In the new arena for anti racist work in which we find ourselves the neo liberal post race university this interdisciplinary
collection demonstrates common global political concerns about racism in Higher Education It highlights a range of issues
regarding students academic staff and knowledge systems and all of the contributions seek to challenge the complacency of
the post race present that is dominant in North West Europe and North America Brazil s mythical racial democracy and
South Africa s post apartheid rainbow nation The collection makes clear that we are not yet past the need for anti racist
institutional action because of the continuing impact of coloniality on and in these nations Chapter 7 of this book is freely
