Grammar Moves Shaping Who You Are:

Grammar Moves Larry Weinstein, Thomas Finn, 2011 *Grammar Moves Shaping Who You Are* helps students understand how the grammatical moves they make reveal their personality traits and present their persona to their readers. The text's rhetorical approach emphasizes the transformative power that grammar choices can have on a writer and helps students develop the personality they wish to portray in their writing. Writers can use the imperative mood to suggest control, colons to be assertive, parenthesis to keep the conversation real, and even commas to present an organized persona. By showing students how seemingly small choices can help them manage the impression they make on readers, *Grammar Moves Shaping Who You Are* helps students become more deliberate writers. Instead of a rules-driven approach, comprehensive in scope and exhaustive in examples, *Grammar Moves* uses brevity and humor to engage students and offer them a different way to understand grammar.

Writing for the Design Mind Natalia Ilyin, 2019-04-04 Becoming a designer takes a huge amount of time and education. With so many skills to learn, many people never get the chance to master the one skill that can give them a real advantage in business or academia: They never learn to write well. In *Writing for the Design Mind*, author, designer, and educator Natalia Ilyin offers clear, concise, and humorous writing tips, techniques, and strategies to people who have spent their lives mastering design rather than learning to write.
