Transforming the Struggles of Tamars Lina Andronoviene, 2014-05-29 This book explores the unprecedented challenge of involuntary singleness for women and the implications of disregarding this challenge for the Christian and particularly baptistic communities of faith It argues that these communities not only fail involuntarily single women but also in so doing suffer a serious detriment to their own communal health and Christian witness Taking the challenge of involuntary singleness

as a test case this book explores the method of convictional theology and argues for a holistic framework that can draw together the personal communal and visionary spheres of human existence Although primarily a work of theological ethics it also draws from a number of different disciplines including cultural studies and sociology as well as intersections of science and theology

Australian Evangelical Perspectives on Youth Ministry Ruth Lukabyo,2023-12-06 This book is a unique contribution to the study of children s and youth ministry displaying the rich theological thinking that is developing amongst Australian evangelical scholars Many of the writers have previously presented at the Youthworks House conference which promotes theological reflection for best practice in youth and children s ministry in a community of youth and children s ministers The themes explored in this book are vitally important to pastors seeking to nurture young people as disciples of Jesus Thirteen evangelical scholars answer questions such as How can biblical theology shape a young person s view of themselves What is the biblical definition of church and how does this shape our understanding of intergenerational gatherings family and community How should young Christians interact with the culture around them And how do biblical teachings on sin grace and wisdom provide young people with the resources to live in today s world You will be challenged to reconsider how theology and exegetical study of the Bible can mold your priorities principles and presumptions as you exercise ministry to and with young people

Treier,Mark Husbands,Roger Lundin,2007-05-18 Editors Mark Husbands Roger Lundin and Daniel J Treier present ten essays that explore a Christian approach to beauty and the arts The visual arts music and literature are considered as well as the theological meaning and place of the arts in a fallen world redeemed by Christ

Sweet Surrender Dennis Hiebert,2013-07-09 Every culture has a way of perceiving and practicing marriage Many contemporary Western Christians mistake what their culture prescribes regarding marriage with what the Bible portrays and thereby take as biblical what is merely cultural Uncritical conformity to cultural imperatives of marriage then becomes a Christian virtue and a sweet surrender Few recognize much less question this confusion even when its consequences are unhealthy In Sweet Surrender Dennis Hiebert challenges Christians to comprehend what is cultural in their view of marriage hold as optional what is not explicitly required by the Bible and live out their marriages within the transcendent grace of God Gaining greater awareness can free marriages from the control of culture for something more simply but deeply Christian Marriages benefit when they are released from cultural directives that are not biblical callings even if they choose to retain them as cultural practices This book is for Christians who are ready to rethink their assumptions about marriage

Sex on Earth as It Is in Heaven Patricia Beattie Jung,2016-12-28 This work is part of a growing chorus of theological voices raised in support of erotic desire Although most theologians have

concluded that there will be no experience of sexual desire and delight in the world to come Patricia Beattie Jung critically examines the historical traditions and biblical rationales for this teaching She defends an alternative claim that there will be a healed and glorified experience of sex in heaven based on a compelling account of the Christian hope for bodily resurrection The first half of the work focuses on Christian foundations for the notion of sex in heaven while the second goes on to discuss some of the implications of those convictions for sex on earth Jung concludes with discussions of how best to nurture sexual delight on earth and how and why internet pornography fails in that regard *Singleness, Marriage, and the Will of God* J. Robin Maxson,2012 Not everyone will marry or should but virtually all single adults think about marriage And all make decisions that either maintain their singleness or attempt to change it This book by the authors of the groundbreaking *Decision Making and the Will of God* offers an in depth tutorial to help singles apply biblical principles to the critical choices they confront Do I want to get married Are there good reasons to remain single What sort of person should I consider as a potential spouse How do I look for a mate What should I do if no spouse shows up What is God s role in the decision making process This comprehensive volume will equip readers to make wise choices about marriage according to the will of God It s also an invaluable resource for parents counselors and pastors *Better than One* Valeriia Chornobai,Viktoriia Hrytsenko,2023-10-31 In the beginning God declared that it was not good for human beings to be alone Yet the ache of loneliness is rampant in our societies knowing no boundaries of age sex geography culture or religion This book offers the reader a robust theological understanding of loneliness as a multifaceted phenomenon impacting the lives of believers It identifies five different types of loneliness emotional social cultural existential and spiritual and illustrates each type through wellknown biblical narratives exploring what each narrative reveals about the relational nature of God and the humans created in his likeness Yet beyond a theological framework this book also provides practical and effective strategies for understanding and combating loneliness in the contexts of our contemporary lives It pays particular attention to the historic and contemporary challenges of singleness and celibacy especially as experienced in collectivist cultures and evangelical contexts Chornobai and Hrytsenko aim to equip all those suffering from loneliness as well as those walking alongside them whether pastors counselors or social workers to better understand the inner and outer factors impacting their experience and to find more effective strategies for coping and thriving **A Peculiar Orthodoxy** Jeremy S. Begbie,2018-08-21 World renowned theologian Jeremy Begbie has been at the forefront of teaching and writing on theology and the arts for more than twenty years Amid current debates and discussions on the topic Begbie emphasizes the role of a biblically grounded creedal orthodoxy as he shows how Christian theology and the arts can enrich each other Throughout the book Begbie demonstrates the power of classic trinitarian faith to bring illumination surprise and delight whenever it engages with the arts **Judges & Ruth (Brazos Theological Commentary on the Bible)** Laura A.
