**SUMMER Comic Book Writing**

You will need:

- Summer story brainstorming and comic pages
- Crayons, colored pencils, markers, etc.

**Instructions:**

- Show the example with your child. We got in the car to go to the pool as a family. After that, we got in the pool to swim and play. After a while, they blew the whistle to tell everyone to get out while they cleaned the pool while we waited we brought hot dogs. They were delicious! Then when they blew the whistle again, we got back in the pool. When it was time to go, we got back in the car and drove home.
- Ask your child if they can think of their own summer stories that have lots of details. Just like the example. Then, ask your child what they know about the format of comics (such as in comic books or exclamationary words, conversational text, etc.)
- Tell the your child that they will be writing about their own summer stories... comic book style! They will need to think of a story that has several things that happened during their story for their comic.
- Tell the children that first, they need to come up with their idea for their summer story comic. Have your child fill out the Stories of Summer Brainstorming graphic organizer worksheet. They should think of 2-3 ideas for their summer story and then choose one to focus on.
- Once they have chosen one, have your child complete their summer story comic using the comic book pages.

You will need:

- Summer-story brainstorming and comic pages
- Crayons, colored pencils, markers, etc.

Downloaded from <http://ajph.org/>

- Share this example with your child. We got in the car to go to the pool as a family. After that, we got in the pool to swim and play. After a while, they left. The whole to tell everything to get out while we cleaned the pool. We then left. We bought the dog. They were excited. Then when they left, the whole apart, we got back in the pool when it was time to go. We got back in the car and drove home.
- Ask your child if they can think of their own summer stories that have lots of details, just like the example. Then, ask your child what they know about the format of comics (such as in comic books or in newspapers). Discuss this format (i.e. Picture and text, exclamatory words, conversational text, etc.)
- Tell the your child that they will be writing about their own summer stories... comic book style! They will need to think of a story that has several things that happened during their story. For their comic, tell the children that first, they need to come up with their idea for their summer story comic. Give your child 10 min. Stories of summer. **Brainstorming graphic organizer worksheet.** They should think of 2-3 ideas for their summer story and then choose one to focus on.
- Once they have chosen one, have your child complete their summer story comic using the comic book pages.
