Class Lists Salem Public Library, 1898 **The Bookseller**, 1903 **The English Lyric Tradition** R. James Goldstein, 2017-03-23 Modern readers can sometimes be unsure about the language and the literary conventions of medieval and Renaissance verse lyrical works written at a time before poetry was assumed to be about personal expression This readers guide introduces to a 21st century audience some of the greatest masterpieces of English poetry spanning five centuries Focusing on poems by Chaucer Wyatt Shakespeare Milton and others the author discusses the development of poetic technique explains the rhetorical culture of earlier centuries and describes the various lyric forms including lover s complaints sonnets and elegies that poets used to communicate with readers **Index Catalog of the Scranton Public Library Authors and Subjects, June 30, 1902** Scranton Public Library, 1903 Chicorel Index to Poetry in Anthologies and Collections--retrospective Marietta Chicorel, 1975 **Tradition and the Individual Poem** Anne Ferry, 2001 A theoretical historical and critical inquiry this book looks at the assumptions anthologies are predicated on how they are put together the treatment of the poems in them and the effects their presentations have on their readers *A Reader's Guide to the Narrative and Lyric Poetry of Thomas Lovell Beddoes* Rodney Edgecombe, 2015-10-05 Beddoes poses a peculiar problem for critics and scholars who wish to redress the marginal position that he occupies in the Romantic canon a problem seemingly unique to him and created in part by his misconception of his own strengths as a writer An extremely good poet who had things turned out differently might have functioned as a missing link between Keats and Tennyson he fatally divided his attention between verse and medicine a discipline that by his own admission made in the poem composed for Zo King served to wither his creative gift This fission of energy was bad enough but more damaging still was his misconception of metier for whatever mental resources remained to Beddoes after gruelling days in the classroom he invested in writing an unstageable drama instead of in his primary gift for lyric verse Whereas the Beddoes revival that has been gathering momentum in recent years has centred on Death s Jest Book the play onto which the poet directed some might say misdirected so much of his creative energy this study focuses wholly on his lyric and narrative verse much of which has

received short critical shrift It follows the sequence of poems set out in the Donner edition and focuses on their verbal richness and inventiveness as they unspool upon the page [The Bulletin of the Hartford Public Library](#) Hartford Public Library,1901 *Ottoman Lyric Poetry* Walter G. Andrews,Najaat Black,Mehmet Kalpakli,2011-10-01 The Ottoman Empire was one of the most significant forces in world history and yet little attention is paid to its rich cultural life For the people of the Ottoman Empire lyrical poetry was the most prized literary activity People from all walks of life aspired to be poets Ottoman poetry was highly complex and sophisticated and was used to express all manner of things from feelings of love to a plea for employment This collection offers free verse translations of 75 lyric poems from the mid fourteenth to the early twentieth centuries along with the Ottoman Turkish texts and new to this expanded edition photographs of printed lithographed and hand written Ottoman script versions of several of the texts a bonus for those studying Ottoman Turkish Biographies of the poets and background information on Ottoman history and literature complete the volume **The Dial** Francis Fisher Browne,1896 *The Poems* D.H.
