Israel Perspective Present Ron McRay:

Israel in Perspective Ron McRay, 2015-12-16 Understanding who Israel was made up of is vital to comprehending the plan of redemption that God had prepared through the ages. The peoples of the nation of Israel are far different today than they were in Bible times. Who is Israel? You can ask that question of people who come from different backgrounds and teachings and you will get a different answer from each of them. Who does the Bible say that Israel is? Ron McRay shows that the nation of Israel has been divided, destroyed and rebuilt over time. They sometimes took on different names and adopted the practices and traditions of their captors. No matter what you have been taught, it is only the Biblical understanding of who Israel is that matters. Ron has taken this seemingly forgotten subject to task by revealing from the Bible the true answer. From the first page you will be captivated with a view and understanding that few people grasp. *The Sabbath, Aaron to Zohar* Norman McClelland, 2021-10-30 This book not only argues for the sanctity of the seventh day Sabbath. It is this author's view that Christians have ample justification for observing Sunday as a holy day but not to claim that it has the same blessed and made holy power to it that the seventh day Sabbath has. Moreover, it is here pointed out that even the Quran if read carefully can support the seventh day Sabbath. *Through My Enemy's Eyes* Salim J. Munayer, Lisa Loden, 2014-02-01 This book addresses the universal theological dimension of reconciliation in the context of the Israeli Messianic Jewish and Palestinian Christian divide. Palestinian Christians and Israeli Messianic Jews share a belief in Jesus as the son of God and Messiah. Often though that is all they have in common. This remarkable book, written in collaboration by a local Palestinian Christian and an Israeli Messianic Jew, seeks to bridge this gap by addressing head-on divisive theological issues as well as their political implications such as land, covenant, prophecy and eschatology which separate their two communities. The struggle for reconciliation is painful and often extremely difficult for all of us. This unique work seeks to show a way forward. **COMMENDATIONS** In a world that wants to see only one side of every conflict and this one especially where people believe only their own propaganda and where many Christians inhabit hard shells of theological, political and apocalyptic certainties, this book is a bravely different voice. Rather, it is two voices talking carefully, honestly, graciously, respectfully and truthfully to each other as sisters and brothers in the Messiah should. This is a unique conversation in which each partner, Messianic Jewish, Israeli and Palestinian Christian, gives full expression to all that they are and think and feel about themselves and the conflict in their land. We are treated to some stretching theological debate and some honest self-criticism. But above all, we come to share the hope and courage that shines through the pain and struggle. Christopher J. H. Wright, International Ministries Director, Langham Partnership, UK. The Palestinian-Israeli divide may be the most intractable conflict of our time. With great courage, honestly facing the turbulent political, historical and theological landscape, which authentic reconciliation must engage, Munayer and Loden open up fresh space. Given the divides between their communities, this book is a remarkable achievement, a cry of hope from the land where Jesus walked. Chris Rice, Director of the Center for Reconciliation, Duke
