

Dear Student.

At the beginning of the school year, I studied your photo eager to call you by name the first time we met. Now when I see a photo of you, I hear your laughter and remember fondly a conversation we have recently shared.

At the beginning of the year, you wore a name tag as I learned to match your face with your name. Now long before I see your face, I can sense you approach by the sound of your footsteps or the whisper of your voice.

At the beginning of the year, I was presented with your birth date. This told me nothing more than where you fell in the year. Now I know your birthday traditions, your favorite gift and who helped you celebrate your most recent milestone.

At the beginning of the year, I could see that behind your sparkling eyes, you were keen to learn, but I didn't know how to ignite that spark. Now I know what motivates you, your favorite way to learn, how to encourage you and what frustrates you most.

There is so much I know about you now. Who your best friend is, what you like to do on the weekend, your favorite book, color, sport and food. At the beginning of the year I couldn't possibly have known these things just by looking at your photo. Now it's hard to imagine a time I didn't know such important details about your life. This year, it has been my absolute pleasure having you as part of my everyday and my great privilege to have been part of yours!

At the end of our time together, after all we have shared and the memories we have made, I am reluctant for you to leave. But leave you must, for to ask you to stay would be to stifle the potential that bursts within you. So instead I ask a favor. Wherever you go and whatever you do, please remember that I will always be grateful for having taught you and you will always be important to me. Thank you for sharing your life and this year with me! You are special and you are special to me.
