations to Abundance* brings to life the festivities described in the Bible and illuminates how relevant they remain in a modern world defined by isolation and disillusionment When your heart needs encouragement these wondrous celebrations remind you why where and how you can find security unity and hope Each chapter seats us at a unique feast from Scripture from the well known to the less familiar and considers how you can respond worshipfully as a partaker of these celebrations *Invitations to Abundance* shows you how to reciprocate God's initiating kindness and what it means to live knowing God's table is spread before you

Show Me Your Glory Rebecca G. S. Idestrom, 2023-02-10 What does Scripture mean when it speaks of the glory of God The answer to this question is not as straightforward as we might think In *Show Me Your Glory* Rebecca Idestrom invites the reader on a journey to discover what the Old Testament teaches us about God's glory While exploring this biblical theme she examines various scriptural passages about the glory of the LORD within their larger narrative context in each biblical book She also considers the different key words used for glory as well as the many diverse images and themes connected to God's glory This thematic investigation demonstrates that the Old Testament

Scriptures present a deeply profound and multifaceted portrait of the glory of God Although it is impossible to fully capture what the Bible says about God s majestic glory *Show Me Your Glory* yields many wonderful insights into its depiction meaning and significance resulting in a deep and rich biblical theology of divine glory **The Doctrine of the Covenant of Redemption According to John Gill (1697-1771)** Wang Yong Lee,2025-02-11 What is the doctrine of the covenant of redemption Why does John Gill 1697 1771 an English Baptist pastor and theologian regard this doctrine as the kernel in his systematic theology This book explicates how core theological doctrines in the Bible e g the doctrine of God the Trinity Christology and soteriology are integrated in the doctrine of the covenant of redemption from the biblical and theological perspective of John Gill From his long pastoral experience and over fifty years of rich writing Gill demonstrates that a careful investigation of the Bible and of God the Trinity makes him love the reality of the covenant of redemption in eternity which is ultimately revealed by the gospel of Jesus Christ Gill sees those who are in the gospel of Jesus Christ as the ones through whom the eternal reality of the covenant of redemption is manifested to the saved Gill also encourages those who are in Christ to see the eternal reality of the covenant of redemption revealed by the gospel of Jesus Christ **Reading the Prophets as Christian Scripture (Reading Christian Scripture)** Eric J. Tully,2022-03-29 This survey textbook is grounded in the view that the prophetic books of the Old Testament should be read as Christian Scripture Although it covers critical issues such as authorship background and history its primary focus is on the message and theology of the prophetic books and the contribution they make to the Christian canon Particular attention is given to literary issues such as the structure of each prophetic book Full color illustrations diagrams and artwork bring the text to life Additional resources for instructors and students are available through Textbook eSources **The Gentile Mission in Old Testament Citations in Acts** James A. Meek,2009-04-23 Scholarship on the uses of the Old Testament in Luke Acts has tended to focus upon the role played by the Old Testament in the development of the author s Christology James Meek however draws out the theme of the Gentile mission in Acts as it relates to the Old Testament and gives particular attention to four texts 13 47 Isa 49 6 15 16 18 Amos 9 11 12 2 17 21 Joel 3 1 5 MT 3 25 Gen 22 18 The quotations in Acts 13 and 15 receive greater attention because they explicitly address the issue of the Gentile mission the two earlier texts anticipate it and because of particular interpretive questions raised by these texts Meek argues that while there are similarities in the quotations in Acts with the Old Greek form of the cited texts the argument never depends on distinctive readings of the Old Greek He therefore rejects claims that the author s use of Old Testament texts is dependent entirely on the Old Greek He also maintains that all four quotations are used in a manner consistent with their sense in their original contexts contrary to the common assertion that the New Testament commonly cites Old Testament texts without regard for original sense or context His third principal argument is that these Old Testament quotations function as proof from prophecy contrary to the argument of some In particular they are cited to demonstrate the legitimacy of the Gentile mission as conducted by the early church and of the Gentiles place among

the people of God showing these ideas to be central to the author's purpose *Vessels of Wrath, Volume 1* Richard M. Blaylock, 2023-08-17 Hardening hearts Blinding eyes Sending deceitful spirits Crafting vessels of wrath Few will deny that certain biblical passages make claims about God that are difficult to accept But perhaps the most troubling are the verses that describe God as influencing individuals or groups towards wicked behavior for the purpose of condemning them What are readers to do with these texts In *Vessels of Wrath* Richard M Blaylock tackles the thorny subject of divine reprobating activity DRA Through an exhaustive biblical theological study of the Old and New Testaments Blaylock argues that the Bible does not present DRA as an insignificant or monolithic concept instead the biblical authors showcase both the significance and the complexity of DRA in a variety of ways The book aims to help readers of the Bible to wrestle with the Scriptures so that they might come to better understand its testimony to this mysterious and awesome divine activity NET Bible, Full-notes Edition, Cloth over Board, Gray, Comfort Print Zondervan, 2019-10-01 Ever feel lost in translation With the NET Full notes Edition of the Holy Bible you don't need to be Modern readers can find it challenging to connect with the ancient words and cultural contexts of the biblical writers The NET offers a completely new solution pairing a readable everyday English translation with the largest set of translators notes ever created for a Bible The NET's 60 000 notes bring complete transparency to every major translation decision and invite you to look over the translators shoulders allowing you to come to your own understanding of the Scriptures It is an indispensable resource for every Bible reader Features include The newest complete English translation based on the most up to date manuscript discoveries and scholarship A translation that explains itself over 60 000 translators notes offer unprecedented transparency Full color maps Durable Smyth sewn binding lays flat in your hand or on your desk 8 75 point print size Scripture text in Thomas Nelson's exclusive NET Comfort Print typeface
