Grace Sufficient A History Of Women In American Methodism 1760 1968:

Grace Sufficient Jean Miller Schmidt, 1999 Schmidt has tried to achieve a balance between the chronological description and thematic interpretation of Methodist women's history and a more intimate portrait of individual women in this tradition. There are powerful stories of faith here that are part of the shared history of Methodist people both women and men. As contemporary women struggle with their own sense of call, they often resonate in powerful ways with the faith stories of these religious foremothers. **BOOK JACKET**

The Cambridge Companion to American Methodism Jason E. Vickers, 2013-10-07 A comprehensive introduction to various forms of American Methodism exploring the beliefs and practices around which the lives of these churches have revolved. *Historical Dictionary of Methodism* Jennifer Woodruff Tait, Christopher J. Anderson, 2024-11-05 Methodism originally founded in the eighteenth century has grown into a large and influential Protestant denomination. As of 2016 it claimed around 50 million adherents in 80 churches in more than 150 countries. Its history illuminates our understanding of modern culture, ethics, literature, politics, Christian mission, women's studies, and many related topics. *Historical Dictionary of Methodism* Fourth Edition contains a chronology, an introduction, and an extensive bibliography. The dictionary section has more than 700 cross-referenced entries on important institutions, events, doctrines, and people who have contributed to the movement and to broader society in the three centuries since it was founded. This book is an excellent resource for students, researchers, and anyone wanting to know more about Methodism as a global movement.

Turn the Pulpit Loose P. Pope-Levison, 2016-04-30 *Turn the Pulpit Loose* features the lives and words of eighteen women evangelists, including Sojourner Truth and Evangeline Booth, and lesser-known figures such as Jarena Lee, an African Methodist from the early 1800s, and Uldine Utley, a child evangelist in the early 1900s who helped to shape American religious life from the nation's infancy to the present. Highlighting substantial primary sources—sermons, articles, diaries, letters, speeches, and autobiographies—Priscilla Pope Levison weaves together fascinating narratives of each woman's life: her conversion and calling to preach, her primary evangelistic method, and her reflections about women in general. This anthology, complete with photographs of each evangelist, is an indispensable resource for a wide range of academic fields, including religion, history, women's studies, and literature.
