Gps for Life Brandy A. Coffee Marks,2011-06 GPS for Life shows what to do once one becomes a believer For those who want to learn and grow in the Lord the author provides challenging questions and space for adding one s own comments

The Forgiven Brandy Marks,2024-12-31 In The Forgiven author Brandy Marks delivers a riveting supernatural adventure that plunges readers into a spiritual battleground where the forces of light and darkness collide in an eternal struggle for power redemption and faith Rich theological imagery this sequel builds upon the saga of Anak a steadfast warrior determined to protect the City of Hope from Lucifer s relentless schemes When the demons gain the upper hand Anak and his loyal companions are dragged into the depths of Hell subjected to harrowing trials and temptations that push them to the edge of their endurance Meanwhile the angel Miriam escapes captivity and alone in the forest she prays fervently to Adonai for guidance but the answer she receives is as bewildering as it is profound In a shocking twist Lucifer himself arrives as a tempter determined to break Miriam s resolve Yet in an ironic turn of fate Lucifer faces an unexpected temptation of his own shattering preconceived notions of good and evil As the boundaries between captor and captive blur the story crescendos into an astonishing event that redefines the very nature of redemption and forgiveness With a fast paced plot vividly drawn characters and theological depth The Forgiven explores the eternal conflict between light and darkness faith and doubt and the resilience of the human spirit in the face of insurmountable odds Brandy Marks masterfully balances moments of gut wrenching darkness with glimmers of hope creating a tale that is as thought provoking as it is thrilling For fans of supernatural adventures woven with spiritual insight and moral complexity The Forgiven promises an unforgettable journey into the heart of a celestial war one where victory might not look as expected and forgiveness holds the key to salvation

Reviewers Comments Populated with famous characters associated with the Bible who take on roles drastically different from what we might expect then adding elements of folklore ramped up the intrigue in this unusual novel Credit must go to Brandy Marks for creating a story that lived up to my basic expectations The characters are well fleshed out and their motivations seem obvious enough while the conversations between them are revealing once you get used to their flowery construct What stands out for me though is the attention to detail From the descriptions of the mythical creatures to the graphic nature of some scenes it is evident that Marks made an extra effort to bring a colorful story to life This is an entertaining novel that would hold its own in the fantasy genre quite well I had always believed that the apple falls close to the tree and that evil begets evil However this book opened my mind to life s infinite possibilities What I loved most about this book is that the narration is told from each character s perspective This is something that I don t usually find and it made the story more interesting The characters are all so different and they each have their particular voice and personality I also enjoyed how the author put so much detail into everything She didn t rush through scenes but instead took her time to describe everything so well you could picture exactly what was happening The impression of hell and the underworld was perfect for a book that stretched beyond the supernatural realm Brandy Marks did an excellent job of creating this world and making me feel as though I was right in the middle of the action I highly recommend this novel to lovers of thrillers and mythological narratives *GPS for Life: Guidance of a Personal Savior* Brandy Marks,Dr Brandy a Marks Lmhc,2009-07 For

The Reset DAVID STEVENS,2011-11-04 If you suddenly discovered a reset button that if pushed would immediately undo all of your past mistakes and failures and would restore your current life to better circumstances would you be tempted to give it a try Most of us would but of course there is no such button However in THE RESET you will enjoy a 28 day journey that will enable you to reclaim the life that you should be living If you are ready for a fresh start now and a bright new hope for your future start today and read one chapter a day for the next 28 days Learn 7 life transforming Resets in 28 days and reclaim and finally live the life that God designed just for you THE RESET is both engaging and practical in its style but most importantly it works When you end this 28 day reset journey you will put down a book but you will wake up each day thereafter with a new mind set ready to go out every day and live your life with overflowing confident hope Here are just a few of the highlighted quotes For all of us life is a journey and we really want to give it our best shot every day Even though we can only see in part where our daily journey is taking us and what the cumulative outcomes will be we would like to feel good about our efforts and ourselves at the end of each day It is quite a game changer when we realize that God thinks about us quite differently than most of us think about ourselves No other healing of a broken relationship in life compares to the restoration of your friendship with God I firmly believe that most of our defeats and setbacks in life come because we do not diligently guard our hearts God never engineered your hope tank to be empty or even half full Instead He intends for you to max out and overflow with hope so that some of His hope will spill out on others around you No matter what start you had you can now have a great finish
