ADULTERY Edward D. Andrews, 2019-03-08 Andrews has written The Biblical Guide to Avoid the Pitfalls of Sexual Immorality This tool is for both man and woman husband and wife all Christians who will marry one day and those who have been married for some time The fallen world that we live in is fertile ground for immorality The grass always seems greener somewhere away from one's own spouse Adultery is something everyone should avoid It destroys more than just marriages it destroys a person's life family and most importantly their relationship with God Such is the danger of adultery that the Bible strongly warns every man and woman against it The world that we currently live

in is very vile and sexual morality is no longer a quality that is valued What can Christians do to stay safe in such an influential world that caters to the fallen flesh What can help the husband and wife relationship to flourish as they cultivate a love that will survive the immoral world that surrounds them We might have thought that a book like God s Word that is 2 000 3 500 years old would be out of date on such modern issues but the Bible is ever applicable The Biblical Guide to Avoid the Pitfalls of Sexual Immorality will give us the biblical answers that we need Eternal Love Again Alex James
