Your job is to figure out how much was raised through ticket sales and donations, and figure out how much supplies will cost (minus the community center's donation). You will need to choose movie and music fees carefully in order to fully fund the dinner (minus the donated cost of \$20,000).

On the following pages, you will find the cost breakdowns. Some of these values will need to be completed by you in order to calculate the totals.

Finally, you will need to fill out the event flyer on the last page. This will require you to fill in the times for the evening, as well as the movie that will be played. You will also need to show how much money was raised to help for the dinner and whether or not they met their fundraising goal.
