Grand Weaver Shapes Through Events:

The Grand Weaver: How God Shapes Us Through the Events of Our Lives Ravi Zacharias, 2010 With inspiring stories and thought provoking questions Ravi Zacharias traces the multiple threads of our lives describing how the unseen hand of God guides our joys our tragedies our daily humdrum to weave a pattern of divine providence and meaning Christianity Failed You? Ravi Zacharias, 2010-07-06 In 2006 Ravi Zacharias International Ministries RZIM held an open forum at the Fox Theater in Atlanta to address the subject Has Christianity Failed You Tickets were sold for the event and to the complete surprise of everyone the event was sold out with a capacity crowd of over 5 000 People lined up offering to buy tickets from folks in line for higher prices Before the event an RZIM cameraman walked the streets and asked people if they had rejected the faith they held at one time One answered that because of a Christian's rejection of his gay lifestyle he had done just that Another answered that she had left her faith because she had fallen into adultery and could never live it down in the church Others had their own reasons Some said it was just intellectually untenable in an age of reason They chose to come to the event to judge if there were adequate answers It is estimated that for every one person who writes a letter or attends an event there are one thousand who agree If the Atlanta crowd was any indication the question is real and troubling Why is it that many live with silent doubt many leaving the evangelical fold for something else Is there something wrong with the message the communicator the hearer or is it all three It's time to ask the hard questions of what it means to be a follower of Jesus Christ and why it seems as though God has made it so hard to continue believing In fact the son of a prominent US Senator phoned me with that very question Why has God made it so hard to believe in Him Such skepticism is not just representative of the hostile it also represents many honest questioners. This book attempts to lay out the response to those within as well as those outside the Christian faith so as to understand what it is we believe and why it is so hard to do so More to the point Why it is actually so hard to deny God and still make sense out of life In the end the answers should be both felt and real with the added truth that God is nearer than you think He desires that we sense Him very near to us and not distant But closeness comes at a cost just as any relationship of love and commitment does **Seeing Jesus from the** East Ravi Zacharias, Abdu Murray, 2020-04-28 Encounter Jesus Like Never Before through Eastern Eyes Throughout these pages Ravi Zacharias and Abdu Murray invite readers to rediscover the cultural insights we often miss when we ignore the Eastern context of the Bible They offer a refreshing picture of Jesus one that appeals to Eastern readers and can penetrate the hearts and imaginations of postmodern Westerners In Seeing Jesus from the East Ravi Zacharias and Abdu Murray show us why a broader view of Jesus is needed one that recognizes the uniquely Eastern ways of thinking and communicating found in the pages of the Bible Zacharias and Murray capture a revitalized gospel message presenting it through this Eastern lens and revealing its power afresh to Western hearts and minds Incorporating story vivid imagery and the concepts of honor and shame sacrifice and rewards Seeing Jesus from the East calls believers and skeptics both Eastern and Western to a fresh
