Medialogies David R. Castillo, William Egginton, 2017-01-01 We are living in a time of inflationary media While technological change has periodically altered and advanced the ways humans process and transmit knowledge for the last 100 years the media with which we produce transmit and record ideas have multiplied in kind speed and power Saturation in media is provoking a crisis in how we perceive and understand reality Media become inflationary when the scope of their representation of the world outgrows the confines of their culture's prior grasp of reality We call the resulting concept of reality that emerges the culture's medialogy *Medialogies* offers a highly innovative approach to the contemporary construction of reality in cultural political and economic domains Castillo and Egginton both luminary scholars combine a very accessible style with profound theoretical analysis relying not only on works of philosophy and political theory but also on novels Hollywood films and mass media phenomena The book invites us to reconsider the way reality is constructed and how truth sovereignty agency and authority are understood from the everyday philosophical and political points of view A powerful analysis of actuality with its roots in early modernity this work is crucial to understanding reality in the information age

Les Marcheurs T01 Carlos Sisi, 2014-11-05 La ville de Malaga est morte mais ses habitants ne connaissent point le repos éternel Quelques survivants réfugiés dans un centre sportif s'efforcent de subsister au jour le jour et de reprendre peu peu le contrôle de la ville Dans un quartier naguère animé une jeune femme jette des tracts du haut d'un immeuble dans l'espoir qu'ils finissent entre les mains d'autres survivants Mais ses messages se papillonnent comme autant de feuilles mortes parmi les hordes de cadavres animés qui errent dans les rues Le père Isidro lui connaît la valeur d'une heure du Jugement Dernier et le Seigneur s'en vient pour laver les hommes de leurs péchés Le père erre dans la ville tel un berger menant son troupeau la recherche des brebis perdues Les tracts portés par le vent vont lui permettre de les retrouver Les rescapés pensent avoir survécu à l'enfer mais ils se trompent le pire est venir
